*The Great Money Bubble* David Stockman,2022-10-04 I urge everyone to read this important new book.”—Ron Paul, Host of Ron Paul Liberty Report Americans are facing sticker shock at every turn: from the gas pump to the grocery store and every kind of consumer service. But the eye-popping price increases are just the tip of the iceberg in terms of the threat to the country’s economic recovery. Inflation showers windfalls on the rich while penalizing workers, savers, retirees, small businesses, and most of Main Street economic life. New York Times bestselling author and former investment manager David A. Stockman, who served as director of the Office of Management and Budget under President Reagan, explains the roots of today’s runaway inflation so investors at all levels can calibrate their financial strategies to survive and thrive despite economic uncertainty. The Great Money Bubble covers the entire economic landscape, including: Why the rising price of assets is far more dangerous than rising consumer prices The inside story on stock market manipulations and the effects of ultracheap debt Why real estate is no longer a guaranteed inflationary hedge Stockman’s four-step strategy to protect your savings and portfolio After spearheading the economic policy for the Reagan Revolution, Stockman worked on Wall Street at the highest levels, and is now an adviser to professional investors. With this book, readers at all investment levels can have access to his groundbreaking financial advice.

*Yemen in the face of Decisive Storm 2nd volume* Prof.Dr. Abudlazizi Saleh Bin Habtoor,2017-08-08 The book highlights the overall situation arising from the aggression and its economic, social and humanitarian manifestations and the violence of the Yemeni man. Through the method of monitoring, analysis, characterization and evaluation of the long months of aggression against Yemen, it was the culmination of excessive killing, massive destruction, and harm in order to stifle and silence the voice of a free and patriarchal people who wanted to confiscate their right to a decent life and to take ownership. His order, The book consists of 445 pages of glossy paper and includes four sections where the first section contains analytical articles during the aggression, and this section distributed in three chapters absorbed political and humanitarian topics about the city of Aden since the beginning of the aggression on 25/3/2017, passing through the conditions and suffering of citizens in Aden The second chapter dealt with a broad title about the Yemeni political reality in light of the aggression, and the emergence of the Yemeni people in a solid and transcendent position on painful invasive surgeries caused by the aggression and its collaborators from the Yemeni agents and mercenaries. The meeting carried political topics on the search for a peaceful political solution to the Yemeni issue among the enemy brothers in Geneva / Switzerland, Kuwait and Oman. The second section, which came under the title of the University of Aden in the time of aggression, has varied topics, where the first chapter dealt with the 45th anniversary of the founding of the university and coincided with the year of aggression in 2015, in addition to highlighting the most famous celebrities of the founders and developers at home and abroad. It also focused on showing and highlighting the national role in its activities and scientific, academic and national tasks. Aden University for the first time in its history and the history of the Yemeni universities obtained a high scientific certificate issued by the British Academic Foundation (QS) for the global classification of the best Arab and international universities in 2015, with telegrams that arrived to the university from Arab and foreign universities as well as telegrams Congratulations received from academic and legal personalities. Chapter III included: A glimpse of the lamentations of personalities written during the time of aggression and divided into lamentations of national public figures and lamentations of national academic figures. The inclusion of Part IV television and press interviews, conducted by a number of local and Arab newspapers number with Professor Ben Habtoor, which talked about the priorities of the government in light of the continued aggression and siege and the position of the National Salvation government from a number of local and international 0 issues at the end of the book was shown and highlight images For the examples of crimes and massacres committed against our Yemeni people, and models of images of the brutal destruction of the capabilities of the people built for decades of construction and reconstruction
