Thor O. Johnson,Tor N. Johnson

The Miniature Wife Manuel Gonzales, 2013-01-10 In the tradition of George Saunders and Aimee Bender, an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena. The eighteen stories of Manuel Gonzales's exhilarating first book render the fantastic commonplace and the ordinary extraordinary, in prose that thrums with energy and shimmers with beauty. In "The Artist's Voice" we meet one of the world's foremost composers, a man who speaks through his ears. A hijacked plane circles a city for twenty years in "Pilot, Copilot, Writer." Sound can kill in "The Sounds of Early Morning." And, in the title story, a man is at war with the wife he accidentally shrank. For these characters, the phenomenal isn't necessarily special—but it's often dangerous. In slightly fantastical settings, Gonzales illustrates very real guilt over small and large marital missteps, the intense desire for the reinvention of self, and the powerful urges we feel to defend and provide for the people we love. With wit and insight, these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes. Brilliantly conceived, strikingly original,

and told with the narrative instinct of a born storyteller, *The Miniature Wife* is an unforgettable debut.

The Miniature Wife Manuel Gonzales, 2014-02-04 In the tradition of George Saunders and Aimee Bender, an exuberantly imagined debut that chronicles an ordinary world marked by unusual phenomena. The eighteen stories of Manuel Gonzales's exhilarating first book render the fantastic commonplace and the ordinary extraordinary, in prose that thrums with energy and shimmers with beauty. In "The Artist's Voice" we meet one of the world's foremost composers, a man who speaks through his ears. A hijacked plane circles a city for twenty years in "Pilot, Copilot, Writer." Sound can kill in "The Sounds of Early Morning." And, in the title story, a man is at war with the wife he accidentally shrank. For these characters, the phenomenal isn't necessarily special—but it's often dangerous. In slightly fantastical settings, Gonzales illustrates very real guilt over small and large marital missteps, the intense desire for the reinvention of self, and the powerful urges we feel to defend and provide for the people we love. With wit and insight, these stories subvert our expectations and challenge us to look at our surroundings with fresh eyes. Brilliantly conceived, strikingly original,

and told with the narrative instinct of a born storyteller, *The Miniature Wife* is an unforgettable debut.

The Miniature World of Marvin & James Elise Broach, 2014-02-04 In this Masterpiece Adventure, the first in a companion series for younger readers from bestselling author Elise Broach, James is going on vacation for a week. His best friend, Marvin the beetle, has to stay at home. Without James to keep him company, Marvin has to play with his annoying cousin, Elaine. Marvin and Elaine quickly find themselves getting into all sorts of trouble—even getting trapped inside a pencil sharpener! Marvin misses James and starts to worry about their friendship. Will James still be Marvin's friend when he gets home or will James have found a new best friend? A Christy Ottaviano Book

The Good Son: A Story from the First World War, Told in Miniature Pierre-Jacques

Ober, 2019-05-14 A young WWI soldier's unauthorized visit home has dire consequences in a haunting story reimagined in miniature tableaux. About one hundred years ago, the whole world went to war. The war was supposed to last months. It lasted years. It is Christmastime, 1914, and World War I

rages. A young French soldier named Pierre had quietly left his regiment to visit his family for two days, and when he returned, he was imprisoned. Now he faces execution for desertion, and as he waits in isolation, he meditates on big questions: the nature of patriotism, the horrors of war, the joys of friendship, the love of family, and how even in times of danger, there is a whole world inside every one of us. And how sometimes that world is the only refuge. Its publication coinciding with the centennial of the signing of the Treaty of Versailles, this moving and sparely narrated story, based on true events, is reenacted in fascinating miniature scenes that convey the emotional complexity of the tale. Notes from the creators explore the innovative process and their personal connection to the story.

Life In Miniature Linda Schlossberg, 2010-12-01 From a powerful new voice in fiction comes a compelling debut about the delicate bond between daughters and mothers, and about leaving everything you know in order to find the place where you belong. Adie has always known she was different. There's her size, for one thing. Born three months premature, Adie is the smallest of her peers. Then there's Adie's mother, who at first glance seems like so many other 1980s moms--clipping

coupons and attending Feel the Burn aerobics classes. But beneath the surface is something erratic and unpredictable, something that makes her drag Adie and her older sister, Miriam, from one rental apartment to the next--until Miriam runs away. Adie is left behind with her mother, who is convinced their lives are in real danger and takes Adie on a crazy run across northern California. Now Adie faces a stark choice: submit to this increasingly surreal adventure, or grow up in ways she never imagined. . . . Life in Miniature is a stunning double portrait, subtly capturing a daughter's misconceptions of her mother's delusions--while simultaneously revealing the consequences for both--in a compulsively readable and deeply insightful first novel. --Jonathon Keats, author of *The Book of the Unknown* . . . a book of intelligence and grace that will make you laugh and cry. --Terry Gamble, author of *Good Family* Linda Schlossberg received her PhD in English literature from Harvard University, where she is the Assistant Director of the Women, Gender, and Sexuality Studies program. Her fiction has been recognized by the Pacific Northwest Writers Association, the National League of American PEN Women, and Writers at Work. She has also received research and writing grants from the Andrew W.

Mellon Foundation, as well as several awards for excellence in teaching. Linda lives in Cambridge, Massachusetts.

The Curio Cabinet Carol Beth Anderson, 2021-03-17 Enchanted tattoos, slashed tires, and first kisses . . . Peek inside The Curio Cabinet for an assortment of 150 stories, each about fifty words long. Explore all four shelves: In Other Worlds Mind-bending fantasy, sci-fi, and horror Love in Miniature Romance to savor Rhythm & Rhyme Vibrant poetry Curios Eclectic, unique tales You'll be delighted with the tiny treasures in The Curio Cabinet.

My Miniature Library Daniela Jaglenka Terrazzini, 2017-10 With stories ranging from illustrated fairytales to well-loved nonsense rhymes and books of butterflies, birds and flowers, plus blank books for you to complete yourself, you'll have everything you need to make a little library of beautifully illustrated books. The books are simple to make - just cut, fold and glue. The kit comes with a miniature bookshelf to press out and make, and easy-to-follow, fully illustrated instructions. Plus the box transforms into a beautiful library scene!

On Longing Susan Stewart,1993 An analysis of the ways in which everyday objects are narrated to animate or realize certain versions of the world.

A Miniature History of the Young People's Christian Union of the Universalist Church Frederick Adelbert Bisbee,1914

Baby Farm Animals Garth Williams,2011-08-31 No one has drawn animals with as much warmth, humor, and realism as Garth Williams, who illustrated the beloved classics *Charlotte's Web*, *Stuart Little*, and the *Little House on the Prairie* series. This classic Little Golden book—with piglets, kittens, calves, and bunnies, and a simple, humorous story—is one of his best. Loved for generations, this warm and fuzzy classic is sure to delight a new crop of young Little Golden Book fans.

The Miniature Book of Miniature Golf Mike Vago,2009-01-01 The perfect golfing gift: A book that is a complete, working 9-hole miniature golf course, with miniature golf balls and putter included. The first book you can play through. The book that's a true original. Featuring nine themed courses, from pirates to dinosaurs to the classic windmill, *The Miniature Book of Miniature Golf* celebrates the

silliness and the golf-for-everyone! attitude of Putt-Putt. Each page in the book is a cleverly designed hole, modeled on real mini golf courses. Tap the ball through the grooves and make sure to avoid the obstacles. Then see if you can get it in the clown's mouth on the last hole. Every hole is par fun.

Miniature Books Louis W. Bondy, 1981

Miniature Ship Models Paul Jacobs, 2008-05-30 This book is the first comprehensive history of how the 1:1200 scale and its 1:1250 continental equivalent became accepted as the modern standard for miniature ship models. The origins can be traced back to the first years of the twentieth century and their use as identification aids by the military during the First World War, but when peace came the manufacturers aimed their increasingly sophisticated products at collectors, and acquiring, modifying or scratch-building miniature ship models has been an avidly pursued hobby ever since. This book charts the commercial rise and fall of the manufacturers, and the advancing technology that produces ever more detailed and accurate replicas. The author - himself a lifetime collector and builder of models - looks at the products of each manufacturer, past and present, rating their quality and

suggesting why some are regarded as more collectible than others. But the book deals with more than off-the-shelf models, covering subsidiary issues like painting, modifying and diorama settings, and is illustrated throughout with many of the finest examples of the genre. The combination of fascinating background information with stunning visual presentation will make this book irresistible to any collector or enthusiast.

Poodles In Particular - History, Care And Management Of The Standard, Miniature And Toy Varieties For Home And Show Ring Alice Lang Rogers, 2013-05-31 This book will be avidly devoured by all literature-starved Poodle lovers, for the author is recognised everywhere as an authority who has also sought knowledge of the subject of Poodles from across the world. The book's pages contain a wealth of information for Poodle owners from the origins of the breed to picking out a puppy and how to feed, clean, groom, and manage your dog. Contains many photos and illustrations.

Storey's Guide to Raising Miniature Livestock Sue Weaver, 2012-11-02 Whether you want to make most of a small plot of land or add diversity to a large farm, raising miniature livestock can be a

fun and profitable experience. With expert advice on choosing a breed that suits your needs, Sue Weaver shows you how to house, feed, and care for miniature goats, sheep, donkeys, pigs, horses, cattle, and llamas. You'll be inspired by profiles of successful breeders as you learn everything you need to know to keep your miniature livestock healthy and productive.

A History of Miniature Art John Lumsden Propert, 1887

In Miniature Simon Garfield, 2019-03-12 Bestselling, award-winning writer Simon Garfield returns with an enthralling investigation of humans' peculiar fascination with small things—and what small things tell us about our larger world. “[Simon Garfield is] an exuberant truffle-hound of the recondite and delightful factoid.” —Sunday Times (London) Simon Garfield writes books that shine a light on aspects of the everyday world in order to reveal the charms and eccentricities hiding in plain sight around us. After beguiling fans with books about everything from typography to time, from historic maps to the color mauve, he's found his most delightful topic yet: miniatures. Tiny Eiffel Towers. Platoons of brave toy soldiers. A doll's house created for a Queen. Diminutive crime scenes crafted to

catch a killer. Model villages and miniscule railways. These are just a few of the objects you will discover in the pages of *In Miniature*. Bringing together history, psychology, art, and obsession, Garfield explores what fuels the strong appeal of miniature objects among collectors, modelers, and fans. The toys we enjoy as children invest us with a rare power at a young age, conferring on us a taste of adult-sized authority. For some, the desire to play with small things becomes a desire to make small things. We live in a vast and uncertain world, and controlling just a tiny, scaled-down part of it restores our sense of order and worth. As it explores flea circuses, microscopic food, ancient tombs, and the Vegas Strip, *In Miniature* changes the way we perceive our surroundings, encouraging all of us to find greatness in the smallest of things.

Life in Miniature Nicola Lisle, 2020-11-23 A “comprehensive and enjoyable” guide to the centuries-long history of dolls’ houses and how they illuminate our past (Books Monthly). Dolls’ houses are tiny slices of social history that give us a fascinating glimpse into domestic life over the last three hundred years. Through text and photos, Nicola Lisle explores the origins and history of dolls’ houses and their

furnishings, from the earliest known dolls' house in sixteenth-century Bavaria to the present, and looks at how they reflect the architecture, fashions, social attitudes, innovations, and craftsmanship of their day. She discusses the changing role of dolls' houses and highlights significant events and people to give historical context, as well as taking a look at some of the leading dolls' house manufacturers such as Silber & Fleming and Lines Brothers Ltd (later Triang). Included are numerous examples of interesting dolls' houses, the stories behind them, and where to see them—including famous models such as Queen Mary's spectacular 1920s dolls' house at Windsor Castle. There is also a chapter on model towns and villages, which became popular in the twentieth century and also give us a window on the past by replicating real places or capturing scenes typical of a bygone era, plus advice for dolls' house collectors, a detailed directory of places to visit, a timeline of dolls' house history, and recommended further reading.

downloads is just a click away.

FAQs About Miniature&sorty Books

How do I know which eBook
platform is the best for me?

Finding the best eBook platform
depends on your reading
preferences and device
compatibility. Research different
platforms, read user reviews,

and explore their features
before making a choice. Are
free eBooks of good quality?

Yes, many reputable platforms
offer high-quality free eBooks,
including classics and public
domain works. However, make
sure to verify the source to
ensure the eBook credibility.

Can I read eBooks without an
eReader? Absolutely! Most
eBook platforms offer webbased
readers or mobile apps that

allow you to read eBooks on
your computer, tablet, or
smartphone. How do I avoid
digital eye strain while reading
eBooks? To prevent digital eye
strain, take regular breaks,
adjust the font size and
background color, and ensure
proper lighting while reading
eBooks. What the advantage of
interactive eBooks? Interactive
eBooks incorporate multimedia
elements, quizzes, and

activities, enhancing the reader engagement and providing a more immersive learning experience. Miniature&sorty is one of the best book in our library for free trial. We provide copy of Miniature&sorty in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Miniature&sorty. Where to download Miniature&sorty online for free?	Are you looking for Miniature&sorty PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check	another Miniature&sorty. This method for see exactly what may be included and adopt these ideas to your book.
