Plans Natalie Smothers,2010-02-08 I heard she used to be a big time photographer...then one day she just stopped taking pictures. Nobody knows why. But sometimes an unexpected connection borne of love and faith can bring us back to ourselves and our best laid plans.

Natalie Natalia Nicholas Mosley,1996 Natalie Natalia?is Nicholas Mosley's brilliant examination of political life. It revolves around Anthony Greville, a conservative Member of Parliament who is tormented by his ambivalence toward his career, by his religious doubts, and by his adulterous affair with Natalia Jones, the enigmatic wife of a colleague. The course of their affair dramatizes love in its most creative and perilously destructive aspects, the two facets symbolized in the two names he has for his lover: I sometimes called Natalia Natalie instead of Natalia, Greville says, when she was the ravenous rather than the angelic angel... What Natalie said was often a code for what Natalia was meaning. Ranging in setting from England to Central Africa, the novel is a remarkable investigation of ethics, with fiction itself as an ethical activity.

If It Be Not Now... Natalie Muller,2005 However hard we struggle, if we're born under an unlucky star, can we ever resist our fate? Born of a father from the gentry and a mother of low birth, the hero of this story, Demetrius, was never destined for an easy life in nineteenth-century Ukraine. Both his parents die and he is disowned by his grandfather. But his destiny is far more cruel than we could imagine: when visiting Russia, he's falsely imprisoned and suffers physical and mental abuse for years. Eventually he escapes and proves his innocence - but is he now free? The doubts and sadness that had plagued his life before prison were returning. But then he is reconciled with his grandfather and he meets and marries a faithful and kind woman. It is heartbreaking when fate intervenes once more. Despite his new-found happiness and his dogged battle against the illness which besets him, events unfold with horrifying inevitability. The ultimate tragedy strikes: the climax is unforgettable.
