In The Mirror Fabian E. Ferguson,2021-06-20 This short story inspires pride and confidence in children by showing the simple beauty of imagining greatness for oneself--

Otto, the Story of a Mirror Ali Bahrapour,2003 Tired of reflecting the customers at Mr. Topper's Hat Store, Otto manages to escape and have the adventures he had always dreamed of having.

The Hand on the Mirror Janis Heaphy Durham,2015-05-07 In 2004, Janis Heaphy Durham's husband, Max Besler, died of esophageal cancer at age 56. While coping with her grief, Janis soon began encountering phenomena unlike anything she had ever experienced: lights flickering, doors opening and closing, clocks stopping at 12:44, the exact time Max died. But then something startling happened that changed her life forever. A powdery handprint spontaneously appeared on her bathroom mirror on the first anniversary of Max's death. Incredibly, a similar image appeared on the second and third anniversaries as well. Clearly, something otherworldly was occurring. This launched Janis on a journey that transformed her spiritually and altered her view of reality forever. She interviewed scientists and spiritual practitioners along the way, as she discovered that the veil between this world and the next is thin, and that love is what bridges the two.

The Haunted Mirror Elizabeth Madox Roberts,1978

The Green Mirror Hugh Walpole,1917 Sounding a favorite theme the power of the elderly, especially the power of elderly ladies this early (1917)

novel shows the influence of the author's mentor, Henry James. It encapsulates Walpole's gift for lighting on the small, telling detail and also his surprising humor. Second in the Rising City sequence, after *The Duchess of Wrexhe*.

Mirror Suzy Lee, 2010 A young girl dances with her reflection in a mirror in this story told without words.

Distorted Mirror R K Laxman, 2004-02-16 R.K. Laxman, cartoonist par excellence, is also one of the country's most entertaining writers. The *Distorted Mirror* brings together some of his best short stories, essays and travelogues. The collection begins with 'An Accident', a most unusual mystery story where the murder weapon is a newspaper. In other stories, we are introduced to Gopal, a schoolboy in an ordinary small town that is transformed one day when the Viceroy visits; Shantha, a little girl who makes an interesting discovery in the midst of a wedding; and Bhasker, a writer who is suddenly confronted by his past. Each story is marked by Laxman's ability to delineate a character or a moment with a few deft strokes and imbued with his trademark wit. No less fascinating are the travelogues—about the United States, Australia, the Andamans, Darjeeling, Mauritius and Kathmandu—which are brought to life by Laxman's vivid descriptions and his inimitable way of looking at the world around him. The collection is rounded off with a few rare and delightful anecdotes about Laxman's cartooning career, a subject on which he is usually reticent. Accompanied by Laxman's illustrations, the pieces in *The Distorted Mirror* will amuse and entertain every fan of R.K. Laxman's.

The Face in the Mirror Rhys Bowen, 2013-02-05 From the author of *In Farleigh Field* comes Rhys Bowen's short story *The Face in the Mirror*; it offers just the taste of mystery and mayhem fans will need to tide them over until the next Molly Murphy novel. Molly Murphy—Molly Sullivan, now that she and Daniel are finally married—is bored. Having given up her detective agency when she married, she now finds that her life is much less exciting, her days an endless stretch of housekeeping and chores. But when Molly secretly attends a suffragist meeting with her friends Sid and Gus and meets a shy, distracted woman who claims to live in a haunted house, everything is about to change.

Man in the Mirror Robert Bonazzi, 1997 First published by Orbis Books in 1997, *Man in the Mirror* tells the story behind *Black Like Me*, a book that astonished America upon its publication in 1961, and remains an American classic 50 years later. In 1959 a white writer darkened his skin and passed for a time as a Negro in the Deep South. John Howard Griffin was that writer, and his book *Black Like Me* swiftly became a national sensation. Few readers know of the extraordinary journey that led to Griffin's risky experiment—the culmination of a lifetime of risk, struggle, and achievement. A native

of Texas, Griffin was a medical student who became involved in the rescue of Jews in occupied France; a U.S. serviceman among tribal peoples in the South Pacific, where he suffered an injury that left him blinded for a decade; a convert to Catholicism; and, finally, a novelist and writer. All these experiences fed Griffin's drive to understand what it means to be human, and how human beings can justify treating their fellows—of whatever race or physical description—as the intrinsic Other. After describing this journey and analyzing the text of *Black Like Me*, Robert Bonazzi treats the dramatic aftermath of Griffin's experiment and life. *Man in the Mirror* provides a fascinating look at the roots of this important book, and offers reflections on why, after all these years, it retains its impact and relevance.

Aesop's Mirror Maryalice Huggins, 2010-02-15 Everything I needed to know about Fox and Grapes mirror, I knew the moment I first saw it What antiques restorer Maryalice Huggins knew when she stumbled across the mirror at a country auction in Rhode Island was this: She was besotted. Rococo and huge (more than eight feet tall), the mirror was one of the most unusual objects she had ever seen. Huggins had to have it. The frame's elaborate carvings were almost identical to a famous eighteenth-century design. Could this be eighteenth-century American? That would make it rare indeed. But in the rarefied world of American antiques, an object is not significant unless you can prove where it's from. Huggins set out to trace the origins of her magnificent mirror. Fueled with the delightfully obsessive spirit of Susan Orlean's *The Orchid Thief*, *Aesop's Mirror* follows Huggins on her quest as she goes up against the leading lights of the very male world of high-end antiques and dives into the historical archives. And oh, what she finds there! The mirror was likely passed down through generations of the illustrious Brown family of Providence, Rhode Island. Throughout history, mirrors have been seen as having mystical powers, enabling those who peer into them to connect the past and the future. In *Aesop's Mirror*, Maryalice Huggins does just that, creating a marvelous, one-of-a-kind book about a marvelous, one of-a-kind American treasure.

The Green Mirror Hugh Walpole, 2022-06-03 Hugh Walpole, a best-selling author in the 1920s and 1930s, in this book talked about the story of a lady, Katherine. The second book in the Rising City series is a quiet story that talks about the struggle of the heroine in the hands of her mother and other family members. Will she achieve her goals by all odds or fail while trying to reach them?

Otto, the Story of a Mirror Ali Bahrapour, 2003 Tired of reflecting the customers at Mr. Topper's Hat Store, Otto manages to escape and have the adventures he had always dreamed of having.

Hall of Mirrors (Short Story) Kurt Vonnegut,2009-10-20 Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral ambiguity, and unprecedented affluence. In this disquieting tale, the investigation into a string of mysterious disappearances turns surreal for two detectives, when they pay a visit to the home of a celebrated hypnotist. But who will turn the tables on whom when the final spell is cast? Hall of Mirrors and the thirteen other never-before-published pieces that comprise Look at the Birdie serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

The Golden Mirror Helmut Schwab,2008-12-01 You began to read these words. What can it bring you? Have you ever driven for half an hour-from home to work or between any two points-and not remembered much of what you saw? Many of us go through most of our lives like that. But others actually see, perceive, understand, and then share life's joys or sorrows with others. Life can be so touching, so serious, but it can also be so funny and full of joy. What is our existence in this world? For most of us, it is a struggle for survival in a fragile way of life. Then arise the desires for wealth, importance in society, and entertainment. But does the life given to us not expect mental growth and personality development, the caring for others or public service, also stewardship of nature-and can we not enjoy all the beauty in art, culture, and nature around us? The following stories are offered to you, the reader, to let you pause and perceive, to touch your human sensitivity and understanding-and also to bring you joy, to simply entertain you. So, please, proceed! Select titles from the table of contents and begin reading these stories. When you are done, hopefully you will feel enriched-and, maybe, you will begin to perceive more stories in your own life. A clear vision of reality renders the stories colorful and lively-but deep empathy renders them personally meaningful. Primarily based on human sensibility, the stories are variously romantic, funny, or serious and are written at times with a smiling, at times with a crying face.

Short Story Press Presents Emmerette's Mirror Short Story Press,Brent Miller,2012-11-02 Short Story Press Presents Emmerette's Mirror by Brent Miller Earth has fallen far from its splendor and progress. Humanity's long-held fear of an asteroid colliding with the world has come to pass, and the

repercussions are devastating. Resultant natural disasters, plagues, and famines have taken billions of lives. Of the former population, only a meager million or so, the Human Remnant, survive. Dust and ash blanket the atmosphere, making agriculture all but impossible, and fogging the sun to a bright blur in the haze. With mankind's future uncertain, scientists set to work creating a virtual Earth in which people can live in mind rather than in physical form. The purpose of this is to create a paradise where death, misery, and other faults of the human condition do not belong. Becoming a part of this supposed utopia involves being put in a deep state of stasis or hibernation, known as "Integration". This process integrates not only a person's mind and personality but also their moral beliefs, dreams, hopes, and perspectives of reality. Short Story Press publishes short stories written by everyday writers.

Mirrors Eduardo Galeano,2009-05-26 The unofficial history of the world seen--and mirrored to us--through the eyes and voices of history's unseen, unheard, and forgotten, over 5000 years of history.

The Mirror in the Box M. J. Ferguson,2013-01-29 The Mirror in the Box is a parable about a king who adopted three orphaned boys. He loved them, taught them, and tried to prepare them for the inheritance of his kingdom. He also tried, unsuccessfully, to protect them from the hazards of life. This is written as a children's story but has applications for adults as well.

Mirror Mirror Francis Booth,2019-04-02 We met in the mirror.When we walked into our room for the first time we saw ourself in the mirror.I mean, that's what you see in a mirror, isn't it? Your self. We looked identical. Almost identical, anyway. We both wore a shapeless white dress. But our dresses weren't exactly the same.We were both carrying the bags that contained everything we had of our old lives. Everything we had in the world was in those bags. We had the same bags. But not quite the same bags. We both dropped the bags at the same time. Though not at precisely the same time.I looked at my reflection.It was me. But it wasn't completely me.
