The Monkey Story Wylie Ramos,2017-05-12 One day, two little monkeys were so bored they didnt know what to do. They were tired of playing with their puzzles, video games, and all the other toys, and for once, they did all their chores early that day. They couldnt think of anything to do, so JT was just hanging around the house while Ana was playing with her favorite stuffed rabbit. It had big fluffy ears. One of the ears, the left one, is always bent down in front of his eye. It had a button for a nose. It was something her mother made her when she was a baby. She loved playing with it, and she took it everywhere she went. She suggested that they play hide-and-seek. JT played hide-and-seek with his sister before he knew that she was afraid of heights, and she was always the first to be found. Not wanting to hurt her feelings, he just said no and decided to just hang around the house, thinking it was

better than playing with his little sister. He goes to see what his mother was up to. He finds her in the kitchen, but it wasn't long until she got tired of bumping into him. She asked him if he wanted to help her. This is something he really did not want to do—helping his mother in the house with the cooking and the cleaning. She really could have used his help, but he said no and wandered off to see what his father was doing.

Five Little Monkeys with Nothing to Do, 2000-04 Five little monkeys are bored, but their mother has them clean up the house for Aunt Bessie's visit.

Five Little Monkeys Play Hide and Seek Eileen Christelow, 2010-05-24 Mama's out dancing, and Lulu, the babysitter, is in charge. The Five Little Monkeys are supposed to go to bed, but they convince Lulu there's time for just one game of hide-and-seek first . . . and then another, and another . . . until they discover the ultimate hiding place. Lulu is frantic; where can those monkeys be? Vibrant, expressive illustrations in Eileen Christelow's signature style accompany a catchy rhymed text that's great for reading aloud. The refrain invites children to join in; as Lulu counts to 10, 24, and finally 104, young listeners will count along with her. And what little monkey can resist the idea of mischief at bedtime?

Lucky Monkey, Unlucky Monkey James Kaczman, 2008 While Ed the monkey has the most wonderful day imaginable, Ted the monkey faces everything from bad weather to being chased by wild animals and an angry troll.

The Story of a Monkey on a Stick Laura Lee Hope, 1920

The Monkey That Had No Tree to Climb Frank Simmons Jr.,2018-09-07 Do you like being scared? Maybe not in real life, but do you like to occasionally read scary stories and watch movies that can send shivers up and down your spine? If so, you are not alone. Author Frank Simmons's *The Monkey That Had No Tree to Climb* is a scary story. At least it is to the animal characters whose adventures he shares. Sam the monkey and his friends are riding to the next city in their circus train when it crashes. The animals escape the crash -- including the meanest lion in the world. Like the other animals, he's hungry and eyeing Sam and his friends as his next meal. And because much of their surroundings have been destroyed by fires, there's little for them to eat and few places to hide. *The Monkey That Had No Tree to Climb* is an entertaining story that encourages young readers to expand their vocabularies. But it is also a cautionary tale of how humans can put animals at risk when they're not careful in the animals' home territory.
