Joseph A. McCullough

**Storm Allen Noren,2000** Tells the story of the author's trip with his girlfriend around the Baltic Sea on a motorcycle, in which bad weather and various misadventures put a strain on their relationship.

Motorcycling by Storm Hunter Storm,2013-03-07 Are you “bikesexual” or just “bike-curious?” Motorcycle enthusiast Hunter Storm educates and entertains you in the Motorcycling by Storm series! Bikesexual is all about hot, sexy, motorcycles and learning to ride them. Whether you like to ride your bike to your local watering hole on Saturday night, take fifty-five hundred-mile cross-country trips, ride only on two wheels in all weather, or snuggle up on the back and ride “fender fluff,” this series has something for you. Even if you don't ride a motorcycle, but are “bike-curious,” you can scratch your intellectual itch here. It's funny, a bit naughty, and highly informative! Bikesexual is all about Storm's journey from motorcycle virgin to experienced woman rider. She does not claim to be the best rider out there by any stretch of the imagination. Therefore, the apex may be off and the line through the corners will not be perfect. Storm will leave the really amazing riding to you! Bikesexual will show you how to: • assume the proper body position with the “Motorcycle Kama Sutra” • learn the secret to really bonding with your bike and getting total control • discover how to pick the perfect bike for you • get over fear of riding a motorcycle • get back on your motorcycle after a crash • find time to learn to ride and/or practice your racing skills • prevent helmet head • get “good head” • stuff your seat with useful items • enjoy the bad jokes in this book so much that everyone will look at you funny for laughing so loud and long Until next time, keep the rubber side down! Plastic and metal just don't have enough traction.

Oathmark Joseph A. McCullough,2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of Frostgrave and Frostgrave: Ghost Archipelago, Oathmark is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

**Last Days: Zombie Apocalypse** Ash Barker,2018-06-28 Last Days: Zombie Apocalypse is a skirmish-scale miniatures game of survival horror. It pits players against each other in a nightmarish near-future where the dead have returned to life and are feasting on the living. Players build their own factions, representing desperate civilians, military personnel, or hardened survivors, and must explore, scavenge, and fight in order to survive another day. Rival gangs are only one of the dangers they face – mindless zombies wander the streets, driven by insatiable hunger and drawn by the sound of combat! A gang's ability to scavenge is as vital as their combat ability, and players must ensure that they have the resources to survive in this hostile world. Scenarios and campaigns allow you to develop your gang, gain experience and recruit new henchmen to build up your strength or replace the inevitable casualties of the zombie apocalypse.

The shadows have come for Louis and Lise's son, and nothing anyone can do will stop them. Louis cannot let his son die without trying to prevent it, so the family embarks on a journey to the ends of the earth, fleeing death. Poignant and suspenseful, *Three Shadows* is a haunting story of love and grief, told in moving text and sweeping black and white artwork by Cyril Pedrosa.

**Urban Transition in Hanoi** Danielle Labbé,2021-01-15 Vietnam is in the midst of one of the world's most rapid and intensive rural-to-urban transitions. In Hanoi, heritage preservation has gained significant policy attention over the last decades, but efforts continue to focus on the Old Quarter and Colonial City to the exclusion of collective socialist housing complexes and former village areas, and natural features such as canals and urban lakes. Parks and public spaces are urgently needed to offset the high residential densities and to improve the quality of life of residents. Motor vehicles continue to fuel the growth in transportation. Significant efforts were recently made to establish a mass transit system, but progress there is slow. More attention should be paid to improving the existing transportation system and to reduce dependence on fossil fuels. Investments in new housing estates have fuelled a speculative real estate market but failed to address adequately the needs of the vulnerable segments of the population. Regional integration is a challenge as the city expands and swallows the peri-urban areas around the city.

**Oathmark: Bane of Kings** Joseph A. McCullough,2021-06-24 Time is the bane of all kings. Always does it march forward, bringing change and challenges, wars and disasters, invaders and internal rebellion. This supplement for *Oathmark: Battles of the Lost Age*, focuses on the passage of time and its effect on a player's kingdom. While wars and battle still determine their ultimate fate, many other events can affect the armies of a kingdom. Plagues and blights can reduce access to soldiers from specific territories. Attempted coups can cost a king some of his best generals. On the other

hand, unexpected alliances might give a kingdom access to unusual troops, or the birth of a new heir might bring wondrous presents. Along with the rules for the passing of years, this book also presents the option to train your units to fight in special formations, such as phalanxes, shield walls, and skirmish lines. These will allow players to use their existing armies to try out new strategies and tactics to swing their battle in their favour. This book also includes several new military expeditions, including numerous scenarios, to once again challenge a player's generalship.

**Relentless Strike** Sean Naylor, 2015-09-01 The New York Times Bestseller and Winner of the 2015 Army Historical Foundation Distinguished Writing Award for Unit History Since the attacks of September 11, one organization has been at the forefront of America's military response. Its efforts turned the tide against al-Qaida in Iraq, killed Bin Laden and Zarqawi, rescued Captain Phillips and captured Saddam Hussein. Its commander can direct cruise missile strikes from nuclear submarines and conduct special operations raids anywhere in the world. *Relentless Strike* tells the inside story of Joint Special Operations Command, the secret military organization that during the past decade has revolutionized counterterrorism, seamlessly fusing intelligence and operational skills to conduct missions that hit the headlines, and those that have remained in the shadows-until now. Because JSOC includes the military's most storied special operations units-Delta Force, SEAL Team 6, the 75th Ranger Regiment-as well as America's most secret aviation and intelligence units, this is their story, too. *Relentless Strike* reveals tension-drenched meetings in war rooms from the Pentagon to Iraq and special operations battles from the cabin of an MH-60 Black Hawk to the driver's seat of Delta Force's Pinzgauer vehicles as they approach their targets. Through exclusive interviews, reporter Sean Naylor uses his unique access to reveal how an organization designed in the 1980s for a very limited mission set transformed itself after 9/11 to become the military's premier weapon in the war against terrorism and how it continues to evolve today.

*Flesh Tearers* Andy Smillie, 2016-02-09 Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself.

Oathmark: Battlesworn Joseph A. McCullough, 2020-08-20 A supplement for Oathmark: Battles of the Lost Age, giving players rules for creating elite units of warriors known as battlesworn and charting their progress from battle-to-battle. In the horror and chaos of battle, the outcome can often hang on the briefest of moments. It is at these times that the actions of one unit can make the difference between victory and defeat. Wise kings know this, and realize that it is often prudent to hold back their best units until they can make the greatest difference. These elite units, called the 'battlesworn', are more than just powerful combatants, they are symbols of the glory and honour of a kingdom. All young warriors hope to one day join their ranks and add their oathmarks beside those legendary fighters. This supplement for Oathmark: Battles of the Lost Age contains rules for adding elite units to your armies and charting their progress from battle to battle. Will they grow even more powerful as they gain renown, or be broken in the face of tremendous odds, perhaps someday to be reformed when their kingdom needs them most? Also included are rules for rivers and boats as well as campaigns, featuring all-new scenarios that will give your battlesworn the chance to lead their kingdom to new heights of power and prestige.
