

Move That Dope&sorty

Benjamin T. Smith

Holding A Dope Boy Down CoCo Shawnde, 2019-02-06 Born and raised in the trap, Dime loved the streets like no other, but when the love she was showing the streets returned void, this young teen was ripped from all she knew. Losing all that was familiar to her and everyone in the process, she finds herself in a group home with strangers who were out for self. Never one to fold, Dime chose to adapt to her circumstances, only she didn't know that adapting meant busting sales for Blocc. Though the money was slow, Dime held her dope boy down like no other. When the money doesn't seem to pick up, Dime starts to wonder how long is she supposed to remain a dope boy's down chick. Blocc comes with a murderous background that he keeps sealed. His dope boy character is only a stepping stool to the kingpin status he thirsts for. Even at the tender age of sixteen, he's been grooming himself to join the big league in the game. Dime coming along for the ride opens him up to the love connection that is evident between the two young birds. With time, he sees the drug game for how treacherous it is but takes on the losses, never giving up on his cocaine dreams despite barely having crack money. With Dime by his side, climbing up the ranks is bound to happen, but will Dime stay down for the climb? Kingpins aren't made overnight, and the road ahead will consist of bloodshed, betrayal, and young love in the streets of St. Louis

Holding A Dope Boy Down 2 CoCo Shawnde, 2019-02-22 In the second installment, Blocc is hit with the news of his sister being brought back to his life. With the heavy feud between Pops and his crew, more secrets and murders await. He has to shuffle through the hand that is given and take on the losses at the same time. When he loses one, he begins to gain another. Seeming as if he can never catch a break, Blocc gets the deal of a lifetime. What was supposed to be a welcoming reunion turned into chaos. Taking on the deal seems better than rotting away in prison for a crime he didn't commit, but will Blocc see it that way? Being a proposed member of the Black Family Mob, he has to face sitting with the plug, but it was nothing how he imagined when Dime is on another man's arm. Drama, lies, and betrayal are enough to call it quits in this fast life, but when you have hood dreams, you'll take on just about anything to get your piece of the pie.

About Face: A Novel William Giraldi, 2022-09-06 A tragicomic novel of a fame-obsessed American society yet again on the brink. Evoking such classics as Elmer Gantry and The Day of the Locust, William Giraldi's About Face boldly transfers the perennial literary themes of celebrity, ambition, and obsession to twenty-first-century Boston. There we meet Val Face, a charismatic self-help guru who captivates multitudes with his uncanny ability to heal adherents using only the power of his words, the mysterious touch of his hands, and the transcendent beauty of his face. Assigned to write a profile of Val Face during his much-hyped New England tour, thirty-year-old impoverished journalist Seger Jovi pens a brutal hatchet job. But Seger, at once curious and incredulous, is soon sucked into the mystic's vortex of fame, becoming a devotee himself as he contends with the machinations and absurdities of Face's many protectors, from beefcake bodyguards to helicoptering handlers to Face's unwavering spouse, Nimble. At first unwilling to sacrifice his principles to fulfill his own ambition and rise from privation, then touched by Face's unexpected humanity, Seger oscillates between acting as Face's cynical foil and becoming his unlikely ally. Just as the exalted guru appears to be reaching the apex of his powers, danger threatens from the periphery in the form of an obsessive stalker who wants Face dead. To curb this stalker before he can do harm, Face's security team enlists the aid of Jackie Jaworski, an ex-Marine and resourceful Boston detective who moonlights as a novelist of thrillers. And so About Face, building to a denouement that will astonish readers, takes us into the convergence of violence and fame that has come to define so much of American popular culture over the last half-century. With its indelible array of characters, hypnotic pacing, and shocking conclusion—and "a mesmerizing prose style that is

downright pyrotechnic in its brilliance" (Andre Dubus III)—About Face is a novel in the grand tradition that dances along the tenuous line between the sacred and the profane.

That Gangsta Love Denetra Shuntelle, 2015-12-16 Sometimes mixing business with pleasure is feasible for a relationship. Especially when you both come from nothing and end up with everything. The dope game is full of snakes and the mere fact of knowing that you get to sleep next to the person that rides the hardest for you every night makes things that much more satisfying. Sweets and Mayhem have been together for thirteen years strong. Their entire relationship is built on a million truths and unconditional love. Not once have they ever had to question one another's heart or intentions, but when their happy life gets disrupted they soon learn that you can know a person for years, but not really know them at all. Heart and Lucre are a power couple who are always on the move looking for ways to expand their business. They relocate to Chicago for the perfect opportunity to make their pockets fatter. Little did they know, they would be thrown in the middle of a twisted plot to take over the dope game. Take a wild ride with these couples as their gangsta is tested and loyalty becomes extinct in their world leaving them with one question on their minds, does love exist in the dope game? Find out in That Gangsta Love: A Dope Game Love Story.

From Dope Fiend 2 Son of a King Bryon L Johnson, 2019-05-29 In this book, you will travel the road to redemption in the experience of a young male who was destined to fail from birth. You will witness trauma that turns into triumph in the face adversity when God decides to introduce himself to a person struggling in addiction with limited education, resources and hope. This book will inspire all who dare to read it to know that all things are possible to them that believe. Upon completion of this book, every soul will find their inner giant, strength and courage to do the impossible by the power of the Holy Spirit who resides in every believer.

For My Thug Shaytrece, 2019-08-12 After College, Chance, Dayton, and Choice continued in their careers and building their futures. Chance continued with her modeling, which brought some interesting people into her life, not to mention a person from her past who managed to set Chance back a few steps. However, her sister, Choice, had her back as always. The James sisters were determined to be in each other's corners while getting through the storms that life sent their way. Meanwhile, Dayton enjoyed having his wife support him in his decision to keep his operation going after linking up with Dahlia as his plug. He even appreciated Choice frequenting Birmingham, Alabama, to keep Chance company, but he wasn't prepared for the chaos that their presence in Alabama would bring. Dayton never thought that going home to help out his childhood friends and big brother, Braxton, would bring car chases, setups, drive-bys, and damn sure not more infidelity issues. Dayton fought through it all and kept his mind on what was important to him, which was his family.

Moving On and other Zimbabwean stories Morris, Jane, 2017-08-16 Moving On bristles with the talent of writers from Zimbabwe. This collection brings together twenty of Zimbabwe's finest storytellers, from within the country and without. Many of the characters in this anthology are themselves moving on: from the chains of the past, from the loss of loved ones, from long-held beliefs. Some from life itself and others to a brighter future. Between the covers the reader will encounter the father who uses his take on democracy to name the family dog, the villager who desperately waits for shoes and salt to ward off witchcraft, the young man who flees with the book, the boys who hide from the big noise, and a host of other characters. The featured writers are: Togara Muzanenhamo; Mzana Mthimkhulu; Bryony Rheam; Thabisani Ndlovu; John Eppel; Melissa Tandiwe Myambo; Raisedon Baya; Donna Kirstein; Christopher Mlalazi; T.L. Huchu; Patricia Brickhill; Tariro Ngoro; Christopher Kudyahakudadirwe; Ignatius Mabasa;

Barbara Mhangami-Ruwende; Bongani Kona; Adrian Fairbairn; Murenga Joseph Chikowero; Gamu Chamisa; and Blessing Musariri

Shorty Fell In Love With A Dope Boy 3 A Jova'n, 2021-04-05 **Rerelease** Goodbyes hurt the most when the story was not finished. At a time where Kiarra should be celebrating the life she created, she was forced to mourn a life that was lost. Deontae's death came as a shock to everyone, and it turned Kiarra's life upside down. When she found out who was the cause of her pain, it started a war in the city that no one was prepared for, especially Church. After the smoke clears around her, can Kiarra put the pieces of her life back together, or will the heartbreak be too much for her to bear? After living in a nightmare for years, Kodi didn't think she could get away from her abusive situation until she finally broke free. Moving on, she was determined to put herself first and stray away from love until she met Gerald. Gerald showed Kodi how a queen should be treated, and nothing could make her come down from the high she got from being with him; not even her strained relationship with her mother. Can Kodi and her mother hash out their differences? Or does their heart-to-heart prove that sometimes it's better to love a person from a distance? Fool me once, your loss, end of story. Lauren has never been the one to give second chances, and after Banks showed that he couldn't be trusted, he found out firsthand just how unforgiving she was. Lauren swore she was done with relationships and the headaches they bring until Adonis came along and refused to stay in the friend zone. Will Lauren be receptive to a new love, or did her past ruin it for the future? Find out in the pages of this highly anticipated finale of *Shorty Fell in Love with a Dope Boy 3*.

Surviving a Dope Boy: a Hood Love Story Lakia Berrien, 2019-02-23 ***WARNING*** This is not your typical, Urban Romance, Dope Boy, Thug Love, or Kingpin Savage book. Heart pounding. Nail biting. Gritty. Unique. They say revenge is best served cold. I tried this. However, they didn't say that when the tables turn on you, revenge is just as hot and heated as a California forest fire. -Angel Sisters Angel and Alex find life difficult after the death of their mom and their father is non-existent after a heated blow-up. Having a daughter, Angel does whatever she has to, making sure that her daughter and sister are straight. Robbing drug dealers, dope boys, and high rollers was never a thought of Angel's until an opportunity rises and she takes advantage. Even knowing the high risks involved, Angel robs rich bosses until a single lick sets them up nicely. For the safety of her family, Angel breaks away from that life style until she crosses path with a devil from her past. Full of emotions and with revenge on the brain, Angel put into motion a vicious plan that karma finds her way in, turning the spiteful tides back on Angel. Alex is tired of Angel's Robinhood-esque adventures and is weary of the safety of her sister and their small family. Giving Angel an ultimatum, Alex is set to move on with her life with the love of her life, her best friend Maya. A drunken night of girls just wanna have fun leads to a third wheel joining in the fun. However, the couple gets more than they bargain for when their sexcapades end with unexpected consequences. Will the dynamics of Alex and Maya's relationship change as a result of their drunken stupor? Forget hot water, Angel ends up in boiling water, triggering karma to enter and putting her in a unsavory position. Will ill-fated revenge and karma cause Angel's demise? Blended love, unruly treachery, high-key risks, and cold hearted revenge are found in this African American urban hood story. Newly signed author Lakia under Twyla T Presents kicks off her debut book in her knockout blazing new series, *Surviving A Dope Boy: A Hood Love Story*.

Something Gross Big Bruiser Dope Boy, 2021-02-09 This genre-defying account (novel? narrative poem?) of the troubled love of a young man for an emotionally stunted older one in the bars and apartments of megalopolitan Denver is written with such a spooking purity of line and with such an audaciously stark, grave wisdom that it already feels like a classic of its kind. Big Bruiser Dope Boy's undecorated, indecorous sentences cut right

through you and into the soul you might not have even known you still had. Something Gross is his most triumphant book yet. You are sure to wish you had written it. -Garielle Lutz

Shorty Fell In Love With A Dope Boy 3 AJ. Dix, 2018-04-03 Goodbyes hurt the most, when the story was not finished. At a time where Kiarra should be celebrating the life she created, she was forced to mourn a life that was lost. Deontae's death came as a shock to everyone, and it turned Kiarra's life upside down. When she found out who was the cause behind her pain, it starts a war in the city that no one was prepared for, especially Church. Will Lauren be receptive to a new love, or did her past ruin it for the future? Find out in the pages of this highly anticipated finale of Shorty Fell In Love With A Dope Boy.

Dope Daniel M. Rosen, 2008-06-30 From the use of amphetamines and other stimulants in the early 20th century, to the use of testosterone and steroids by both the USSR and the United States during Cold War-era Olympics games, to blood doping and EPO, to designer drugs, the history of doping in sports closely follows the medical and technological advances of our times. In the early 21st century, the possibility of genetically engineered athletes looms. The story of doping in sports over the last century offers clues to where the battle over performance enhancement will be fought in the years to come. This book includes a timeline of major milestones/events in the history of doping from the mid-1800s onward. It also shows that a number of popularly circulated stories about doping in sports don't hold up under close examination. For example, in 1886, an English cyclist was said to have died following the Bordeaux to Paris Derny race. However, the Bordeaux to Paris race didn't exist in 1886. It was first run in 1891.

Dope Sick Walter Dean Myers, 2009-02-10 The itch starts when things get too heavy for Lil J. Skin popping or stealing pain pills from his mom help him relax. But Lil J's focus is wandering because money is short, and his man Rico knows a way to make some quick cash. It's supposed to be an easy deal, but it isn't so simple when the buyer is an undercover cop. With a gunshot wound to the arm, Rico in jail, and a police officer clinging to life, Lil J is starting to get dope sick. He'd do anything to change the last twenty-four hours, and when he stumbles into an abandoned crack house, it actually might be possible. . . . Walter Dean Myers weaves elements of magical realism into a harrowing story about drug use, violence, alternate perceptions of reality, and second chances.

The Film Renter and Moving Picture News , 1926

The Dope: The Real History of the Mexican Drug Trade Benjamin T. Smith, 2021-08-10 A myth-busting, 100-year history of the Mexican drug trade that reveals how an industry founded by farmers and village healers became dominated by cartels and kingpins. The Mexican drug trade has inspired prejudiced narratives of a war between north and south, white and brown; between noble cops and vicious kingpins, corrupt politicians and powerful cartels. In this first comprehensive history of the trade, historian Benjamin T. Smith tells the real story of how

and why this one-peaceful industry turned violent. He uncovers its origins and explains how this illicit business essentially built modern Mexico, affecting everything from agriculture to medicine to economics—and the country's all-important relationship with the United States. Drawing on unprecedented archival research; leaked DEA, Mexican law enforcement, and cartel documents; and dozens of harrowing interviews, Smith tells a thrilling story brimming with vivid characters—from Ignacia “La Nacha” Jasso, “queen pin” of Ciudad Juárez, to Dr. Leopoldo Salazar Viniegra, the crusading physician who argued that marijuana was harmless and tried to decriminalize morphine, to Harry Anslinger, the Machiavellian founder of the American Federal Bureau of Narcotics, who drummed up racist drug panics to increase his budget. Smith also profiles everyday agricultural workers, whose stories reveal both the economic benefits and the human cost of the trade. The Dope contains many surprising conclusions about drug use and the failure of drug enforcement, all backed by new research and data. Smith explains the complicated dynamics that drive the current drug war violence, probes the U.S.-backed policies that have inflamed the carnage, and explores corruption on both sides of the border. A dark morality tale about the American hunger for intoxication and the necessities of human survival, The Dope is essential for understanding the violence in the drug war and how decades-old myths shape Mexico in the American imagination today.

My Life... My Story You Be the Judge Herbert Lawson III, 2012-07-03 My Life, My Story.. You Be The Judge is a memoir of Herbert Lawson llls young and early adult life. The stories and events that youre about to read will take you on a journey of his life as a young boy from a small town called Sunrise, LA. Who would sing and talk to God to running away at the age of 14 to San Francisco. Upon his arrival Herbert would begin to see a different world in San Francisco. This new world brings a love for music to heartache and disappointment. Which in turn would lead to a lifestyle of stealing, hustling, drug dealing, prostitution and a tragic accident that you think would make him turn his life around or would it....

So You Want to Write Sports? Harry Glenn Burrell, 1947

Dope Girl Kimberly D Mathis, 2019-05-29 Born a dope baby, I became a college graduate, a mother of three, an entrepreneur, an Income Tax professional and an NFL wife. I was raised in the 80's and 90's amid the crack cocaine epidemic, the worst and deadliest drug surge the United States had ever seen that plagued predominantly low-income

African American communities. This is a story of how the cheap drug caused devastating effects not only to the addict we come to know as Rose, but also to me, Rose's youngest child. Almost every encounter we have with a person who suffers from addiction focuses primarily on their failed attempts to achieve sobriety, a typical life of crime to support their habit, and in some positive cases, their re-acclimation back into society and the monstrous task of maintaining a drug free life. We almost never dissect what the family of an addict experiences. I felt moved to write this book to offer a deep and personal look into how drug addiction has detrimental effects on the family members of addicts as well, particularly their children. This is my story. Let's rummage through every human emotion from fear and terror, to hope and despair, and finally freedom. This book will help you embrace your own life's challenges and learn to shed the shame of circumstances you couldn't or can't control, as you navigate how to live with other people's choices.
