Claire McMillan

The Necklace Claire McMillan,2017-07-04 This ... novel set in the rarified world of money and society alternates between two generations of the Quincy family: the wealthy robber baron brothers who vied over a bewitching Jazz Age beauty and the young woman who inherits a spectacular and mysterious Indian necklace and its secrets--

**Out of Sorts** Sarah Bessey,2015-11-03 From the popular blogger and provocative author of *Jesus Feminist* comes a riveting new study of Christianity that helps you wrestle with—and sort out—your faith. In *Out of Sorts*, Sarah Bessey—award-winning blogger and author of *Jesus Feminist*, which was hailed as “lucid, compelling, and beautifully written” (Frank Viola, author of *God’s Favorite Place on Earth*)—helps us grapple with core Christian issues using a mixture of beautiful storytelling and biblical teaching, a style well described as “narrative theology.” As she candidly shares her wrestlings with core issues—such as who Jesus is, what place the Church has in our lives, how to disagree yet remain within a community, and how to love the Bible for what it is rather than what we want it to be—she teaches us how to walk courageously through our own tough questions. In the process of gently helping us sort things out, Bessey teaches us how to be as comfortable with uncertainty as we are with solid answers. And as we learn to hold questions in one hand and answers in the other, we discover new depths of faith that will remain secure even through the storms of life.

**Alternative Iron Ages** Brais X. Currás,Inés Sastre,2019-09-09 *Alternative Iron Ages* examines Iron Age social formations that sit outside traditional paradigms, developing methods for archaeological characterisation of alternative models of society. In so doing it contributes to the debates concerning the construction and resistance of inequality taking place in archaeology, anthropology and sociology. In recent years, Iron Age research on Western Europe has moved towards new forms of understanding social structures. Yet these alternative social organisations continue to be considered as basic human social formations, which frequently imply marginality and primitivism. In this context, the grand narrative of the European Iron Age continues to be defined by cultural foci, which hide the great regional variety in an artificially homogenous area. This book challenges the traditional classical evolutionist narratives by exploring concepts such as non-triangular societies, heterarchy and segmentarity across regional case studies to test and propose alternative social models for Iron Age social formations. Constructing new social theory both archaeologically based and supported by sociological and anthropological theory, the book is perfect for those looking to examine and understand life in the European Iron Age. We are so grateful to the research project titled *Paisajes rurales antiguos del Noroeste peninsular: formas de dominación romana y explotación de recursos* [Ancient rural landscapes in Northwestern Iberia: Roman dominion and resource exploitation] (HAR2015-64632-P; MINECO/FEDER), directed from the Instituto de Historia (CSIC) and also to the Fundação para a Ciência e a Tecnologia [Foundation for Science and Technology] postdoctoral project: SFRH-BPD-102407-2014.

**Media Ecologies of Literature** Susanne Bayerlipp,Ralf Haekel,Johannes Schlegel,2022-11-03 This book explores the media ecologies of literature – the ways in which a literary text is interwoven in its material, technical, performative, praxeological, affective, and discursive network and which determine how it is experienced and interpreted. Through novel approaches to the complex, contingent and interdependent environments of literature, this volume demonstrates how questions about the mediality of literature – particularly in the wake of digitization – shed a new light on our understanding of textuality, reading, platforms and reception processes. By drawing on recent developments in advanced media theory, *Media Ecologies of Literature* emphasizes the productivity of innovative re-conceptualizations of literature as a medium in its own right. In an intentionally wide historical scope, the essays engage with literary texts from the Romantic to the contemporary period, from Charlotte Smith and Oscar Wilde to A. L. Kennedy and Mark Z. Danielewski, from the traditionally printed novel to audiobooks and reading apps.

**Song of Songs** J. Cheryl Exum,2005-10-17 This original commentary foregrounds at every turn the poetic genius of the *Song of Songs*, one of the most elusive texts of the Hebrew Bible. J. Cheryl Exum locates that genius in the way the *Song* not only tells but shows its readers that love is strong as death, thereby immortalizing love, as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man. Many long-standing conundrums in the interpretation of the book are offered persuasive solutions in Exum's verse by verse exegesis. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

*Daisy's Necklace and What Came of It* Thomas Bailey Aldrich,2023-07-13 In *Daisy's Necklace and What Came of It* by Thomas Bailey Aldrich, enter a world of mystery and intrigue as the story unfolds around a captivating necklace and its unforeseen consequences. This enthralling tale follows Daisy and the fateful events that occur after she comes into possession of the necklace. As Daisy receives the necklace, she is unaware of the secrets and history it holds. The story takes readers on a journey of unexpected twists and turns as the necklace brings forth unforeseen events, intertwining the lives of different characters and leading them on an unforgettable path. Thomas Bailey Aldrich's storytelling skillfully weaves together elements of mystery, romance, and human connection. Through the necklace, readers are introduced to a cast of intriguing characters, each with their own desires, motivations, and hidden pasts. As the story unfolds, it explores themes of love, fate, and the power of objects to shape lives. Join Daisy on her journey as she unravels the mysteries surrounding the necklace and discovers the profound impact it has on those who encounter it. Prepare to be captivated by the web of relationships, emotions, and consequences that arise from the necklace's presence.

**The Necklace** Noel Chalman,2014-10-31 When 12-year-old Reese finds an old necklace at a construction site, things in his life suddenly begin to change. First he learns that the necklace is quite old and may have possibly belonged to an old explorer in colonial times, and then strange things begin to happen. First he starts having dreams that gives him an idea of who this explorer may have been, then he notices that his own personality starts to change as well as his relationship with his parents and sister, as well as his parents' relationship with each other. This culminates into the most unspeakable act of all, one that will change Reese's life forever. Through perseverance and determination he will have to navigate his way through a labyrinth of mystery to ultimately learn the true secret of the necklace.

**Daisy's Necklace** Louise Comfort,2003 Oh dear Daisy has lost her sparkly necklace. Her fairy friends ring up to suggest all sorts of places where her necklace might be... perhaps it's in the daffodils, or in the blackbird's nest, or even by the river... Where will Daisy discover her necklace? DAISY'S NECKLACE is part of a series of four phone-shaped board books. Each has a ringing sound-chip and glittery cover, and is die-cut in the shape of each fairy's particular flower. Delightfully brought to life by Louise Comfort's beautiful and delicate illustrations, little girls will love these stories of fairies and friendship.

**The Y Necklace** Karen Nolan,2016-03-19 Within this tale about nine generations of the Lockeby family, the reader travels with family members as they live in eighteenth century England, with future generations travelling to many countries but returning to a far different twenty-first century England, ultimately journeying to outback Australia. This volume of five stories (each a complete story in itself) tells of a compelling segment of the life of a family member with their familial connection to the original Lockeby written at the beginning of each new part. The story begins with the first Lockeby we meet hurrying to the bedside of his daughter, only to cause another serious accident in his haste. This series of happenings begins a chain of events, exposing how the personality of the female was sometimes twisted to deal with the laws of the time. This resulted in either a comfortable situation for the time or alternatively developed a warped environment. The stories in between the first Lockeby we meet and the last we meet tell of the effects of World War One and World War Two on the relevant personalities. As generations pass, the final saga tells the story of a Lockeby descendant giving birth to twins who were separated soon after birth by a horrendous method of deception and how that lie impacted on lives. The Lockeby gene ultimately once again leaves England but the events of a bygone era seem to be repeating themselves.

**A Sword of Truth Set: The Chainfire Trilogy** Terry Goodkind,2018-01-09 This discounted Sword of Truth ebundle includes: Chainfire, Phantom, Confessor "A tour de force of mesmerizing story-telling." -RT BookReviews Chainfire After being gravely injured in battle, Richard awakes to discover Kahlan missing. To his disbelief, no one remembers the woman he is frantically trying to find. Worse, no one believes that she really exists, or that he was ever married. Alone as never before, he must find the woman he loves more than life itself...if she is even still alive. If she was ever even real. Phantom On the day she awoke remembering nothing but her name, Kahlan Amnell became the most dangerous woman alive. For everyone else, that was the day that the world began to end. Confessor Descending into darkness, about to be overwhelmed by evil, those people still free are powerless to stop the coming dawn of a savage new world, while Richard faces the guilt of knowing that he must let it happen. Alone, he must bear the weight of a sin he dare not confess to the one person he loves...and has lost. Tor Books by Terry Goodkind The Sword of Truth Wizard's First Rule Stone of Tears Blood of the Fold Temple of the Winds Soul of the Fire Faith of the Fallen The Pillars of Creation Naked Empire Debt of Bones Chainfire Phantom Confessor The Omen Machine The First Confessor The Third Kingdom Severed Souls Warheart The Nicci Chronicles Death's Mistress Shroud of Eternity At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Necklace** Amanda Triossi,Daniela Mascetti,1997 Somewhere between jewelry and body adornment, the necklace offers perhaps the most exciting decorative possibilities of any article of personal display. What is worn around the neck cannot be ignored - unlike the more discreet charms of ear and finger decoration - and the necklace as an emblem of wealth, status and proclivity has been shaped and reshaped through the centuries by successive fashions, techniques and materials, from the Egyptian broad collar and the Celtic gold torc, to the diamond sautoirs of the 1920s and the exuberant creations of the liberated sixties. The major part of this book is devoted to the necklace in the 19th and 20th centuries, as these are the most accessible to the potential buyer and collector.
