**Storm** Allen Noren, 2010-07-31 Begun as a grand adventure, Storm tells the story of a trip that quickly became a tumultuous test of endurance. When the Baltic States of the former Soviet Union opened up, Allen and his girlfriend Suzanne were drawn to the prospect of traveling together once again. Setting out on a motorcycle, the two seasoned travelers rode through Germany, Denmark, and Sweden to the Arctic Circle, then on to Finland, Russia, Estonia, Latvia, Lithuania, and Poland. Though they'd been together for seven years, and thought they knew what to expect from an extended road trip, they couldn't foresee the unrelenting natural elements, shifts in once-shared dreams, or fissures in their relationship that lay ahead. Often darkly humorous, Storm reveals a couple's love and the fragility of human connections as it recounts the journey that became a test of both riders' physical and emotional endurance.

**Maverick's Storm** Nicole Fox, Maverick's Storm is book 3 and the finale of The Silent Angels MC trilogy! I'm pregnant with Maverick's baby. There are some things that should never be done. Like sleeping with a murder suspect. And there are some things that are even worse... Like getting pregnant with his baby. Laced up might've been a good way to describe me. Shoes shined, shirt crisp – the pride and joy of my city's police force. And I liked my cases the way I wore my uniform: Nice and neat. But the world doesn't always work that way. It's messy. Chaotic. Wild. Just like Maverick Mace. I said I was proud – he made me beg. I said I was chaste – he made me dirty. I said I was independent – he made me his and his alone. And I loved every second of it. But if getting involved with a suspect in a mysterious, crime-world murder was bad... Then what happened next was far, far worse. It's not just myself I've put in trouble. There's also a baby I can barely protect, not to mention a dangerous man I barely know. And the killers coming to end us all. Maverick made me his... And no one takes what belongs to him.

**Venus Sings the Blues** Buck Storm, 2022-09-13 What if you could change your life and write your own story? What if you could make your dreams come true? To say Bones isn't thrilled with his dead-end job at the Venus Motel would be an understatement. But when you're fifteen with no family, expecting any prospects for your future feels pretty pointless. You just have to roll with the whims of the powers that be. And the motel owner, Calico Foster, can't keep herself afloat, much less rescue a lost kid. A job is all she can offer. Why Jimmy La Roux chooses the Venus to land at when he rolls out of the desert and into the

parking lot is more than anyone knows. But with a rattle of Harley pipes and a cloud of dissipating dust, he roars in, fresh from blasting through the cosmos, ready to change all of their lives.

Complete with jeans, boots, hair and muttonchops swept back from cosmic winds, and muscles like ropes, he looks like he could take on any sorrow and wrestle it into submission. And he's wielding a magic box that makes anything that goes into it disappear forever... Welcome to the Venus Motel, where a million stars dance above the neon and things are almost never what they seem. With a cast of characters including a blues-playing magician biker, a broken singer running away from her past, a couple of down-and-out crooks, a lovelorn cowboy, and a famous author drowning his demons in a bottle of rum, *Venus Sings the Blues* is vivid, quirky ride into the desert Southwest. Like all of Buck Storm's stories, it's full of humor and depth, and takes a lyrical look at God's love and his pursuit of man in a style reminiscent of an engaging blend of Jimmy Buffet and Gabriel García Márquez.
