PACTO ANTENUPCIAL SEGUNDO A TEORIA DO NEGÓCIO JURÍDICO Felipe Frank,2019-02-16 O presente trabalho corresponde à segunda parte expandida da tese de doutorado do autor, defendida em 29/09/2017 no âmbito da Faculdade de Direito da Universidade Federal do Paraná, sob a orientação dos professores Luiz Edson Fachin e Carlos Eduardo Pianovski Ruzyk. Na obra, o autor busca promover uma investigação minuciosa sobre os planos da existência, da validade e da eficácia do pacto antenupcial segundo uma perspectiva dogmática crítica, oferecendo-se, com isso, a base teórica necessária para colocar em debate seus limites e possibilidades, em especial no tocante ao direito sucessório brasileiro e à possibilidade de se dispor a respeito da concorrência sucessória no pacto antenupcial.

Brazilian Women Speak Daphne Patai,1988 Twenty Brazilian women, including domestic servants, secretaries, nuns, hairdressers, prostitutes, schoolgirls, and entrepreneurs, discuss their lives.

São as mulheres doidas? Alexandre GONÇALVES Pinheiro,2019 Calma, ao longo dos Capítulos estaremos dando embasamento porque o título deste livro é tão impactante. Através de depoimentos reais em que os autores serão omitidos, iremos traçar o verdadeiro perfil de cada tipo de mulher. Dizer que as mulheres são doidas ou loucas, se reflete em várias questões e em vários perfis não só da mulher, como do homem em geral.

Challenging Democracy Madeleine Arnot,Jo-Anne Dillabough,2000 Citizenship education is currently the subject of worldwide attention, and this book reports on research in a range of countries including South Africa, Finland, Portugal, Argentina, Australia. the US and Canada.

The Women's Movement In Latin America Jane Jaquette,2018-03-09 For those interested in democratic transition and consolidation, social movements, and gender politics, this volume is the most comprehensive, up-to-date, and probing analysis available of how women's groups are helping to reshape Latin America. The contributors document and assess the remarkable wave of women's political participation in Latin America over the past two decades. The first five case studies, on Brazil, Argentina, Uruguay, Chile, and Peru, examine the origins, evolution, and goals of women's organizations as they worked together to end authoritarian rule and elaborate how women's groups have adapted in the 1990s to the day-to-day realities of democratic politics. In the 1990s, the challenge has shifted from mobilizing opposition to the very different task of working with parties and government bureaucracies in order to maintain and implement their agendas. The chapters on Nicaragua and Mexico broaden our understanding of political transitions.Seven case studies vividly illustrate the variety of women's movements in the region, ranging from the communal-kitchens movements to human rights groups. Each author discusses the strategies and debates of the feminist movements in question and records their political successes and failures. Jaquette's introductory and concluding essays provide a comparative framework, highlighting the innovative ways in which Latin American women are making gender a political issue.

Efuru Flora Nwapa,2023-06-05 Efuru é o nome da protagonista que dá título à obra. A história da personagem demonstra os dilemas desta diante do casamento e da maternidade, pilares do papel social da mulher igbo na comunidade igbo tradicional de então. Como Efuru negocia este papel e, para isso, mobiliza a cosmogonia de seu povo, é o que o leitor irá encontrar nas páginas dessa obra. Essa cosmogonia, ou seja, o modo como se percebe o mundo, a criação e a relação entre o homem e o universo que o cerca, reserva um lugar de centralidade ao deus supremo que rege todas as coisas (Chukwu), ao chi (uma espécie de força criadora ou espírito pessoal de cada indivíduo) e aos espíritos dos ancestrais. São eles que regem a vida e alicerçam os valores de cada homem e mulher igbo que são retratados na escrita de Flora. No desafio de colocar mulheres igbos no centro da narrativa literária e, por meio destas mulheres, descrever um mundo em transformação, Flora Nwapa torna Efuru um clássico, um marco na literatura feminina. Women's Activism and Feminist Agency in Mozambique and Nicaragua Jennifer Leigh Disney,2009-12-15 In Women's Activism and Feminist Agency in Mozambique and Nicaragua, Jennifer Leigh Disney investigates the contours of women's emancipation outside the framework of liberal democracy and a market economy. She interviews 146 women and men in the two countries to explore the comparative contribution of women's participation in subsistence and informal economies, political parties and civil society organizations. She also discusses military struggles against colonialism and imperialism in fostering feminist agency to provide a fascinating look at how each movement evolved and how it changed in a post-revolutionary climate.

Global Responses to Domestic Violence Eve S. Buzawa,Carl G. Buzawa,2017-06-19 This volume addresses the varied response to domestic violence in a comparative, international context. The chapters are laid out in a consistent format, to cover: the nature of the domestic violence problem, theoretical explanations, the criminal justice response, as well as health care and social service interventions in each country. The intent of the book is to provide an introduction to the attitudes and responses to domestic violence in various regions, to provide meaningful comparisons and share information on best practices for different populations and regions. There are considerable variations to domestic violence approaches across cultures and regions. In some places, it is considered a "private" or "family" matter, which can help it perpetuate. At the same time, the United States' approach to domestic violence has been criticized by some as being too focused on the criminal justice system, rather than other types of interventions which aim to keep families intact. This comprehensive work aims to highlight innovative approaches from several regions, important cultural sensitivities and concerns, and provide analysis to identify the strengths and weakness of various approaches. This work will be of interest to researchers in criminology and criminal justice, as well as related fields who deal with domestic violence and violence against women, including sociology and social work, and international justice. Practitioners and policymakers will also find it informative.
