**A Storm in Montana** Will DuRey, 2017-04-01 Clancy Jarrett possesses a quick and violent temper and the citizens of Brannigan are careful not to cross him. But when his stagecoach hold-up is thwarted by three trail-herders his rage cannot be contained and with revenge on his mind soon there are bodies piling up. For the cowboys, their status as heroes is short-lived and when Jarrett learns they are escorting Kate Jeavons, a dance-hall girl whose sister he has captive, to testify against him, they are firmly in his sights. Black clouds are forming overhead, but which storm will break first: the wild prairie rain, or the deadly guns of Jarrett and his crew?

**The Coming Storm (Heirs of Montana Book #2)** Tracie Peterson, 2004-07-01 Heirs of Montana book 2, the sequel to the bestselling Land of My Heart. **Storm Front (Montana Rescue Book #5)** Susan May Warren, 2018-05-01 A tornado has destroyed a small Minnesota community and among the missing are not only a group of students but PEAK Rescue team leader Chet King. Ty Remington will stop at nothing to rescue his mentor, not even when the girl he loved--and lost--walks back into his life. But Brette needs his help more than he knows, despite her stubborn determination to push him away. And when he gets a second chance, loving her just might cost him more than he can imagine. A blogger for Vortex Storm Chasers, Brette Arnold didn't expect her adventures to land her in the same place as Ty, the guy who she walked--no, ran--from over a year ago. She had her reasons--good ones. The kind that tell her that falling for him again would only lead to heartache. But Ty isn't the kind of man to give up--not on the missing students, or on her. Life and love hang in the balance in Susan May Warren's breathless story of holding on to hope during a deadly summer of storms.

*Surviving the Storm* Montana Fox, 2020-06-04 Sometimes the only choice you have is to run for your life! Sometimes there are only downsides to being born into an alpha family. After the violent murder of my mother, life as I knew it fell apart as quickly as a building being smashed by a wrecking ball. My father and older brother turned to alcohol and violence as a way of coping, which led to them becoming extremely abusive. After putting up with their abuse for close to a decade my twin brother decided enough is enough. With no other option but to run for my life, I wound up on the other side of the world and living the life of a rogue as I continually tried to evade being captured and forcibly returned to my not so loving pack and family. I desperately tried to make a life for myself staying away from other packs, as they tend to hunt and kill rogues as a rule wanting to stop problems before they start. But I find myself in a bit of a dilemma when I meet my mate and realise he is not only a highly respected alpha but also a world-renowned rogue killer!

*Oh, the Weather Outside Is Frightful (Extended Edition!)* Susan May Warren, 2016-11-19 She kept him alive in his darkest hour... CJ St. John never dreamed his epic summer as a smokejumper would end with a harrowing plane crash-one that crushed his pelvis and rendered him nearly an invalid. He wouldn't have made it through the dark night of pain and danger without brave fellow smokejumper Hannah Butcher. In fact, if he were to admit it, he probably fell in love with her that night. He gave her the courage to reach for her dreams... Hannah Butcher had dreamed of being a smokejumper for years-but dreaming and doing are vastly different. During rookie camp, she would have given up if it hadn't been for CJ St. John urging her on. She probably fell in love with him then-but especially when he held her hand and kept her calm during their terrifying survival. A winter storm awakens their memories-and fears... When Hannah discovers that CJ plans on skipping out on their mutual friends' wedding, she knows he's been lying to her about his recovery-and determines to give him the same stubborn encouragement he's given her by forcing him to attend. But when a blizzard detours them, and worse, they're run off the road, they'll have to face their darkest fears to survive.
