Evelyn Del Rey Is Moving Away Meg Medina, 2020-09-08 From Newbery Medalist Meg Medina comes the bittersweet story of two girls who will always be each other's número uno, even though one is moving away. A big truck with its mouth wide open is parked at the curb, ready to gobble up Evelyn's mirror with the stickers around the edge . . . and the sofa that we bounce on to get to the moon. Evelyn Del Rey is Daniela's best friend. They do everything together and even live in twin apartments across the street from each other: Daniela with her mami and hamster, and Evelyn with her mami, papi, and cat. But not after today—not after Evelyn moves away. Until then, the girls play amid the moving boxes until it's time to say goodbye, making promises to keep in touch, because they know that their friendship will always be special. The tenderness of Meg Medina's beautifully written story about friendship and change is balanced by Sonia Sánchez's colorful and vibrant depictions of the girls' urban neighborhood.

Moving in Forever Rebecca Wu, 2019-07 When Ryan and Brandon's Aunt Carrie comes to live with them, a world of fun opens up. Days are filled with laughing, playing superheroes, and having dance parties. Although Aunt Carrie is the most fun aunt in the world, she is also very sick, and wants to spend the precious time she has surrounded by those who love her. Based on true people and events, this book is about love, loss, and remembering a loved one who dies. This book covers the topic of grief in an honest, sensitive way. It also highlights the various emotions involved in the hospice care experience. The story and characters help children and adults see how to stay authentic while facing sadness, hopeful when facing loss, and joyful when facing longing.

From a cotton picker in Azerbaijan to a Cambodian seamstress, a denim maker in Italy to a fashion designer in New York, Snyder captures the human, environmental, and political forces at work in a complex and often absurd world. Neither polemic nor prescription, *Fugitive Denim* captures what it means to work in the twenty-first century.

Stories on the Move Arlene Cohen, 2007-05-30 Energize your story programs by infusing them with the power of movement! This guide offers you dozens of interactive, ready-to-use, age-appropriate and story-based activities that get children actively involved in learning. Designed to expand the child's self-awareness, range of expression, and aesthetic sensibility at particular stages of development, from infancy to puberty, these literature-based programs are simple enough to be used by any educator, even if you have little or no dance experience. Included for each program are learning goals/skill development, a literature-story connection, and detailed instructions for movement and vocal improvisation and creative dramatics. A great resource for after school programs, home schools, and daycare centers. Ages Infant-14 *Stories on the Move* develops a child's emergent, cultural, and interpretative literacy skills. The first three chapters for babies, toddlers, and preschoolers are based on nationally recognized standards and methods for tapping emergent literacy skills. The fourth chapter takes children on StoryTrips to other countries and includes language, stories, dances, and customs of those countries. The fifth and sixth chapters for older children show them how to interpret story structure and the elements of character, setting, mood, plot, and theme. Included for each program are learning goals/skill development, a literature-story connection, and detailed instructions for movement and vocal improvisation and creative dramatics. A great resource for after school programs, home schools, and daycare centers. Ages Infant-14.

Moving Forward Karine Jean-Pierre, 2019-11-05 "Moving Forward arrives at a moment when inspiration, insight, and optimism are in short supply. Karine Jean-Pierre delivers all three in

abundance.” —Stacey Abrams, author of *Lead from the Outside* “Karine Jean-Pierre illuminates her path to insider status so others can follow in her footsteps.”—*Essence* “Jean-Pierre inspires us to get involved in politics—every single one of us, no matter where we are from or who we are.”—*The Atlantic* Most political origin stories have the same backbone. A bright young person starts reading the *Washington Post* in elementary school. She skips school to see a presidential candidate. In middle school she canvasses door-to-door. The story can be intimidating. It reinforces the feeling that politics is a closed system: if you weren’t participating in debate club, the Young Democrats and Model UN you have no chance. Karine Jean-Pierre’s story breaks the mold. In *Moving Forward*, she tells how she got involved, showing how politics can be accessible to anyone, no matter their background. In today’s political climate, the need for all of us to participate has never been more crucial. This book is her call to arms for those who know that now is the time for us to act.

House of Many Ways Diana Wynne Jones, 2009-05-26 In this sequel to the international bestseller *Howl’s Moving Castle*, bookish Charmain finds herself smack in the middle of magical court

intrigues . . . and dealing with the dashing Wizard Howl. When Charmain Baker agreed to look after her great-uncle's house, she thought she was getting blissful, parent-free time to read. She didn't realize that the house bent space and time, and she did not expect to become responsible for an extremely magical stray dog and a muddled young apprentice wizard. Now, somehow, she's been targeted by a terrifying creature called a lubbock, too, and become central to the king's urgent search for the fabled Elfgift that will save the country. The king is so desperate to find the Elfgift, he's called in an intimidating sorceress named Sophie to help. And where Sophie is, the great Wizard Howl and fire demon Calcifer won't be far behind. How did respectable Charmain end up in such a mess, and how will she get herself out of it? All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. Moving Foreword Jon Chattman, 2019-04-23 A great foreword is more than just a few pages of self-indulgent frippery that comes before a book. A great foreword adds zest. It sets the stage for the page turner you're about to open, and perhaps even puts you in the locked room where a mystery happens or in the high-button shoes of a year gone by. A great foreword—sometimes—is even better than the book it precedes. So why not skip the boring actual-book part? Moving Foreword is a collection of introductions to imaginary books, written by real celebrities, comedians, musicians, and other writers with something to say. With a real foreword by Rainn Wilson, this book offers a no-holds-barred cacophony of laugh-out-loud funny, poignant, and thought-provoking writing that tackles everything from politics to pop culture, true crime to trout fishing, and Star Wars to skin flicks. Highlights include: • Bustin' Through: Confessions of a Kool-Aid Man Foreword by Pop Candy columnist Whitney Matheson • Phil Rosenthal's Who's the Boss?: My Unlikely Rise to Rock Stardom Foreword by Bruce Springsteen (Phil Rosenthal) • Keep Your Gaze on Me: A True Story of Social Media, Obsession, and Murder Foreword by Shirley Manson, lead vocalist of Garbage • Sock Puppet Mozart: The Life and Gruesome Death of Randy Masterson Foreword by actor Thomas Lennon • Vance DeGeneris: An Unauthorized Biography Foreword by Vance DeGeneres • Everything You Need to Know About Massachusetts Fish and Wildlife Regulations Foreword by New Kids on the Block member Jonathan Knight • Fly Ball: How the New York Yankees Have Changed Lives Foreword by talk show host Jerry Springer • Terrible Band Names: A Chronology of Rock History Foreword by John Ondrasik, a.k.a. Five for Fighting • God's Wow, You're All F***ing This Up Big Time Foreword by singer-

songwriter Mary Lambert . . . any many more!

Big Ernie's New Home Teresa Martin, Whitney Martin, 2006 Big Ernie learns to deal with being worried, mad, and a little sad about moving to a new home.

The Walking People Mary Beth Keane, 2010-05-27 A “beautifully crafted” novel of two sisters’ lives, spanning from 1950s Ireland to modern-day America (Colum McCann, author of *Let the Great World Spin*). Greta Cahill never believed she would leave her village in west Ireland. Yet one day she found herself on a ship bound for New York, along with her sister, Johanna, and a boy named Michael Ward, a son of itinerant tinkers. Back home, her family hadn’t expressed much confidence in her abilities, but Greta discovers that in America she can fall in love, earn a living, and build a life. She longs to return and show her family what she has made of herself—but that could mean revealing a secret about her past to her children. So she carefully keeps her life in New York separate from the life she once loved in Ireland, torn from the people she is closest to. Decades later, she discovers that her children, with the best of intentions, have conspired to unite the worlds she has so painstakingly kept apart. And though the Ireland of her memory may bear little resemblance to that of present day, she fears it is still possible to lose all . . . “A compelling drama of transatlantic Irish life.” —Billy Collins “Marries a deliciously old-fashioned style of storytelling with a fresh take on the immigrant experience . . . A warm, involving family drama.” —Booklist
