

Move That Dope

William M. Adler

Posthuman Rap Justin Adams Burton, 2017-09-01

Posthuman Rap listens for the ways contemporary rap maps an existence outside the traditional boundaries of what it means to be human. Contemporary humanity is shaped in neoliberal terms, where being human means being viable in a capitalist marketplace that favors whiteness, masculinity, heterosexuality, and fixed gender identities. But musicians from Nicki Minaj to Future to Rae Sremmurd deploy queerness and sonic blackness as they imagine different ways of being human. Building on the work of Sylvia Wynter, Alexander Weheliye, Lester Spence, LH Stallings, and a broad swath of queer and critical race theory, Posthuman Rap turns an ear especially toward hip hop that is often read as apolitical in order to hear its posthuman possibilities, its construction of a humanity that is blacker, queerer, more feminine than the norm.

About Face: A Novel William Giraldi, 2022-09-06 A tragicomic novel of a fame-obsessed American society yet again on the brink. Evoking such classics as Elmer Gantry and The Day of the Locust, William Giraldi's About Face boldly transfers the perennial literary themes of celebrity, ambition, and obsession to twenty-first-century Boston. There we meet Val Face, a charismatic self-help guru who captivates multitudes with his uncanny ability to heal adherents using only the power of his words, the mysterious touch of his hands, and the transcendent beauty of his face. Assigned to write a profile of Val Face during his much-hyped New England tour, thirty-year-old impoverished journalist Seger Jovi pens a brutal hatchet job. But Seger, at once curious and incredulous, is soon sucked into the mystic's vortex of fame, becoming a devotee himself as he contends with the machinations and absurdities of Face's many protectors, from beefcake bodyguards to

helicoptering handlers to Face's unwavering spouse, Nimble. At first unwilling to sacrifice his principles to fulfill his own ambition and rise from privation, then touched by Face's unexpected humanity, Seger oscillates between acting as Face's cynical foil and becoming his unlikely ally. Just as the exalted guru appears to be reaching the apex of his powers, danger threatens from the periphery in the form of an obsessive stalker who wants Face dead. To curb this stalker before he can do harm, Face's security team enlists the aid of Jackie Jaworski, an ex-Marine and resourceful Boston detective who moonlights as a novelist of thrillers. And so *About Face*, building to a denouement that will astonish readers, takes us into the convergence of violence and fame that has come to define so much of American popular culture over the last half-century. With its indelible array of characters, hypnotic pacing, and shocking conclusion—and "a mesmerizing prose style that is downright pyrotechnic in its brilliance" (Andre Dubus III)—*About Face* is a novel in the grand tradition that dances along the tenuous line between the sacred and the profane.

Drug Trafficking Nicole Horning, 2017-12-15 The drug trade is a lucrative business, and drug traffickers find inventive ways to protect their investments. Smugglers have a variety of means available to them to move large amounts of drugs between countries, including underground tunnels, secret pockets, and even the postal service. This means law enforcement officials must be clever and creative in their pursuit of these criminals. Readers learn how police target drug traffickers and what they can do to pursue a similar career. Informative sidebars, fact boxes, and full-color photographs give a full picture of the work that law enforcement officials do to apprehend drug traffickers.

Hip-Hop (And Other Things) Shea Serrano, 2021-10-26 HIP-HOP (AND OTHER THINGS) is about, as it were, rap, but also some other things. It's a smart, fun, funny, insightful book that spends the entirety of its time celebrating what has become the most dominant form of music these past two and a half decades. Tupac is in there.

Jay Z is in there. Missy Elliott is in there. Drake is in there. Pretty much all of the big names are in there, as are a bunch of the smaller names, too. There's art from acclaimed illustrator Arturo Torres, there are infographics and footnotes; there's all kinds of stuff in there. Some of the chapters are serious, and some of the chapters are silly, and some of the chapters are a combination of both things. All of them, though, are treated with the care and respect that they deserve. HIP-HOP (AND OTHER THINGS) is the third book in the (And Other Things) series. The first two—Basketball (And Other Things) and Movies (And Other Things)—were both #1 New York Times bestsellers.

The Farnsworth \$core Rex Burns, 1977 Gabriel Wager, the dauntless Chicano policeman, goes undercover as a junkie to find out where a drug dealer is getting his cocaine.

THE DOPE RUNNER A.J.Ortega, 2006-07-25 The Dope Runner is based on actual events that occurred in Colombia in recent years but are here retold in fictional form to preserve anonymity for security reasons. Pablo, the central character, is a typical young man of his generation, ruthlessly ambitious and determined to get rich quick. Though attaining success and held in high esteem in his native country, he is totally lacking in ethics and ideology and is therefore capable of betraying anyone and of committing the most horrendous crimes to further his interests. This is the story of a battle between Good and Evil in which the perverse ambition of the leading character tips the balance in his favor but causes untold harm to his own people. The tale is told in simple, gripping language, conveying images that become engraved on your memory. Past events recorded here will help the reader to better understand current happenings and the behavior of certain high-profile public figures in the complex world of today.

Bad Trips Slava Pastuk,2022-04-05 The true story of a music editor at VICE who tried to become the coolest reporter the company had ever had — by becoming an international drug smuggler. In 2019, music reporter Slava P, an editor for VICE media, was sentenced to nine years in prison for recruiting friends into a scheme to smuggle

cocaine from the U.S. into Australia. Five of them were already in jail. Immediately, Slava P was internationally infamous. Was he a victim of pressure to commit extreme acts for the sake of a good story? A product of a drug-obsessed work environment? Or a manipulator who pushed vulnerable young people into crime? Here, Slava P tells his side of the story: what exactly happened and how the precarious, dog-eat-dog atmosphere of a media company can lead the young, the naive, and the ambitious into taking crazy risks. *Bad Trips* is a story about drugs, hip-hop, influencers, and glamour, set against the backdrop of one of the world's most influential news and entertainment sites, VICE. Its cast of beautiful young people and semi-famous rappers passes from the seediest apartments to the most elegant of private clubs. Slava P's chronicling of his years at this famous hotbed of excess is a piercing insight into contemporary media culture. All royalties from the sale of *Bad Trips* go to co-author Brian Whitney.

Block Party 7 Al-Saadiq Banks, 2023-05-19 Tony Austin is the most talked about attorney of the 21st century. He is widely considered the most compelling attorney of all time. Early in his career, he was nicknamed the Dapper Don of attorneys attracting the attention of news media. As much as they wanted to focus on his stylish wardrobe, his craftiness and work ethic overshadowed his attire. Like a magician, he's made some of the world's most wicked criminals appear innocent. By hook or crook, he stops at nothing to defend his client, even if it means crossing that fine line between ethical and unethical. With all the antics the Government and the Judicial system have used against him, there's no game he hasn't seen. He's gone against the system blow for blow singlehandedly. When it comes to victory, no pebble is too tiny for him to kick over, and no mountain is too big for him to climb. With all the challenging battles he's fought to save his clients' freedom, he now faces the most brutal one of them all, and that's retaining his own freedom. Tony Austin has declared war against the United States of America, which may be the biggest mistake he's made in his life. It's a Block Party 20-year reunion as Tony is reacquainted with former clients. As retaliation for Tony's war, the Feds are attempting to tie Tony into the criminal enterprises of those clients. His decision is destroying his life and the lives of innocent people close to him. Will Attorney Tony Austin be able to work his magic and pull himself and the many people affected out of this disaster, or will his 20-year winning streak end with him behind bars like a criminal?

Block Party 666 Al-Saadiq Banks, 2022-11-11 t's a

Block Party reunion and Attorney Tony Austin is the glue, as he brings some of his old clients together to teach them how to elevate their game and clean their dirty money. In the midst of contemplating retirement, three of the biggest cases in Tony Austin's legal career fall into his lap. These new cases can solidify him as the (undisputed) greatest attorney of the century - IF he can pull them off. If he fails, not only will his career be ended, but possibly his life! With his legendary flair, a courageous Tony rises to the challenge and puts it all on the line to cement his legacy. Skelter, Black Manson's prized soldier, pulls off the biggest score of her long criminal career. Unfortunately, unknown to her, she has just stolen from one of the biggest cartels in the Western hemisphere. The Cartel turns up the heat (and the body count) on Skelter and her crew, wreaking havoc on the whole city to find her. By the time Skelter realizes her mistake, it's already too late as she's both feet in, ten toes down, in the biggest, bloodiest war she's ever had to fight. This war doesn't only affect her and her crew. Her entire city is turned into a battlefield. The Infamous Black Manson and Smith engaged in a bloody street war with no clear winner in sight. Their street war now spills into prison when Baby Manson, Black Manson's son, is shipped to the same yard that Smith rules with an iron fist. Will the change of turf finally give Smith the upper hand, or will Baby Manson hold on to his G status, and live up to his father's name? Block Party 666 is money, murder, mayhem, and Government Conspiracies all wrapped into one fast-paced True 2 Life tale that continues to capture the tone of the streets like only Mr. Banks can. In the end, we learn all money is legal as we bear witness to the Mark of the Beast!

Land of Opportunity William M. Adler, 2021-10-11 An exceptional work of investigative journalism, Land of Opportunity is a probing tale of blighted dreams and

misguided ambition. A Donated Life Michael Ray Sivley, 2011-08 What if today you were told you had only twenty-four hours to live? What would you do? The disease will begin to make you weak, and you won't be able to eat anything. People who have not seen you in a month won't know you. You won't be able to walk without a railing, a cane, a friend. I had the time left on the face of a clock. As the darkness deepened, my hope and my future was called into question. I had prepared to die. My question to you is this: With twenty-four hours left, and your sand running out, will you be ready for the darkness coming? It's coming, along with a sickness that tries men's souls. As the sand runs out, and all sound ceases to be, will you feel a hand grab yours, or will you be all alone in the darkness?

Faded Colors Benjamin Rich, 2001-06 Is it possible that the "War on Drugs" is a sham? Is it possible that there is no war and that a group of rogue intelligence agency thugs really run the business to "protect the foreign interests" of the United States? Is it a fact that after have a century of pressure from law enforcement, the illegal dope business runs smoother than most American corporations with less internal loss? When body parts start coming up in fishing gear and the good guys have to shoot the other good guys, the lines between good and evil lose their significance. And when you know the truth, the only way to stay alive is run like hell and watch your six!
