A Return to Modesty Wendy Shalit, 2014-05-20 Updated with a new introduction, this fifteenth anniversary edition of *A Return to Modesty* reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When *A Return to Modesty* was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the hook-up scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life, and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, *A Return to Modesty* shows why the lost virtue of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. *A Return to Modesty* is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune *Baby, It's Cold Outside*. Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct—and one that may be able to save us from ourselves.

Secret Keeper Dannah K. Gresh, 2011-07-01 EVERY WOMAN IS BORN WITH POWER! We live in the age of low-rise jeans, belly-button rings, and backless shirts. Many girls and young women today could not even define the word modesty, let alone tell you how to live it out. Teen girls often ask: Why can't I wear what everyone else is wearing? My parents are hung up on their old sense of fashion. Times have changed, why can't I? Isn't it really the guy's problem if he is tempted? In a fresh and trusted voice, Dannah Gresh has a new message for them: modesty itself is a delicate yet formidable power. In *Secret Keeper*, she teaches that modesty not only issues a challenge for one man to romantically earn your virtue, but it also expresses your love for and obedience to God. Includes *The Truth or Bare Fashion Tests* and *Fashion Challenges* that will resonate with a teen girl.

Modesty Hafsa Lodi, 2020-05-19 Modest fashion is a young, fast-growing, multi-billion-dollar retail sector. What do we mean by Modest Fashion? Who are the personalities and companies driving this industry?

Women and Modesty in Late Antiquity Kate Wilkinson, 2015-03-30 This book uses the body of letters and treatises addressed by major Christian thinkers to the women of the Anicia family, as well as comparative evidence from modern Hinduism and Islam, to explore how modesty became a creative and performative mode of being for late Roman Christian ascetic women.

Sefer 'Oz Ve-hadar Levushah E. Falk, 1998 Tznius -- modesty -- is an integral facet of Jewish life. In a world where modesty is recognized more by its absence than by its presence, there has never been a greater need for a definitive work on this vital quality. But what precisely are the laws of modesty, what are its parameters, where are its applications? In this long-awaited work, the laws and ideology of modesty are tackled in an exhaustive and comprehensive manner. All the laws of Tznius, whether in dress or behavior, speech and social interaction, are collated and explained in the clear and lucid manner that is characteristic of the author. -- Back cover.

and a chapter on identifying legalism.

What Is Modesty Michelle Brock, 2005-01-01 Modesty covers more than just our clothes and skin. Going beyond rules and regulations, Michelle Brock addresses key biblical principles relating to beauty, ugliness, purity, sensuality, and many more topics as she defines what it means to be modest and how we can better teach modesty. **What Is Modesty?** answers questions such as the following: Do I have to be ugly in order to be modest? Is it ever okay to be sexy? What does it mean to be beautiful? Is modesty a big list of rules? How can I teach biblical modesty? Does biblical modesty mean I can't be in style? - Publisher.

The Beauty of Modesty David J. Vaughan, Assistant Professor of Sociology Diane Vaughan, Diane Vaughan, 2005-05 A look at our cultural preferences today of showing as much skin as possible transposed against the choice to be modest and the values of the choice.

Fictions of Modesty Ruth Bernard Yeazell, 1991-06-25 Combining evidence from conduct books and ladies' magazines with the arguments of influential theorists like Hume, Rousseau, and Wollstonecraft, this book begins by asking why writers were devoted to the anxious remaking of women's nature and to codifying rules for their proper behavior. *Fictions of Modesty* shows how the culture at once tried to regulate young women's desires and effectively opened up new possibilities of subjectivity and individual choice. Yeazell goes on to demonstrate that modest delaying actions inform a central tradition of English narrative. On the Continent, the English believed, the *jeune fille* went from the artificial innocence of the convent to an arranged marriage and adultery; the natural modesty of the Englishwoman, however, enabled her to choose her own mate and to marry both prudently and with affection. Rather than taking its narrative impetus from adultery, then, English fiction concentrated on courtship and the consciousness of the young woman choosing. After paired studies of Richardson's *Pamela* and Cleland's *Memoirs of a Woman of Pleasure* (even Fanny Hill, Yeazell argues, is a modest English heroine at heart), Yeazell investigates what women novelists made of the virtues of modesty in works by Burney, Austen, Charlotte Bronte, and Gaskell.

Modesty Pender, 2012-04-02 An in-depth study of early modern women's modesty rhetoric from the English Reformation to the Restoration. This book provides new readings of modesty's gendered deployment in the works of Anne Askew, Katharine Parr, Mary Sidney, Aemilia Lanyer and Anne Bradstreet.

Meant to Be Modest Nicole Crone, 2016-06-03 Many women in today's culture wonder if modesty is important. Is it even relevant today? Together we will explore what scripture says about this topic and how we can apply it to our lives. Let's learn about the principles behind modesty, and God's heart on the matter. Dressing modestly is a form of holiness. It is a way for us to be set apart for the Lord in a way that is pleasing to Him. We were meant to be

modest!

#ChurchToo Emily Joy Allison,2021-03-09 When Emily Joy Allison outed her abuser on Twitter, she launched #ChurchToo, a movement to expose the culture of sexual abuse and assault utterly rampant in Christian churches in America. Not a single denomination is unaffected. And the reasons are somewhat different than those you might find in the #MeToo stories coming out of Hollywood or Washington. While patriarchy and misogyny are problems everywhere, they take on a particularly pernicious form in Christian churches where those with power have been insisting, since many decades before #MeToo, that this sexually dysfunctional environment is, in fact, exactly how God wants it to be. #ChurchToo turns over the rocks of the church's sexual dysfunction, revealing just what makes sexualized violence in religious contexts both ubiquitous and uniquely traumatizing. It also lays the groundwork for not one but many paths of healing from a religious culture of sexual shame, secrecy, and control, and for survivors of abuse to live full, free, healthy lives.

Figuring Modesty in Feminist Discourse Across the Americas, 1633-1700 Tamara Harvey,2016-12-05 Inventive in its approach and provocative in its analysis, this study offers fresh readings of the arguments and practices of four seventeenth-century Euro-American women: Anne Bradstreet, Anne Hutchinson, Sor Juana Inés de la Cruz, and Marie de l'Incarnation. Tamara Harvey here compares functionalist treatments of the body by these women, offering a new way to think of corporeality as a device in literary and religious expressions of modesty by women. In doing so, Harvey explores the engagement of these women in ongoing religious, political, scientific and social debates that would have been understood by the authors' contemporaries in both Europe and America.

On Modesty Tertullian,2018-08-10 Modesty, the flower of manners, the honor of our bodies, the grace of the sexes, the integrity of the blood, the guarantee of our race, the basis of sanctity, the pre-indication of every good disposition; rare though it is, and not easily perfected, and scarce ever retained in perpetuity, will yet up to a certain point linger in the world, if nature shall have laid the preliminary groundwork of it, discipline persuaded to it, censorial rigor curbed its excesses--on the hypothesis, that is, that every mental good quality is the result either of birth, or else of training, or else of external compulsion. But as the conquering power of things evil is on the increase--which is the characteristic of the last times--things good are now not allowed either to be born, so corrupted are the seminal principles; or to be trained, so deserted are studies; nor to be enforced, so disarmed are the laws. In fact, (the modesty) of which we are now beginning (to treat) is by this time grown so obsolete, that it is not the abjuration but the moderation of the appetites which modesty is believed to be; and he is held to be chaste enough who has not been too chaste. But let the world's modesty see to itself, together with the world itself: together with its inherent nature, if it was wont to originate in birth; its study, if in training; its servitude, if in compulsion: except that it had been even more unhappy if it had remained only to prove fruitless, in that it had not been in God's household that its activities had been exercised.

Catholic Modesty Julia Black, 2021-03-25 The virtue of modesty is a part of the beautiful web of Catholicism. However, the degree of confusion among Catholics concerning this subject is grounds for writing about it in depth. Catholic modesty is a touchy subject and often avoided because of well-meaning but overzealous remarks made by many Catholics and their austere views on the matter. It is almost ironic that the virtue, also called temperance, is sometimes implemented in the most imprudent and intemperate way by those meaning to spread its use. Squabbles over dress codes, standards, scruples, strap width, shoulders, and tone have risen to such a state that some feel it best to call off the whole thing and encourage a just don't be naked in public and love Jesus kind of attitude. Catholics are so divided on this issue and its application in our lives. We may all agree that modesty is essential, but to progress further than this, no one seems to agree on what constitutes a modest outfit and what doesn't. In the spirit of brotherly love, hope for unification, and a proper understanding of the entirety of the subject of Catholic modesty, I wrote this book.
