April Reginald.A.Philpott,2014-05-15 April Darling never thought she would be holding onto life by a thread. After she is found near death under the lifeless body of a notorious drug baron, April is nursed back to health and eventually visited in the hospital by the president of the United States, who credits her for helping to capture more powerful and dangerous drug lords. Anxious to heal and return to England as soon as possible, April settles into a chair in her hospital room after the president leaves and falls asleep. In her sleep, she dreams of the fateful day when a stranger changed her life beyond all recognition. As the dream continues, April drifts through memories of being drugged, abducted, and then transformed into a field agent. Unfortunately, as she attempts to stop an ominous global threat, she has no idea she is a dispensable decoy. Worse yet, she can remember her previous identity as George Partridge, a loving husband and father. Despite all the obstacles, however, April will not be deterred from her selfless assignment to make the world safer for others. In this gripping thriller, an agent tasked with the ultimate call to duty wonders if she will ever be able return to the life she once knew.

En búsqueda de un camino para evitar la trampa del ingreso medio: los casos de China y Perú Yuyan Zhang,Rosario Santa Gadea,2023-09-01 Este libro ofrece un enfoque comparativo de los casos de desarrollo económico de China y Perú. Es una obra colectiva en la que escriben 22 autores, de China y de Perú. Este doble enfoque tiene por objetivo promover el conocimiento mutuo e identificar lecciones aprendidas. China y Perú son economías de ingreso medio que aspiran a ascender al grupo de las economías de ingreso alto. Los obstáculos en este camino configuran la llamada trampa del ingreso medio que esencialmente sería una trampa de crecimiento. El libro discute varios temas centrales que influyen en este proceso. Por ejemplo, la transición económica en ambos países, las tendencias de su apertura al mundo, la inversión en infraestructura en un caso y la brecha de infraestructura en otro, los desafíos del desarrollo regional en ambas partes, el papel de la innovación como motor del crecimiento futuro y sus limitantes, entre otros temas.

El baile de secundaria Starbuck O'Dwyer,2018-04-22 Descripción del libro: La secuela de las galardonadas memorias de Starbuck O'Dwyer sobre sus años en la escuela primaria, High School Dance, es un conjunto de divertidos, inolvidables e interesantes relatos sobre el sufrimiento y el éxtasis de las experiencias vividas durante los años en secundaria que te harán reír y recordar lo que significa ser joven, salvaje y libre. Mensaje del autor: Bienvenido a El baile de secundaria. Me alegra que estés leyendo este libro. Esta obra es la culminación de un proyecto que comenzó en 2008, poco después de que mi esposa y yo diéramos la bienvenida a nuestro hijo. Como la mayor parte de los padres primerizos, sentí un nuevo y profundo sentido de la responsabilidad e inmediatamente decidí transmitir todo lo que yo consideraba importante. Aunque en aquel momento el objeto de mi orgullo y alegría tan solo babeaba, hacía caca y dormía y estaba lejos de absorber la sabiduría que su papá había logrado, me negué a permitir que estos molestos detalles se interpusieran en mi camino. Para comenzar, preparé un listado de acontecimientos que se habían producido durante mi niñez y de los que me había aprendido mucho, eran hechos que habían tenido un impacto en mí, tanto favorable como desfavorable. Este ejercicio me obligó a revisar muchas experiencias desgarradoras, como el no haber sido capaz de batear una sola vez en la liga menor de béisbol, mi dependencia crónica por una manta, mi desastrosa e infructuosa audición para conseguir el papel de Winthrop en The Music Man y el tiempo que pasé mirando a las moscas durante todo el último año de primaria. Quería que mi hijo conociera todas las dificultades con las que se podía enfrentar; su padre ya las había experimentado, había aprendido algo valioso y había sobrevivido. También quería que conociera todos los momentos divertidos y alegres que viví cuando era niño y el amor que mis padres me demostraron. Sin embargo

Casos Clínicos do DSM-5-TR Barnhill, John W.,2024-03-31 O livro Casos clínicos do DSM-5-TR abrange uma grande variedade de diagnósticos psiquiátricos, refletindo a evolução ocorrida nos critérios diagnósticos a partir do DSM-5. Cada um dos 104 casos apresentados é seguido por uma discussão detalhada que aborda o diagnóstico a partir da história psiquiátrica e pessoal do paciente, da sintomatologia, de testes laboratoriais e de diagnósticos diferenciais. O texto também contempla o impacto de questões demográficas como etnia, orientação sexual e identidade de gênero no diagnóstico. Toda pessoa que busca compreender a interface entre a classificação dos transtornos psiquiátricos e o diagnóstico do paciente considerará os casos clínicos interessantes e esclarecedores.
