Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

The Substance of Style Virginia Postrel,2009-03-17 Whether it's sleek leather pants, a shiny new Apple computer, or a designer toaster, we make important decisions as consumers every day based on our sensory experience. Sensory appeals are everywhere, and they are intensifying, radically changing how Americans live and work. The twenty-first century has become the age of aesthetics, and whether we realize it or not, this influence has taken over the marketplace, and much more. In this penetrating, keenly observed book, Virginia Postrel makes the argument that appearance counts, that aesthetic value is real. Drawing from fields as diverse as fashion, real estate, politics, design, and economics, Postrel deftly chronicles our culture's aesthetic imperative and argues persuasively that it is a vital component of a healthy, forward-looking society. Intelligent, incisive, and thought-provoking, *The Substance of Style* is a groundbreaking portrait of the democratization of taste and a brilliant examination of the way we live now.

Where the River Ends Charles Martin,2009-06-23 A powerfully emotional and beautifully written story of heartbreaking loss and undying love He was a fishing guide and struggling artist from a south George trailer park. She was the beautiful only child of South Carolina's most powerful senator. Yet once Doss Michaels and Abigail Grace Coleman met by accident, they each felt they'd found their true soul mate. Ten years into their marriage, when Abbie faces a life-threatening illness, Doss battles it with her every step of the way. And when she makes a list of ten things she hopes to accomplish before she loses the fight for good, Doss is there, too, supporting her and making everything possible. Together they steal away in the middle of the night to embark upon a 130-mile trip down the St. Mary's River—a voyage Doss promised Abbie in the early days of their courtship. *Where the River Ends* chronicles their love-filled, tragedy-tinged journey and a bond that transcends all.

The Effing List Cherise Sinclair,2021-06-15 If you haven't read this series, you're missing out. Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads

When You're Mine Layla Hagen,2021-06-06 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?
