Zhije: The Pacification of Suffering Jamgon Kongtrul Lodro Taye, 2019-08-27 Jamgön Kongtrul Lodrö Taye presents the Zhije (Pacification) teachings of some of Tibet's most historically significant and influential teachers in this next volume of the Treasury of Precious Instructions series, Kongtrul's great collection of teachings from all of Tibet's Buddhist lineages. The Treasury of Precious Instructions by Jamgön Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist thought and practice as well as authoring significant new sections of his own. In this volume, Kongtrul presents a diverse corpus of texts from the Zhije (Pacification) tradition that trace especially to the South Indian master Dampa Sangye (d. 1117), whose teachings are also celebrated in the Chöd (Severance) tradition. It includes source scriptures by Dampa Sangye, empowerments by Lochen Dharmashrī, and guidance by Dampa Sangye, Lochen Dharmashrī, and Sönam Pal. Also included are lineage charts related to the transmission of Zhije teachings as well as detailed notes and an orientation to the texts by translator Sarah Harding.

Broken Three Times Joan Kaufman, 2016-03-01 *Broken Three Times* is a story about child abuse in America. It begins with snapshots from a mother's abusive childhood, then fast-forwards to her family's first involvement with Connecticut protective services when her children are eleven and ten. After a brief investigation, the family's case is closed, and despite their many needs, they are not provided links to any ongoing supportive services. Over the next five years we see the children pass through nearly twenty placements, while their mother continually relapses on crack and moves from one violent relationship to the next. Each chapter of the book provides a launching point for discussing state-of-the-art policy, practice, and scientific updates relevant for understanding risk, promoting resilience, and improving the child welfare system. This book will provide readers with some information about innovations and recent improvements in the system, concrete steps to take to enhance practice, ongoing gaps in our knowledge, and a deepening appreciation of the value of incorporating broad perspectives into this work--from neurobiology to social policy.

True Lies and Short Takes Eugene L. Stelzig, 2022-12-15 These essays focus on different periods of the author's life and hybrid identity: his Austrian childhood, his teenage years in France, his coming to the U.S. as a young adult and attending college, studying in England, and then settling in the U.S. into an academic career.

The Fictionals and the Book Club Rebellion Preston Francis, 2022-05-04 School has never been easy for Timothy Speare. He's had his share of strict teachers, bullies, mean girls, and stressful amounts of homework. If that's not enough, he and his two best friends are labeled as the Nerdy Trio by the whole school. But his junior year of high school might be his toughest yet after he learns a dark secret. Some of the students aren't real . . . They're Fictional. Coming from a world where fiction is fact, literature's greatest villains have banded together and have invaded our non-Fictional world. They may look like ordinary high school students, but in secret they are monsters, witches, and other villains in disguise with plans to take over the world. They may not be the most popular kids on campus, but the Nerdy Trio may be the only hope of stopping this true-to-life Fictional evil. They've read about heroes. Now the Nerdy Trio will learn what it means to be a hero when they step up to defend their world. Joining forces with a mysterious new girl, they will find magical items, face great danger, and learn about the dark history of their school--all in their mission to bring about the end of the Fictionals.

Tall Men, Short Shorts Leigh Montville, 2022-05-24 This part memoir, part sports story (Wall Street Journal) from the New York Times bestselling author of *The Big Bam* chronicles the clash of NBA titans over seven riveting games—Celtics versus Lakers, Russell versus Chamberlain—covered by one young reporter. Welcome to the 1969 NBA Finals! They don't set up any better than this. The greatest basketball player of all time - Bill Russell - and his juggernaut Boston Celtics, winners of ten (ten!) of the previous twelve NBA championships, squeak through one more playoff run and land in the Finals again. Russell's opponent? The fearsome 7'1" next-generation superstar, Wilt Chamberlain, recently traded to the LA Lakers to form the league's first dream team. Bill Russell and John Havlicek versus Chamberlain, Jerry West and Elgin Baylor. The 1969 Celtics are at the end of their dominance. The 1969 Lakers are unstoppable. Add to the mix one newly minted reporter. Covering the epic series is a wide-eyed young sports writer named Leigh Montville. Years before becoming an award-winning legend himself at *The Boston Globe* and *Sports Illustrated*, twenty-four-year-old Montville is ordered by his editor at the *Globe* to get on a plane to L.A. (first time!) to write about his luminous heroes, the biggest of big men. What follows is a raucous, colorful, joyous account of one of the greatest seven-game series in NBA history. Set against a backdrop of the late sixties, Montville's reporting and recollections transport readers to a singular time – with rampant racial tension on the streets and on the court, with the emergence of a still relatively small league on its way to becoming a billion-dollar industry, and to an era when newspaper journalism and the written word served as the crucial lifeline between sports and sports fans. And there was basketball – seven breathtaking, see-saw games, highlight-reel moments from an unprecedented cast of future Hall of Famers (including player-coach Russell as the first-ever black head coach in the NBA), coast-to-coast travels and the clack-clack-clack of typewriter keys racing against tight deadlines. *Tall Men, Short Shorts* is a masterpiece of sports journalism with a charming touch of personal memoir. Leigh Montville has crafted his most entertaining book yet, richly enshrining luminous players and moments in a unique American time.

Three-Minute Shorts John Nieman, 2010-11-16 An elegant blind man finds self-esteem in a glass of obscure red wine. A cross-dresser discovers the perfect non-judgmental friend. A movie star look-alike must constantly live the role. An erotic baker faces her ultimate challenge. There are examples of the hundred very short stories in *Three-Minute Shorts*. Each is a revealing and riveting snapshot of human nature, each is 600 words or fewer, and can be read in about three minutes. Some are light. Some are dark. Some are sweet. Some are shocking. All are fun to read.

Four Tibetan Lineages , 2021-04-27 New translations of teachings on meditative practice from four lesser-known but highly influential Tibetan Buddhist traditions. Drawing primarily from the Pacification, Severance, Shangpa Kagyü, and Bodongpa traditions, *Four Tibetan Lineages* presents some of Tibet's most transformative yet lesser-known teachings on meditative practice. Most works in this volume are drawn from a Tibetan anthology known as the *Treasury of Precious Instructions* compiled by Jamgön Kongtrul Lodrö Thayé (1813–1900). A vast preservation project, this anthology reflects Kongtrul's attempt to rescue rare teachings from disappearing. By foregrounding the teachings of masters like Khedrup Khyungpo Naljor (d. 1135), Dampa Sangyé (d. 1117), Machik Labdrön (1031/55–1126/50), Jonang Taranatha (1575–1634), and Jamyang Khyentsé Wangpo (1820–92), this volume extends Jamgön Kongtrul's preservation efforts into the modern world. ___ This carefully researched and meticulously organized work presents serious students and practitioners of Tibetan Buddhism with a treasury of knowledge, wisdom, and clearly detailed practices. At a time when the continuity of the Tibetan tradition of valid masters and lineage holders is challenged, this publication will serve to both clarify and preserve the lineages' gems. –Jetsunma Tenzin Palmo, Founding Director of Dongyu Gatsal Ling Nunnery, author of *Reflections on a Mountain Lake: Teachings on Practical Buddhism* A collection of unique and precious original translations from one the most experienced first-generation Western translators of Tibetan texts. This book is like a delicious box of chocolates to be eaten slowly, and each one savored and appreciated as a special gift. –Lama Tsultrim Allione, Founder of Tara Mandala, author of *Wisdom Rising* The massive collection of scriptures preserved by the nineteenth-century masters Jamgön Kongtrul Lodrö Thayé and Jamyang Khyentsé Wangpo can be overwhelming for contemporary readers in their richness. We are fortunate to have access to this carefully selected compilation of interrelated core teachings from four important Tibetan lineages—Pacification, Severance, Shangpa Kagyü, and Bodong—all beautifully rendered with Sarah Harding's cogent and elegant translation expertise. ? –Sarah Jacoby, Associate Professor of Religious Studies at Northwestern University, author of *Love and Liberation: Autobiographical Writings of the Tibetan Buddhist Visionary Sera Khandro* *Four Tibetan Lineages* contains gems of practice-oriented instructions from four distinct Buddhist lineages, prominent in Tibet but lesser known internationally, namely, Pacification, Severance, the Shangpa Kagyü, and Bodong tradition. Drawn mainly from Jamgön Kongtrul's famed *Treasury of Precious Instructions*, this ecumenical collection of profound teachings is masterfully translated by Sarah Harding. –Holly Gayley, Associate Professor of Buddhism in the Department of Religious Studies at the University of Colorado Boulder, author of *A Gathering of Brilliant Moons: Practice Advice from the Rimé Masters of Tibet*

Rewind Terry England, 2014-05-27 Mysterious but seemingly peaceful aliens visit Earth and give select people a miraculous and terrifying gift in this highly original sci-fi novel. "I am Aaron Lee Fairfax. I am forty-three years old. I am married to Janessa, but she wants a divorce. I work for Thagg, Morgan, and Edwards Brokerage Group in Kansas City, Missouri. I own a Maserati." It all sounded so false, these big words coming out of a boy's mouth. He sat alone, small in the adult-size chair, clad only in shortie pajamas with Peanuts characters rampant. His feet did not even reach the floor. "Why did you go on the Holn ship?" "Because I was curious." "What happened in the Holn ship on June 10?" He stopped, stared at the floor. He took a breath, let it out. "They did something to us."

Pay Attention John Horgan, 2020-12-15 A day in the inner and outer lives of a college professor, blogger, divorced father, thinker, and yearner. What would it feel like to wake up inside the head of someone who writes about science for a living? John Horgan, acclaimed author of the bestseller *The End of Science*, answers that question in his genre-bending new book *Pay Attention*, a stream-of-consciousness account of a day in the life of his alter ego, Eamon Toole—a blogger, college professor, and divorced father. This work of fact-based fiction, or "faction," follows Toole as he wakes up in his rented apartment in upstate New York, meditates with the mantra "Duh," commutes via train and subway to an engineering school in New Jersey, teaches a William James essay on consciousness to freshmen, squabbles about Thomas Kuhn with colleagues over lunch, takes a ferry to Manhattan and spends the evening with his bossy, Tarot-reading girlfriend, Emily, on whom he plans to spring a big question. Throughout the day, Toole struggles to be rational while buffeted by fears and yearnings. Thoughts of sex and death keep intruding on his ruminations over quantum spookiness, the neural code, the Singularity and free will. *Pay Attention* is a profane, profound meditation on the entanglements of our inner and outer worlds and the elusiveness of truth.

The Indie Cred Test Henry H. Owings, 2012-09-04 An obsessively completist checklist of cool-covering lifestyle, fashion, music, movies, body art, and more. The Indie Cred Test is the ultimate test of hipness. Sixteen chapters and countless sidebars cover musicians, authors, hipsters, hippies, miniature toy poodles, and everything in between. Part pop culture quiz, part satire, part handbook of all things cool, this fun and fascinating book is *The Official Preppy Handbook* meets *The Hipster Handbook*, plus massive amounts of (what else?) indie cred. Readers can put their indie cred to the test by answering such questions and prompts as: • Explain McSweeney's. • Is a bike your primary form of transportation? • Is there any kind of T-shirt that can't be worn ironically? • Has Courtney Love ever taken a swing at you?
