Love Story Mario Alvim, 2015-06-28 Love Story, um livro para falar de amor. Poesias românticas sussuradas pelo coração.

Women of the Praia Sally Cooper Cole, 2020-06-30 In this richly detailed, sensitive ethnographic work, Sally Cole takes as her starting point the firsthand accounts of five differently situated Portuguese women, who describe their lives in a rural fishing community on the north coast of Portugal. Skillfully combining these life stories with cultural and economic analysis, Cole radically departs from the picture of women as sexual beings that prevails in the anthropological literature on Europe and the Mediterranean. Her very different strategy--a focus on women as workers--reflects the Portuguese women's own definition of themselves and allows them the strong, resonant voice that is the goal of both the new ethnography and feminist scholarship. From this new perspective, Cole proposes an important critique of the dominant paradigm of southern European gender relations as being embedded in the code of honor and shame. Covering the Salazar years, as well as the period since the 1974 Revolution, Cole shows that fisherwomen of the past enjoyed greater autonomy in work and social relations than do their daughters and granddaughters, who live in a context of increasing commoditization and industrialization. Central to this account is an examination of the changing structure and role of the household as economic production moved to the factory.

Literary Translation Clifford E. Landers, 2001-09-13 In this book, both beginning and experienced translators will find pragmatic techniques for dealing with problems of literary translation, whatever the original language. Certain challenges and certain themes recur in translation, whatever the language pair. This guide proposes to help the translator navigate through them. Written in a witty and easy to read style, the book's hands-on approach will make it accessible to translators of any background. A significant portion of this Practical Guide is devoted to the question of how to go about finding an outlet for one's translations.

Bossa Nova Ruy Castro, 2012-04-01 Bossa nova is one of the most popular musical genres in the world. Songs such as "The Girl from Ipanema" (the fifth most frequently played song in the world), "The Waters of March," and "Desafinado" are known around the world. Bossa Nova—a number-one bestseller when originally published in Brazil as *Chega de Saudade*—is a definitive history of this seductive music. Based on extensive interviews with Antonio Carlos Jobim, João Gilberto, and all the major musicians and their friends, Bossa Nova explains how a handful of Rio de Janeiro teenagers changed the face of popular culture around the world. Now, in this outstanding translation, the full flavor of Ruy Castro's wisecracking, chatty Portuguese comes through in a feast of detail. Along the way he introduces a cast of unforgettable characters who turned Gilberto's singular vision into the sound of a generation.

The Heart Is Unknown Country L. A. Rebhun, 1999 This is a study of love, specifically of men's and women's emotional roles vis-à-vis one another in Northeast Brazil; of how people form conjugal relationships in this region; and of the impact of rapid socioeconomic change on courtship, marriage, cohabitation, and infidelity. Rapid urbanization and expansion of the cash economy have transformed the region in a few decades. Among the transformations are shifts in how people conduct courtship, form marriages, view the proprieties of sexual behavior, and assess the proper social and economic roles of men and women. These changes have altered the relative importance of physical, economic, and emotional intimacy in conjugal relationships, transforming the nature of marriage once defined as a largely economic relationship into a largely emotional relationship, as ideas of romance once associated with infidelity, concubinage, and courtship are increasingly attached to marriage. The book is largely based on interviews with men and women who talked about their often complicated love lives with wit and passion, and the book is rich in personal stories and quotations. Women were asked to discuss the nature of men and women, and men were asked to talk about women. Both sexes were questioned about their views on prostitution, concubinage, and promiscuity, as well as their definitions of love. Parents were asked for their views about marriage and child rearing (especially differences in raising boys and girls), their relations with their own parents, lovers, spouses, and friends, and their views on virginity and sexual propriety. The bluntness and articulateness of the informants about their motivations and experiences not only demonstrated that men and women viewed conjugal relationships very differently but enabled the author to specify and explore these differences in unusually interesting ways.

Love Story Fabiane De Oliveira, 2016-11-10 Destino. O que significa o conceito destino? Se procurarmos no dicionário encontraríamos, de maneira resumida, que é o rumo que a vida de todas as pessoas e todas as coisas do mundo estaria sujeitas, o rumo que a vida delas tomaria. Mas existe a forma mais filosófica de explicar o que é o conceito de destino, a filosofia descreve o destino como uma força misteriosa, forte e sobrenatural que o universo tem de determinar a nossa história de vida. Há quem não acredite em destino, há quem confie cegamente, e há aqueles, também, que acreditam sim em destino, mas que ele é capaz de moldá-lo. Quanto a mim? Bem, prefiro não dizer nada para que tirem suas próprias conclusões.

Tudo O Que Você Sempre Quis Saber Sobre Namoro E Sexo Leandro Silva, 2017-09-07 Por que precisamos em todo tempo falarmos sobre namoro com nossos jovens? Porque o ciclo da vida não pára: os que hoje são jovens não serão amanhã, e os que ainda não chegaram à juventude, chegarão. O pastor Leandro dá dicas importantes sobre o assunto. Por isso, recomendo a sua leitura.

A Comparative History of Literatures in the Iberian Peninsula César Domínguez, Anxo Abuín González, Ellen Sapega, 2016-10-20 Volume 2 of A Comparative History of Literatures in the Iberian

Peninsula brings to an end this collective work that aims at surveying the network of interliterary relations in the Iberian Peninsula. No attempt at such a comparative history of literatures in the Iberian Peninsula has been made until now. In this volume, the focus is placed on images (Section 1), genres (Section 2), forms of mediation (Section 3), and cultural studies and literary repertoires (Section 4). To these four sections an epilogue is added, in which specialists in literatures in the Iberian Peninsula, as well as in the (sub)disciplines of comparative history and comparative literary history, search for links between Volumes 1 and 2 from the point of view of general contributions to the field of Iberian comparative studies, and assess the entire project that now reaches completion with contributions from almost one hundred scholars.

American crime story: O povo contra O. J. Simpson Jeffrey Toobin, 2017-10-09 Craque recordista da NFL, a liga de futebol americano, o ídolo O.J. Simpson estava acima do bem e do mal. Seria pouco compará-lo ao goleiro Bruno, condenado pelo desaparecimento da mãe de seu filho. Simpson era o equivalente a Pelé, Messi ou Neymar em seu país. Tente agora imaginar a comoção que um país inteiro sentiu ao ver um herói do porte de O.J. ser acusado de um crime tão brutal: o assassinato de sua esposa, Nicole Brown, e do amigo dela, Ronald Goldman, a facadas. Em 13 de junho de 1994, tinha início um dos mais infames casos da história criminal dos Estados Unidos. American Crime Story: O Povo Contra O.J. Simpson é o mais completo livro sobre o caso, e foi escrito por Jeffrey Toobin, repórter que cobriu o julgamento para a revista New Yorker. Mesmo partindo do princípio que Simpson era culpado, o livro apresenta informações minuciosas que ajudam a desvendar por que O.J. foi inocentado naquele grande circo que virou seu julgamento. E que julgamento! Os autos totalizaram mais de 50 mil páginas e 1 milhão de linhas escritas. Durante 372 dias, foram ouvidas 133 testemunhas. Tudo isso está registrado em American Crime Story: O Povo Contra O.J. Simpson. Um gigantesco evento da mídia global, acompanhado por mais de 20 milhões de espectadores – recorde superior à chegada do homem à Lua –, aquele foi um dos primeiros casos de tribunal a utilizar a moderna ciência forense como parte das evidências. Se hoje você curte CSI, acredite, tudo começou para valer no caso O.J.

Canto Do Galo, O ,

Little Maggie Jack Oliveira, 2019-07-23 ‘Baby Maggie was stolen – straight out of the cradle’ This was not a crime – not in any legal way. Maggie was the fourth child born to Marlies and Josito Otero - in the span of four years and four months. Incredible? But true. One plus years later, Fabiola was born – forcing Baby Maggie out of her crib, to make way. Family friend Lucinda, found it too harsh on Baby Maggie, and

too difficult for Marlies to handle – caring for five children, all under five. Lucinda offered to care for Little Maggie – for just ‘a short while’, until Marlies got back on her feet. So, it was agreed upon and the deed was done. ‘A Short While’ turned into seven years. Maggie now had a whole new family - who were complete strangers to her. It was a turbulent transition - going from a place where she was 'special' to the Otero household - where it was a free-for-all, survival of the fittest, chaotic, loud, and sometimes downright frightening to Maggie, like walking through the very pit of hell. Her only hope was to hang onto the life she knew before. Based on a true story.

Anime, Philosophy and Religion Kaz Hayashi, William H. U. Anderson, 2023-10-17 Anime is exploding on the worldwide stage! Anime has been a staple in Japan for decades, strongly connected to manga. So why has anime become a worldwide sensation? A cursory explanation is the explosion of online streaming services specializing in anime, like Funimation and Crunchyroll. Even more general streaming services like Netflix and Amazon have gotten in on the game. Anime is exotic to Western eyes and culture. That is one of the reasons anime has gained worldwide popularity. This strange aesthetic draws the audience in only to find it is deeper and more sophisticated than its surface appearance. Japan is an honor and shame culture. Anime provides a platform to discuss “universal” problems facing human beings. It does so in an amazing variety of ways and subgenres, and often with a sense of humor. The themes, characters, stories, plotlines, and development are often complex. This makes anime a deep well of philosophical, metaphysical, and religious ideas for analysis. International scholars are represented in this book. There is a diversity of perspectives on a diversity of anime, themes, content, and analysis. It hopes to delve deeper into the complex world of anime and demonstrate why it deserves the respect of scholars and the public alike.
