

Nakashima Rose

Masayo Duus

Classic Modern Deborah Dietsch, 2000 There is no hotter style today than the cooler than cool work of modern designers and architects from the 1940s and 50s. Endlessly inventive and eminently livable, mid-century modernism has an optimism and confidence born of postwar abundance, and a spirited elegance that appeals powerfully fifty years later. In *CLASSIC MODERN*, design expert Deborah Dietsch introduces readers to the basic tenets of modern design and explains how the simple yet inspired forms typical of this style were so readily disseminated into mainstream American culture. Filled throughout with enticing examples of mid-century pieces from such timeless designers as Charles and Ray Eames, Eero Saarinen, Arne Jacobsen, and George Nelson, this beautiful book recaptures the excitement of the period's brilliant designs.

The Sirens of Wartime Radio and How the American Print Media Presented Them Scott A. Morton, 2020-10-05 The *Sirens of Wartime Radio and How the American Print Media Presented Them: The Stories, the Intrigue, and the Evolving Coverage of Their Legacies* analyzes press coverage from the American print media that helped construct popular images of Tokyo Rose, Axis Sally, Seoul City Sue, and Hanoi Hannah. Coverage of these “radio sirens” essentially constructed and defined these women’s legacies for an American audience. Scott A. Morton examines newspaper and magazine coverage from the periods of each broadcaster, and in doing so, analyzes four primary research inquiries. Morton discusses how American newspapers and magazines portrayed each woman to American readers, how the American mass media’s portrayal of them evolved overtime from the mid-1940s through the present, the ways in which the American mass media responded to these five female propagandists—either directly or indirectly—through print, radio, and visual media, and how the legacy of each woman has been kept alive in popular culture in the decades since their last broadcasts. Morton argues that for the most part, coverage of the sirens was borne out of fascination and aversion, fascination stemming from the novelty of women acting as high-profile agents of enemy propaganda organizations and aversion stemming from the potential power they had over U.S. servicemen and the fact that they were viewed as traitors to the U.S. Scholars of media studies, history, and international relations will find this book particularly useful.

Encyclopedia of Rose Science Thomas Debener, Serge Gudin, 2003-10-27 The *Encyclopedia of Rose Science* brings together a wealth of information on the rose, long treasured for its captivating perfumes and splendid colors. Now, more than ever, science plays a central place in the production of this flower at the center of one of the world's biggest floricultural industries. A team of internationally renowned experts has contributed scores of articles, from the history of rose cultivation to discoveries in rose genetics. For researchers and students, as well as commercial rose growers and breeders, the *Encyclopedia of Rose Science* is an invaluable reference. The *Encyclopedia of Rose Science* is available online on ScienceDirect. The print edition price for this reference work does not include online access. For more information on pricing for access to the online edition, please review our Licensing Options. The richness and authority of Elsevier reference works is now lent valuable functionality and accessibility through the online launch of Elsevier Reference Works on ScienceDirect. Features: Extensive browsing and searching across subject, thematic, alphabetical, author and cited author indexes - as applicable to the work Basic and advanced search functionality within volumes, parts of volumes, or across the whole work Ability to build, save and re-run searches as well as combine saved searches Internal cross-referencing between articles in the work, plus dynamic linking to journal articles and abstract databases, making navigation flexible and easy All articles are available as full-text HTML files, and as PDF files that can be viewed, downloaded or printed out in their original print

format A dedicated Reference Works navigation tab and homepage on ScienceDirect to enable easy linking from your OPAC or library website For more information about the Elsevier Reference Works on ScienceDirect Program, please visit:

http://www.info.sciencedirect.com/reference_works. Presents complete, up-to-date information on over 35 subject areas of major importance to rose scientists Encyclopedic format provides for concise, readable entries, easy searches, and extensive cross-references Incorporates MODERN ROSES XI, published by the American Rose Society as International Cultivar Registration Authority for Roses, the most comprehensive list of roses of historical and botanical importance! High quality full-color production, with many figures and tables

Tokyo Rose, Orphan of the Pacific Masayo Duus,1979 No one knows who invented the name, when it was first used, or even why a Japanese broadcaster should be dubbed 'Rose'--but two of the first American reporters in Occupied Japan, bent on finding Tokyo Rose at any cost, elicited the name of one of the women disk-jockeys on the popular Zero Hour program. Iva Toguri d'Aquino, foolishly, unfearingly let herself be styled, the one and only Tokyo Rose. A UCLA-graduate, she had gone to Japan reluctantly in 1941 on family business. Red tape and dwindling funds prevented her from leaving, and an Australian journalist POW recruited her for the radio program. It's a startling story that Masayo Duus has uncovered almost by accident: Iva waited on her at the Toguri family store in Chicago in 1967, and the plain person didn't fit the sensational image. Iva stubbornly clung to her U.S. citizenship when the other nisei she knew recanted--else she could not have been tried for treason. D'Aquino served six years of a ten-year sentence in federal prison. In the 1970s, Japanese Americans convinced of her innocence began a movement that led to a presidential pardon in 1977.

Cumulated Index Medicus ,1988

James Rose Dean Cardasis,2017-03-01 The first biography of this important landscape architect, James Rose examines the work of one of the most radical figures in the history of mid-century modernist American landscape design. An artist who explored his profession with words and built works, Rose fearlessly critiqued the developing patterns of land use he witnessed during a period of rapid suburban development. The alternatives he offered in his designs for hundreds of gardens were based on innovative and iconoclastic environmental and philosophic principles, some of which have become mainstream today. A classmate of Garrett Eckbo and Dan Kiley at Harvard, Rose was expelled in 1937 for refusing to design landscapes in the Beaux-Arts method. In 1940, the year before he received his first commission, Rose also published the last of his influential articles for Architectural Record, a series of essays written with Eckbo and Kiley that would become a manifesto for developing a modernist landscape architecture. Over the next four decades, Rose articulated his philosophy in four major books. His writings foreshadowed many principles since embraced by the profession, including the concept of sustainability and the wisdom of accommodating growth and change. James Rose includes new scholarship on many important works, including the Dickenson Garden in Pasadena and the Averett House in Columbus, Georgia, as well as unpublished correspondence. Throughout his career Rose refined his conservation ethic, finding opportunities to create landscapes for contemplation, self-discovery, and pleasure. At a time when issues of economy and environmentalism are even more pressing, Rose's writings and projects are both relevant and revelatory.

Are You Mixed? Sonia E. Janis, 2016-02-01 In *Are You Mixed?*, Sonia Janis explores the spaces in-between race and place from the perspective of an educator who is multi-racial. As she reflects on her own experiences as a seventh grade student up to her eventual appointment as a school administrator, she learns of the complexity of situating oneself in predetermined demographic categories. She shares how she explores the intricacies of undefined spaces that teach her to embrace differences, contradictions, and complexities in schools, neighborhoods and communities. Exploring the in-betweenness (Anzaldúa & Keating, 2002; He, 2003, 2010) of her life as a multi-race person problematizes imbedded notions of race, gender, class, and power. The power of this memoir lies in its narrative possibilities to capture the contradictions and paradoxes of lives in-between race and place, “to honor the subtleties, fluidities, and complexities of such experience, and to cultivate understanding towards individual ... experience and the multicultural/multiracial contexts that shape and are shaped by such experience” (He, 2003, p. xvii). This memoir creates new ways to think about and write about in-between experience and their relevance to multicultural and multiracial education. Janis challenges educators, teachers, administrators, and policy makers to view the educational experience of students with multiracial, multicultural, and multilingual backgrounds by shattering predetermined categories and stereotyped classifications and looking into unknown and fluid realms of the in-betweenness of their lives. This challenge helps create equitable and just opportunities and engender culturally responsive and inspiring curricular and learning environments to bring out the best potential in all diverse schools, communities, neighborhoods, tribes and societies.

Redefining Japaneseness Jane H. Yamashiro, 2017-01-24 There is a rich body of literature on the experience of Japanese immigrants in the United States, and there are also numerous accounts of the cultural dislocation felt by American expats in Japan. But what happens when Japanese Americans, born and raised in the United States, are the ones living abroad in Japan? *Redefining Japaneseness* chronicles how Japanese American migrants to Japan navigate and complicate the categories of Japanese and “foreigner.” Drawing from extensive interviews and fieldwork in the Tokyo area, Jane H. Yamashiro tracks the multiple ways these migrants strategically negotiate and interpret their daily interactions. Following a diverse group of subjects—some of only Japanese ancestry and others of mixed heritage, some fluent in Japanese and others struggling with the language, some from Hawaii and others from the US continent—her study reveals wide variations in how Japanese Americans perceive both Japaneseness and Americanness. Making an important contribution to both Asian American studies and scholarship on transnational migration, *Redefining Japaneseness* critically interrogates the common assumption that people of Japanese ancestry identify as members of a global diaspora. Furthermore, through its close examination of subjects who migrate from one highly-industrialized nation to another, it dramatically expands our picture of the migrant experience.

Sending Flowers to America Peggi Ridgway, Jan Works, 2008

The Mass Internment of Japanese Americans and the Quest for Legal Redress Charles J. McClain, 1994 First Published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

Modern Roses XI Thomas Cairns, Marily Young, Jolene Adams, Bob Edberg, 2000-04-19 This work, published previously by the American Rose Society (ARS), represents a listing of all officially registered rose cultivars globally. It will supersede the previous edition, *Modern Roses X*, published in 1993. *Modern Roses XI* contains descriptions for more than 25,000 roses. The book features 28 color plates and includes a CD-ROM of the entire work which makes searching easy.

Architectural Digest, 2000 The international magazine of fine interior design.

Nakashima Rose Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nakashima Rose free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader.

The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nakashima Rose free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an

advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nakashima Rose free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Nakashima Rose. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nakashima Rose any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nakashima Rose Books

How do I know which eBook platform is

the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader's engagement and providing a more immersive learning experience. Nakashima Rose is one of the best books in our library for free trial. We provide a copy of Nakashima Rose in digital format, so the resources that you find are reliable. There are also many eBooks related to Nakashima Rose. Where to download Nakashima Rose online for free? Are you looking for Nakashima Rose PDF? This is

definitely going to save you time and cash in something you should think about.

web 26 quotes from taslima nasrin it is
said that peace is the basic tenet of all
religion yet it is in the name of religion
that there has been so much disturbance
bloodshed and persecution it is indeed a
pity that even at the close of the twentieth
century we ve had to witness such
atrocities because of religion
