**Mittens** Lola M. Schaefer,2011-05-31 Mittens is a small kitten in a big, new house. Everything seems loud and unfamiliar and scary. The little kitten wants a special place all his own. Can a new friend help him find one? The satisfying story of an adorable kitten's search for security and his discovery of a new friend is perfect for children who, like Mittens, are ready to take their first steps on a new journey: reading. Mittens is a My First I Can Read book, which means it's perfect for shared reading with a child. The beautiful physical immediacy of the new pet story will draw emergent readers, commented Booklist.

Mittens Clare Turlay Newberry,1998-02-01 Richard achieves his lifelong desire to have a kitten, only to have it become lost.

**Favorite Mittens** Robin Hansen,2006-02-24 Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens. When Fox & Geese & Fences: A Collection of Traditional Maine Mittens was published a generation ago, it was an instant success, and nary a knitter above the age of thirty has not heard of it. It was followed by a second, equally inspiring collection: Flying Geese & Partridge Feet: More Mittens from Up North & Down East. Favorite Mittens is a compilation of some of the most popular traditional designs from Robin's groundbreaking first two books, presenting these tried-and-true patterns in a new format, with step-by-step directions revised and updated for ease of knitting, thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country.

**Knitting New Mittens & Gloves** Robin Melanson,2012-10-30 Unique designs from a knitwear pro. "A mitten-covered thumbs-up to Knitting New Mittens [&] Gloves. It's a nice blend of the classic and the funky" (Go Knit In Your Hat). Growing up in Cape Breton, on Canada's Atlantic coast, knitwear designer Robin Melanson learned early on the importance of gloves and mittens in a harsh winter climate. Now this self-described "mitten and glove aficionado" shares her enthusiasm for these ordinary items by presenting 28 extraordinary ways to make them for year-round style. Featuring gloves, mittens, arm warmers, mitts, and fingerless gloves, this is the second book in a new STC Craft series that introduces innovative approaches to creating popular knitted items. Knitting New Mittens and Gloves combines traditional and untraditional techniques—as well as influences as far-flung as Gothic architecture, Estonian lace, and Wagnerian opera—in a winning collection of patterns for adults and children. From wool mittens filled with unspun fleece and arm warmers with leather laces, to cotton-mesh fingerless gloves and silk-beaded mitts to be worn as adornments, each design has an unexpected twist. Because they are small, quick to make, and don't require a lot of yarn, mittens and gloves are perfect projects for knitting throughout the year, and they also offer an ideal opportunity for beginning and more seasoned knitters to experiment with new techniques, yarns, and styles. With its fresh, original sensibility, Knitting New Mittens and Gloves will captivate knitters of every level.
