In his debut book Eye of the Storm, Ryan shares his zig-zagging journey from farm boy to singer and songwriter, and the life events along the way that have shaped his relationship with God. From his insecurity with self-image, to his grief and fear during his mother's lengthy battle with cancer, to his high-stress days working as a paramedic, Ryan describes the many ways his faith was tested—and how each trial helped him become more reliant on Christ. Eye of the Storm will inspire, encourage, and challenge you to trust more deeply in God, confident that any struggle you face in life will help mold you into the person He wants you to become.

In exploring them all, Turner reflects with eloquence, insight and self-deprecating wit on exactly what it is to be a songwriter. From love songs and break-up songs to political calls-to-arms; songs composed alone in a hotel room or in soundcheck with the Sleeping Souls, this brilliantly written memoir - featuring exclusive photos of handwritten lyrics and more - is a must-have book for FT fans and anyone curious about how to write music.

It takes a mysterious visitor during their habitual morning meditation to finally explain to twenty-four-year-old Lisbeth the reason behind the bond she had questioned. Now, with a powerful storm headed their way, Lisbeth finds herself racing to live up to that destiny. Not only must she find a way to master the music of the storms so she can divert a disaster, she must also address also her growing relationship with co-worker and boyfriend, Roman Fournier. She must manage all of this only to begin a conflict that had been repeated for lifetimes.
