The Daily Adventures of Mixerman Mixerman,2009-05-01 (Book). Mixerman is a recording engineer working with a famous producer on the debut album of an unknown band with a giant recording budget. Mixerman is supposed to be writing about recording techniques, but somehow, through that prism, he has hit upon a gripping story. Like all great narratives, Mixerman's diary has many anti-heroes for whom we, the readers, can have nothing but contempt. The band consists of the four most dislikable human beings you can imagine. The singer is vain and pretentious. The guitarist is a serious depressive. The drummer is as dumb as cotton, and the bassist is merely mean and petty, making him the only one that Mixerman can stand. All four of them hate each other's guts, and they haven't even been on tour yet. Mixerman takes you through the recording process of a bidding war band in over their heads with a famous record producer (also in over his head). Many find Mixerman's diary entries side-splittingly funny. Some find them maddening. And a select few feel they are the most despicable accountings of record-making ever documented.

Gentlemen Michael Northrop,2010-02-01 This debut YA novel combines the wrong-side-of-the-tracks edginess of books like THE OUTSIDERS and FREAK THE MIGHTY and the searingly honest storytelling of authors like Chris Lynch and John Green.Micheal, Tommy, Mixer, and Bones aren't just from the wrong side of the tracks--they're from the wrong side of everything. Except for Mr. Haberman, their remedial English teacher, no one at their high school takes them seriously. Haberman calls them gentlemen, but everyone else ignores them--or, in Bones's case, is dead afraid of them. When one of their close-knit group goes missing, the clues all seem to point in one direction: to Mr. Haberman. Gritty, fast-paced, and brutally real, this debut takes an unflinching look at what binds friends together--and what can tear them apart.Michael Northrop is the New York Times bestselling author of TombQuest, an epic book and game adventure series featuring the magic of ancient Egypt. He is also the author of Trapped, an Indie Next List Selection, and Plunked, a New York Public Library best book of the year and an NPR Backseat Book Club selection. An editor at Sports Illustrated Kids for many years, he now writes full-time from his home in New York City. Learn more at www.michaelnorthrop.net.
