The Ballad of Ring and Roses Book One B.B. Hoesman,2014-02-24 Tell Your Story.

In the shadows of our world, a war is being fought between two factions of powerful spellcasters with the fate of all living beings hanging in the balance. In the final days of this war, a man of sinister elegance and grace rises to power, and with a terrible secret, he sets upon a path to reawaken an ancient evil. Standing in his way are three young friends, prophesied to come together in our darkest hour to save us all. With the constant threat of death hanging over their heads, these young friends must navigate through a world that is growing ever more dangerous and discover their role in the greater narrative. The three friends will be challenged as they learn about love and faith and hope and the power of Storytelling, but in the end, they are all that stands in the way between salvation and our utter destruction. This is The Ballad of The Ring and Roses.

Looking Up Matthew Cappucci,2022-08-02 An energetic and electrifying narrative about all things weather—by one of today's rising meteorological stars. Get in—we're going storm-chasing! Imagine a very cool weather nerd has just pulled up to you and yelled this out the window of his custom-built armored storm-chasing truck. The wind is whipping around, he's munching on Wawa, it's all very chaotic—yet as you look into his grinning face, you feel the greatest surge of adrenaline you have ever felt in your life. Hallelujah: your cavalry is here! Welcome to the brilliance of Looking Up, the lively new book from

rising meteorology star Matthew Cappucci. He's a meteorologist for The Washington Post, and you might think of him as Doogie Howser meets Bill Paxton from Twister, with a dash of Leonardo DiCaprio from Catch Me If You Can. A self-proclaimed weather nerd, at the age of fourteen he talked his way into delivering a presentation on waterspouts at the American Meteorological Society's annual broadcast conference by fudging his age on the application and created his own major on weather science while an undergrad at Harvard. Combining reportage and accessible science with personal storytelling and infectious enthusiasm, *Looking Up* is a riveting ride through the state of our weather and a touching story about parents and mentors helping a budding scientist achieve his improbable dreams. Throughout, readers get a tutorial on the basics of weather science and the impact of the climate. As our country's leaders sound the alarm on climate change, few people have as close a view to how serious the situation actually is than those whose job is to follow the weather, which is the daily dose of climate we interact with and experience every day. The weather affects every aspect of our lives (even our art) as well as our future. The way we think about it requires a whole-life overhaul. Rain or shine, tropical storm or twister, Cappucci is here to help us begin the process. So get in his storm-chasing truck already, will ya?

Polar Storm Deborah D. Moore, 2018-08-20 A nonstop blizzard puts one man in a desperate fight for survival in this action-packed prepper thriller from the author of *The Journal* series. A major snow storm covering most of the northern states isn't that unusual. One that stays for months on end is very unusual—and it's a killer. Parker is an easygoing young man who has had every advantage in life, including wealthy parents who have given

him everything he's ever wanted. But after agreeing to live in the woods of northern Michigan for a year, he soon finds that kind of spoiled life has not prepared him for life off-grid—in the woods—in the ruthless wintertime. But with the help of the teenaged boy next door, he begins to learn how to survive in the woods, and just in time. A winter storm of unprecedented magnitude is bearing down on them, and it will take everything they have to make it out alive.

Storm Front (Montana Rescue Book #5) Susan May Warren, 2018-05-01 A tornado has destroyed a small Minnesota community and among the missing are not only a group of students but PEAK Rescue team leader Chet King. Ty Remington will stop at nothing to rescue his mentor, not even when the girl he loved--and lost--walks back into his life. But Brette needs his help more than he knows, despite her stubborn determination to push him away. And when he gets a second chance, loving her just might cost him more than he can imagine. A blogger for Vortex Storm Chasers, Brette Arnold didn't expect her adventures to land her in the same place as Ty, the guy who she walked--no, ran--from over a year ago. She had her reasons--good ones. The kind that tell her that falling for him again would only lead to heartache. But Ty isn't the kind of man to give up--not on the missing students, or on her. Life and love hang in the balance in Susan May Warren's breathless story of holding on to hope during a deadly summer of storms.

How the Movies Saved Christmas William D. Crump, 2017-03-29 Santa Claus is in

trouble! Who will save Christmas? This A-to-Z guide to holiday films, television movies and series specials provides cast, credits, production information and commentary for 228 cinema Christmases that were almost ruined by villains, monsters, spirits, secularism, greed, misanthropy or elf error—but were saved by helpful animals, magic snowmen, selfless children or compassionate understanding. Reviews and references are included.

Arnold and Louis. Gold Rush. Harvey Storm, 2018-05-17 If you loved The Gruffalo, Mother Bruce or The Pout-Pout Fish: this is a must-read picture book for your kids. * * * In this exciting kids' book, Arnold the moose lives in a small wooden house on the edge of the forest. He is something of a dreamer, and one day his friend, a goose called Louis, comes to his house with a suggestion that they go searching for treasure. Arnold jumps at the chance, of course, and the two prepare to set off into the dangerous forest in their truck. They enlist the help of some other animals and head off on the adventure of a lifetime. But there are more dangers than even they could have imagined, and they soon realize the value of friendship. What will happen when they find the treasure they are looking for? Will it change them, or will they still be the same moose and goose they always were? Young children will love this exciting picture book and love the important messages it carries: · Teaching us to keep our word · Learning to count · The importance of teamwork · Sharing

Summer Snow Storm Stephen Marlowe, 2014-02-01 It's no surprise that meteorologists sometimes make less-than-accurate predictions about the day's weather. But when a cadre of top-ranking weather experts fail to catch wind of a freak summer snow storm, all hell breaks loose. Amidst this turmoil, an unusual folk hero emerges who seems

to have a preternatural knack for dead-on weather predictions. What's the source of this strange superpower?

The Thriving of Willows Karri L. Moser, 2018-11-17 As Molly Watts balances her relationship with Zack Preston and life as the sole owner of Moose Pond Lodge, an approaching storm threatens to leave irreparable damage in its wake. The storm not only threatens all she has created at the Maine resort that was her childhood home, it threatens to destroy three relationships, including Molly and Zack's. With a successful season underway as the storm approaches, Molly becomes enveloped in the secrets and lies of two couples who've come to the resort to escape everyday life and rekindle romance. Molly tries to help both women as they weather storms of their own making. At the same time, she is forced to face newly revealed truths about her parents' marriage, further complicating her own expectations for love. As the storm clouds swirl and lightning strikes, truths are unearthed--truths that may uproot the foundations of all three couples. The aftermath of the storm and the secrets it unleashes leave all three couples wondering if the damage is too great to repair. One thing is certain when the sun comes out--the landscape and their relationships are changed forever as each woman is forced to make a life-altering decision. *The Thriving of Willows*, the sequel to *Moose Pond Lodge*, is a story of resilience, strength, and love. The three women--Molly, Allie, and Simone---mirror the willow trees that play a role in their lives. They fight to withstand what nature and life throw their way. They bend without breaking. Their deep roots and their ability to adapt gracefully fuel their resilience. They vow not only to survive any storms in life and love but to thrive.

Moose (The Puppy Place #23) Ellen Miles, 2011-11-01 Welcome to the Puppy Place--

where every puppy finds a home! Charles is determined to help Moose, a giant Great Dane puppy. The problem is that this huge pup is scared of everything-loud noises, other dogs, even his own shadow! Charles has a lot of work cut out for him. With the help of his Aunt Amanda, Charles figures out a way to slowly get the dog adjusted to scary noises and fast movements. Once Moose is trained, his original owners are happy to take him back.

Joshua's Mission Vannetta Chapman, 2016-02-01 Joshua's Mission is a new standalone novel in the Plain and Simple Miracles collection from popular author Vannetta Chapman. These stories of love and family and Amish community in Oklahoma tell of the miracles that can happen when lives are lived in service to God and to one another. Joshua Kline travels from his farm in Oklahoma to offer aid to an English town on the gulf coast of Texas after a category 4 hurricane has ravaged the area. He brings his brother with him, who needs a change of environment. The last thing he wants for Alton is another brush with the law. He is pleasantly surprised when he hears that Becca Troyer, the bishop's granddaughter, plans on joining their team. What will Joshua find when he arrives in Texas? A lack of electricity, certainly, which poses little problem for the Amish volunteers as they help restore order from destruction. But a budding romance? A call from God? And a possible healing of his relationship with Alton? Joshua's Mission is a story of love, forgiveness, and the grace of God that carries us through even the worst situations.
