Hurricane Katrina--What Really Happened?! Nathaniel Jones,2006-07 As a fictional work, this novel is used by the author to describe what could have or may have happened in the events of Hurricane Katrina. Daniel, the main character, is left behind in New Orleans with this three brothers and mother who all live in a poor section of the city. Like many in the Big Easy, his family does not evacuate. In the novel, Daniel appears to be smarter than the rest of his family. During the night before Katrina makes landfall, Daniel has dreams. In these dreams, certain things are revealed to the main character that really frightens him. He believes that the dreams are unreal, but then he finds logic in them. These dreams tell Daniel about his home state and the truth about what really happened in New Orleans and Louisiana. Moreover, throughout the novel, Daniel finds himself afraid of the future and the possible outcome of Katrina. He also comes to realize that certain things in his state are not what they seem. Daniel then finds out certain themes in his home state and is not pleased.

Tempest Cynthia Wright,2012-12-17 A marriage of convenience in the Gilded Age... Newport heiress Catherine Beasley Parrish has been groomed all her life to marry an English duke. However, when she meets Adam Raveneau, the latest in a long line of Raveneau rakes and a newly created viscount, Cathy awakens to a destiny worth fighting for. Although Raveneau insists that he is not marriage material, he is in desperate need of funds to restore Tempest Hall, his crumbling family estate on Barbados. And when Cathy begs him to save her from the toad-like duke her mother intends her to marry, Adam realizes that they may be able help each other. Following a passionate honeymoon voyage on the high seas, Cathy and Adam arrive at their island home to find legends of pirate treasure and face the realities of their complicated marriage of convenience. Can two people who wed for all the wrong reasons discover that a lasting love is the greatest treasure of all? TEMPEST is Cynthia Wright at her best, and I savored every delightful page! I was swept away by sinfully sexy Adam Raveneau, wondering how he and Cathy could ever untangle their problems, and thrilled to find myself in the midst of adventures with pirates, buried treasure, and a romantic abduction. I believe Cynthia Wright will make a lifelong fan out of every person who reads TEMPEST.”~ Lauren Royal, Bestselling Author of AMETHYST Rakes & Rebels: The Raveneau Family series: 1 - SILVER STORM (André & Devon) 2 - HER HUSBAND, THE RAKE: a sequel novella (André & Devon) 3 - SMUGGLER'S MOON (Sebastian & Julia) 4 - THE SECRET OF LOVE (Gabriel & Isabella) 5 - SURRENDER THE STARS (Ryan & Lindsay) 6 - HIS MAKE-BELIEVE BRIDE (Justin & Mouette) 7 - HIS RECKLESS BARGAIN (Nathan & Adrienne) 8 - TEMPEST (Adam & Cathy)

Wild Rose Laurel June Thompson,2022-02-14 The McAlister family story continues with Wild Rose, a sequel to Born for Adversity. McAlister Grange comes to life once more when Rose McAlister, a successful equine veterinarian in Southeastern Pennsylvania, makes a surprising discovery, awakening a new desire to delve into her past through a secret, hidden journal penned by her ancestor over a century before. Wild Rose explores Rose’s journey through the past, while taking some startling and sometimes dangerous turns in her present and future as well. Romance, adventure, heartbreak, sacrifice, and even a mysterious crossover into the Otherworld make for a dynamic and thrilling read, all leading to an epiphany of faith and understanding of what family truly means. Peek around the corner of time to reach into the lives of generations past, finding that those who have gone before are so much more than a dash between two dates on a gravestone. See how each generation helps to shape the next, both for good and ill, by every decision made, no matter how insignificant a choice it may seem at the time. Decide if fate or free will is the driving force in life, carving one’s family tree through the centuries into a thriving, towering elm or a stump of deadwood, only good for the fire. See how the families McAlister, O’Donnell, Riley, Campbell, DuBois, Reardon, and Livingston interact and intertwine to culminate in a God-ordained destiny for those who choose to follow His leading—for if one is open to divine guidance, there will be signs; only seek, and ye shall find.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t

know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Spirit Stills the Storms Sam Lien Le,2010-04 The last person was pulled onto the boat. All commotion suddenly died out, and the engine roared alive. The boat, at full speed, left the mouth of Cam Ranh Bay, heading east into the unknown waters of the high seas. It was 2:00 a.m. on October 12, 1979. Here and there hundreds of tiny lights of night fishing boats danced and twinkled in the morning hours. How many of them, I wondered, are patrol boats? After multiple trips to Communist prison camps, Lien Le knew that only death awaited him. He soon began plotting his and his family's escape from Vietnam, working out intricate details in the secrecy of the night. Even after several failed attempts and years of planning, his faith remained, giving him the determination and the hope to press on. The Spirit Stills the Storms: From Tyranny to the American Dream is his bold journey to freedom, one in which he risked all for his dreams of a better tomorrow. His gifted storytelling, filled with detailed description, gives readers a firsthand glimpse of the prison camps, perilous escape attempts, overcrowded boats, typhoon-plagued passages, and beyond, leaving them with a newfound sense of appreciation and wonder for life, liberty, and the ever-present spirit which stills the storms.
