The Mountain Story Lori Lansens, 2015-06-30 Four lost hikers are about to discover they're capable of something extraordinary. Nola has gone up the mountain to commemorate her wedding anniversary, the first since her beloved husband passed. Blonde, stick-thin Bridget is training for a triathlon. Vonn is working out her teenage rebellion at eight thousand feet, driven by family obligation and the urge to escape her mistakes. Still reeling from the tragic accident that robbed him of his best friend, Wolf Truly is the only experienced hiker among them, but he has come to the cliffs on his eighteenth birthday without food or supplies because he plans to take his own life. When a series of missteps strands this unusual group together in the wilderness, they soon realize that their only defense against the brutality of nature is one another. As one day without rescue spirals dramatically into the next, and misadventure turns to nightmare, these four broken souls begin to form an inextricable bond, pushing themselves and one another further than they ever could have dreamed possible. The three who make it home alive will be forever changed by their harrowing days on the mountain. From the New York Times bestselling author of *The Girls*, *The Mountain Story* is a fast-paced, suspenseful adventure and a gorgeous tribute to the resilience of the human spirit. Braving a landscape both unforgivingly harsh and breathtakingly beautiful, Nola, Bridget, Vonn, and Wolf find themselves faced with an impossible question: How much will they sacrifice for a stranger?

The Mountain Story Lori Lansens, 2016-07-12 On the morning of Wolf Truly's eighteenth birthday, he boards the first cable car to head up the mountains just a few miles from his sun-bleached trailer home in the desert community outside of Palm Springs. Armed with nothing but the clothes on his back, Wolf's intention that morning was to give up on life specifically at the mountain site of his best friend's tragic accident one year ago. But on that shaky ride up the mountain, fate intervenes and Wolf meets three women that will leave an indelible imprint on the rest of his life. Through a series of missteps, the four wind up lost and stranded among the forested cliffs in sight of the desert city below, but unable to find a way down. As the days pass without rescue, we come to learn how each of them came to be on the mountain that morning. And as their situation shifts from misadventure to nightmare, the lost hikers forge an inextricable bond, pushing themselves, and each other, beyond their limits.

The Mountain Paul Yoon, 2017-08-15 Two brothers living in the mountains of West Virginia describe their family, home, and favorite pastimes.

How a Mountain Was Made Greg Sarris, 2017-10-10 Inspired by Native American creation tales, these sixteen interconnected stories tell the origin of California's Sonoma Mountain. In the tradition of Calvino's *Italian Folktales*, Greg Sarris, author of the award-winning novel *Grand Avenue*, turns his attention to his ancestral homeland of Sonoma Mountain in Northern California. In sixteen interconnected original stories, the twin crows Question Woman and Answer Woman take us through a world unlike yet oddly reminiscent of our own: one which blooms bright with poppies, lupines, and clover; one in which Water Bug kidnaps an entire creek; in which songs have the power to enchant; in which Rain is a beautiful woman who keeps people's memories in stones. Inspired by traditional Coast Miwok and Southern Pomo creation tales, these stories are timeless in their wisdom and beauty, and because of this timelessness their messages are vital and immediate. The figures in these stories ponder the meaning of leadership, of their place within the landscape and their community. In these stories we find a model for how we can all come home again. At once timeless and contemporary, *How a Mountain*

Was Made is equally at home in modern letters as the ancient story cycle. Sarris infuses his stories with a prose stylist's creativity and inventiveness, moving American Indian literature in an emergent direction. This edition features a reader's guide that provides thoughtful jumping-off points for discussion. Praise for *How a Mountain Was Made* "These are charming and wise stories, simply told, to be enjoyed by young and old alike—stories need us if they are to come forth and have life too." —Kirkus Reviews "Stunning. . . . Neither an arid anthropological text nor another pseudo-Indian as-told-to fabrication. Instead, Sarris has breathed new life into these ancient Northern California tales and legends, lending them a subtle, light-hearted voice and vision." —Scott Lankford, Los Angeles Review of Books

Between the Mountain and the Sky Maggie Doyne,2022-03-22 *Between the Mountain and the Sky* shows us the goodness that is possible when a single person--regardless of age--takes action to help another and, in the process, changes the lives of hundreds. Maggie's story begins in suburban New Jersey, in a comfortable middle-class family that supports her decision to travel the world during a gap year before starting college. During her travels, the trajectory of her life alters when she has a surprise encounter with a Nepali girl breaking rocks in a quarry. Maggie decides to invest her life savings of five thousand dollars to buy a piece of land and open a children's home in Nepal. That home becomes Kopila Valley Children's Home, and eventually, the nonprofit Maggie launches, the BlinkNow Foundation, also starts the Kopila Valley School, which provides tuition-free education for more than four hundred students. Maggie and BlinkNow's work have been recognized around the world for their innovative, sustainable work. However, this book isn't a how-to for fledgling philanthropists or nonprofit founders--it's a coming-of-age story about a young woman suspended between two worlds, as well as the love, loss, healing, and hope she experiences along the way. And Maggie's inspiring, intimate tale shows readers an important truth: the power to change the world exists within all of us.

Brokeback Mountain Annie Proulx,2005 Ennis del Mar and Jack Twist, two ranch hands, come together when they're working a sheepherder and camp tender one summer on a range above the tree line. At first, sharing an isolated tent, the attraction is casual, inevitable, but something deeper catches them that summer. Both men work hard, marry, and have kids because that's what cowboys do. But over the course of many years and frequent separations this relationship becomes the most important thing in their lives, and they do anything they can to preserve it.--BOOK JACKET.

The Littlest Mountain Barb Rosenstock,2014-01-01 God realizes that the people of the world need rules to live by, and decides to speak to them from a mountaintop. The Moth and the Mountain Ed Caesar,2021-11-02 In the 1930s, as official government expeditions set their sights on conquering Mount Everest, a little-known World War I veteran named Maurice Wilson conceives his own crazy, beautiful plan: he will fly

a plane from England to Everest, crash-land on its lower slopes, then become the first person to reach its summit--all utterly alone. Wilson doesn't know how to climb. He barely knows how to fly. But he has the right plane, the right equipment, and a deep yearning to achieve his goal. In 1933, he takes off from London in a Gipsy Moth biplane with his course set for the highest mountain on earth. Wilson's eleven-month journey to Everest is wild: full of twists, turns, and daring. Eventually, in disguise, he sneaks into Tibet. His icy ordeal is just beginning.--Provided by publisher.

The Girls Lori Lansens,2006-05-02 Meet Rose and Ruby: sisters, best friends, confidantes, and conjoined twins. Since their birth, Rose and Ruby Darlen have been known simply as the girls. They make friends, fall in love, have jobs, love their parents, and follow their dreams. But the Darlens are special. Now nearing their 30th birthday, they are history's oldest craniopagus twins, joined at the head by as pot the size of a bread plate. When Rose, the bookish sister, sets out to write her autobiography, it inevitably becomes the story of her short but extraordinary life with Ruby, the beautiful one. From their awkward first steps -- Ruby's arm curled around Rose's neck, her foreshortened legs wrapped around Rose's hips -- to the friendships they gradually build for themselves in the small town of Leaford, this is the profoundly affecting chronicle of an incomparable life journey. As Rose and Ruby's story builds to an unforgettable conclusion, Lansens aims at the heart of human experience -- the hardship of loss and struggles for independence, and the fundamental joy of simply living a life. This is a breathtaking novel, one that no reader will soon forget, a heartrending story of love between sisters.

The Mountain Story Lori Lansens,2016-04-12 Five days. Four hikers. Three survivors. From Lori Lansens, author of the national bestsellers Rush Home Road, The Girls and The Wife's Tale comes a gripping tale of adventure, sacrifice and survival in the unforgiving wilderness of a legendary mountain. On his 18th birthday, Wolf Truly takes the tramway to the top of the mountain that looms over

Palm Springs, intending to jump to his death. Instead he encounters strangers wandering in the mountain wilderness, three women who will change the course of his life. Through a series of missteps he and the women wind up stranded, in view of the city below, but without a way down. They endure five days in freezing temperatures without food or water or shelter, and somehow find the courage to carry on. Wolf, now a grown man, has never told his son, or anyone, what happened on the mountain during those five days, but he can't put it off any longer. And in telling the story to his only child, Daniel, he at last explores the nature of the ties that bind and the sacrifices people will make for love. The mountain still has a hold on Wolf, composed of equal parts beauty and terror.

A Death on Diamond Mountain Scott Carney, 2015-03-17 An investigative reporter explores an infamous case where an obsessive and unorthodox search for enlightenment went terribly wrong. When thirty-eight-year-old Ian Thorson died from dehydration and dysentery on a remote Arizona mountaintop in 2012, The New York Times reported the story under the headline: Mysterious Buddhist Retreat in the Desert Ends in a Grisly Death. Scott Carney, a journalist and anthropologist who lived in India for six years, was struck by how Thorson's death echoed other incidents that reflected the little-talked-about connection between intensive meditation and mental instability. Using these tragedies as a springboard, Carney explores how those who go to extremes to achieve divine revelations—and undertake it in illusory ways—can tangle with madness. He also delves into the unorthodox interpretation of Tibetan Buddhism that attracted Thorson and the bizarre teachings of its chief evangelists: Thorson's wife, Lama Christie McNally, and her previous husband, Geshe Michael Roach, the supreme spiritual leader of Diamond Mountain University, where Thorson died. Carney unravels how the cultlike practices of McNally and Roach and the questionable circumstances surrounding Thorson's death illuminate a uniquely American tendency to mix and match eastern religious traditions like LEGO pieces in a quest to reach an enlightened, perfected state, no matter the cost. Aided by Thorson's private papers, along with cutting-edge neurological research that reveals the profound impact of intensive meditation on the brain and stories of miracles and black magic, sexualized rituals, and tantric rites from former Diamond Mountain acolytes, *A Death on Diamond Mountain* is a gripping work of investigative journalism that reveals how the path to enlightenment can be riddled with danger.

Facing the Mountain Daniel James Brown, 2022-05-10 A NEW YORK TIMES BESTSELLER One of NPR's Books We Love of 2021 Longlisted for the PEN/Jacqueline Bograd Weld Award for Biography Winner of the Christopher Award "Masterly. An epic story of four Japanese-American families and their sons who volunteered for military service and displayed uncommon heroism... Propulsive and gripping, in part because of Mr. Brown's ability to make us care deeply about the fates of these individual soldiers...a page-turner." – Wall Street Journal From the #1 New York Times bestselling author of *The Boys in the Boat*, a gripping World War II saga of patriotism and resistance, focusing on four Japanese American men and their families, and the contributions and sacrifices that they made for the sake of the nation. In the days and months after Pearl Harbor, the lives of Japanese Americans across the continent and Hawaii were changed forever. In this unforgettable chronicle of war-time America and the battlefields of Europe, Daniel James Brown portrays the journey of Rudy Tokiwa, Fred Shiosaki, and Kats Miho, who volunteered for the 442nd Regimental Combat Team and were deployed to France, Germany, and Italy, where they were asked to do the near impossible. Brown also tells the story of these soldiers' parents, immigrants who were forced to submit to life in concentration camps on U.S. soil. Woven throughout is the chronicle of Gordon

Hirabayashi, one of a cadre of patriotic resisters who stood up against their government in defense of their own rights. Whether fighting on battlefields or in courtrooms, these were Americans under unprecedented strain, doing what Americans do best—striving, resisting, pushing back, rising up, standing on principle, laying down their lives, and enduring.

They Came to the Mountain Platt Cline, 1976 This is the story of Flagstaff, Arizona, during the 1880s, when the railroad came and assured the new town's continued growth. The precursor to Mountain Town (page 16).

Mountain Laurel Lori Benton, 2020-09-01 "A fascinating story, rich in emotion." —Diana Gabaldon, New York Times bestselling author of the Outlander series North Carolina, 1793 Ian Cameron, a Boston cabinetmaker turned frontier trapper, has come to Mountain Laurel hoping to remake himself yet again—into his planter uncle's heir. No matter how uneasily the role of slave owner rests upon his shoulders. Then he meets Seona—beautiful, artistic, and enslaved to his kin. Seona has a secret: she's been drawing for years, ever since that day she picked up a broken slate to sketch a portrait. When Ian catches her at it, he offers her opportunity to let her talent flourish, still secretly, in his cabinetmaking shop. Taking a frightening leap of faith, Seona puts her trust in Ian. A trust that leads to a deeper, more complicated bond. As fascination with Seona turns to love, Ian can no longer be the man others have wished him to be. Though his own heart might prove just as untrustworthy a guide, he cannot simply walk away from those his kin enslaves. With more lives than his and Seona's in the balance, the path Ian chooses now will set the course for generations of Camerons to come. A story of choice and consequence, of bondage and freedom, of faith and family.
