Short Shorts Irving Howe, Ilana W. Howe, 1983 Included in this collection are thirty-eight miniature stories, each one only two or three pages long.

Tall Men, Short Shorts Leigh Montville, 2022-05-24 This part memoir, part sports story (Wall Street Journal) from the New York Times bestselling author of *The Big Bam* chronicles the clash of NBA titans over seven riveting games—Celtics versus Lakers, Russell versus Chamberlain—covered by one young reporter. Welcome to the 1969 NBA Finals! They don't set up any better than this. The greatest basketball player of all time - Bill Russell - and his juggernaut Boston Celtics, winners of ten (ten!) of the previous twelve NBA championships, squeak through one more playoff run and land in the Finals again. Russell's opponent? The fearsome 7'1" next-generation superstar, Wilt Chamberlain, recently traded to the LA Lakers to form the league's first dream team. Bill Russell and John Havlicek versus Chamberlain, Jerry West and Elgin Baylor. The 1969 Celtics are at the end of their dominance. The 1969 Lakers are unstoppable. Add to the mix one newly minted reporter. Covering the epic series is a wide-eyed young sports writer named Leigh Montville. Years before becoming an award-winning legend himself at *The Boston Globe* and *Sports Illustrated*, twenty-four-year-old Montville is ordered by his editor at the *Globe* to get on a plane to L.A. (first time!) to write about his luminous heroes, the biggest of big men. What follows is a raucous, colorful, joyous account of one of the greatest seven-game series in NBA history. Set against a backdrop of the late sixties, Montville's reporting and recollections transport readers to a singular time - with rampant racial tension on the streets and on the court, with the emergence of a still relatively small league on its way to becoming a billion-dollar industry, and to an era when newspaper journalism and the written word served as the crucial lifeline between sports and sports fans. And there was basketball - seven breathtaking, see-saw games, highlight-reel moments from an unprecedented cast of future Hall of Famers (including player-coach Russell as the first-ever black head coach in the NBA), coast-to-coast travels and the clack-clack-clack of typewriter keys racing against tight deadlines. *Tall Men, Short Shorts* is a masterpiece of sports journalism with a charming touch of personal memoir. Leigh Montville has crafted his most entertaining book yet, richly enshrining luminous players and moments in a unique American time.

Athletic Shorts Chris Crutcher, 2009-09-22 These six powerful short stories chronicle bits of the lives of characters, major and minor, who have walked the rugged terrain of Chris Crutcher's earlier works. They also introduce some new and unforgettable personalities who may well be heard from again in future books. As with all Crutcher's work, these are stories about athletes, and yet they are not sport stories. They are tales of love and death, bigotry and heroism, of real people doing their best even when that best isn't very good. Crutcher's straightforward style and total honesty have earned him an admiring audience and made readers of many nonreaders.

Loud Sparrows Aili Mu, Julie Chiu, Howard Goldblatt, 2006 If sparrows are but a metaphor, every writer faces the challenge of reality, which is to say, how one catches this sparrow. So writes Bei Dao in his preface to *Loud Sparrows*, a spirited collection of ninety-one short-shorts, an exciting new form of extreme short-storytelling that has swept the creative consciousness of mainland China, Hong Kong, and Taiwan. The artistic and aesthetic freedoms of short-shorts enable writers to capture the tone, texture, and chaos of their rapidly changing societies in infinitely inventive ways. Written by Chinese authors over the past three decades, the stories in this anthology are culled from newspapers, magazines, literary journals, and personal collections, and their subjects range from humanist ideals and traditional virtues to the material benefits of a commercialized society.

Short Shorts Volume 2 Michael Yates, 2014 Three one-act plays by Michael Yates. A REAL

CUSHY NUMBER: It's the night shift at a major hospital and the porters sip their hot tea and talk about life as they wait for a patient to die. **ALL GOOD MEN:** Party conference time - and the sudden death of the prime minister triggers a power struggle as young speech-writer Simon goes to war with ambitious minister Darius and sexy, ruthless power-broker Lady Bridgewater. **LUVVIES:** A failed playwright and a bit-part actress invite a young couple home for heavy drinking and ritual humiliation - but the tables could be turned! Clever, well-written. The punchy, bitchy dialogue is great fun with an undercurrent of tragedy. It kept me hooked, said the Write Now Liverpool Drama Festival judge.

Short Holly Goldberg Sloan, 2018-01-09 In this heartwarming and funny middle-grade novel by the New York Times bestselling author of *Counting by 7s*, Julia grows into herself while playing a Munchkin in *The Wizard of Oz*. Julia is very short for her age, but by the end of the summer run of *The Wizard of Oz*, she'll realize how big she is inside, where it counts. She hasn't ever thought of herself as a performer, but when the wonderful director of *Oz* casts her as a Munchkin, she begins to see herself in a new way. As Julia becomes friendly with the poised and wise Olive—one of the adults with dwarfism who've joined the production's motley crew of Munchkins—and with her deeply artistic neighbor, Mrs. Chang, Julia's own sense of self as an artist grows. Soon, she doesn't want to fade into the background—and it's a good thing, because her director has more big plans for Julia! Bubbling over with humor and tenderness, this is an irresistible story of self-discovery and of the role models who forever change us.

Selling Women Short Liza Featherstone, 2009-04-20 On television, Wal-Mart employees are smiling women delighted with their jobs. But reality is another story. In 2000, Betty Dukes, a fifty-two-year-old black woman in Pittsburg, California, became the lead plaintiff in *Dukes v. Wal-Mart Stores*, a class action, representing 1.6 million women. In her explosive investigation of this historic lawsuit, journalist Liza Featherstone reveals how Wal-Mart, a self-styled family-oriented, Christian company: Deprives women (but not men) of the training they need to advance. Relegates women to lower-paying jobs like selling baby clothes, reserving the more lucrative positions for men. Inflicts punitive demotions on employees who object to discrimination. Exploits Asian women in its sweatshops in Saipan, a U.S. commonwealth. Featherstone goes on to reveal the creative solutions that Wal-Mart

workers around the country have found, like fighting for unions, living-wage ordinances, and childcare options. Selling Women Short combines the personal stories of these employees with superb investigative journalism to show why women who work these low-wage jobs are getting a raw deal, and what they are doing about it. A new preface to the paperback edition will reflect on Wal-Mart's response to this lawsuit and its critics-including this one.
