*Come from Away* Genevieve Graham,2018-04-24 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

*Girl from the North Country* Conor McPherson,2017-11-20 "The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —Guardian "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —Evening Standard "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). When NBC announces a national competition to find the nation's next swing band sensation, Donny joins forces with a motley group of fellow veterans, and together they form a band unlike any the nation has ever seen. However, complicated relationships, the demands of the competition, and the challenging after-effects of war may break these musicians. Amongst the cub reporters and sycophantic pub regulars, dying to hear Harry's reaction to the news, a peculiar stranger lurks, with a very different motive for his visit. Don't worry. **Story of the Automobile** Herbert Lee Barber,1917  
*Evil Dead* George Reinblatt,2010 Based on Sam Raimi’s 80s cult classic films, EVIL DEAD tells the tale of 5 college kids who travel to a cabin in the woods and accidentally unleash an evil force. And although it may sound like a horror, it’s not! The songs are hilariously campy and the show is bursting with more farce than a Monty Python skit. EVIL DEAD: THE MUSICAL unearths the old familiar story: boy and friends take a weekend getaway at abandoned cabin, boy expects to get lucky, boy unleashes ancient evil spirit, friends turn into Candarian Demons, boy fights until dawn to survive. As musical mayhem descends upon this sleepover in the woods, ‘camp’ takes on a whole new meaning with uproarious numbers like ‘All the Men in my Life Keep Getting Killed by Candarian Demons,’ ‘Look Who’s Evil Now’ and ‘Do the Necronomicon.’

**Saving History** Lauren R. Kerby,2020-02-21 Millions of tourists visit Washington, D.C., every year, but for some the experience is about much more than sightseeing. Lauren R. Kerby's lively book takes readers onto tour buses and explores the world of Christian heritage tourism. These expeditions visit the same attractions as their secular counterparts—Capitol Hill, the Washington Monument, the war memorials, and much more—but the white evangelicals who flock to the tours are searching for evidence that America was founded as a Christian nation. The tours preach a historical jeremiad that resonates far beyond Washington. White evangelicals across the United States tell stories of the nation's Christian origins, its subsequent fall into moral and spiritual corruption, and its need for repentance and return to founding principles. This vision of American history, Kerby finds, is white evangelicals' most powerful political resource—it allows them to shapeshift between the roles of faithful patriots and persecuted outsiders. In an era when white evangelicals' political commitments baffle many observers, this book offers a key for understanding how they continually reimagine the American story and their own place in it.

**A Fool's Errand** Lonnie G. Bunch III,2019-09-24 Founding Director Lonnie Bunch's deeply personal tale of the triumphs and challenges of bringing the Smithsonian National Museum of African American History and Culture to life. His story is by turns inspiring, funny, frustrating, quixotic, bittersweet, and above all, a compelling read. In its first four months of operation, the Smithsonian National Museum of African American History and Culture surpassed one million visits and quickly became a cherished, vital monument to the African American experience. And yet this accomplishment was never assured. In A Fool's Errand, founding director Lonnie Bunch tells his story of bringing his clear vision and leadership to realize this shared dream of many generations of Americans. Outlining the challenges of site choice, architect selection, building design, and the compilation of an unparalleled collection of African American artifacts, Bunch also delves into his personal struggles--especially the stress of a high-profile undertaking--and the triumph of establishing such an institution without mentors or guidebooks to light the way. His memoir underscores his determination to create a museum that treats the black experience as an essential component of every American's identity. This inside account of how Bunch planned, managed, and executed the museum's mission informs and inspires not only readers working in museums, cultural institutions, and activist groups, but also those in the nonprofit and business worlds who wish to understand how to succeed--and do it spectacularly--in the face of major political, structural, and financial challenges.
