James Otis, 2018-08-11 A District Messenger Boy and A Necktie Party: Large Print James Otis As 'a matter of course, they had seen nothing of the men, and with the feeling of freedom came the question which should have been settled the night before, - that of where they should go. I declare, I don't know what we will do, said Joe, in answer to Ned, and then he chewed a piece of straw, vigorously, as if by that means he hoped to be aided in arriving at some satisfactory conclusion. You see, the trouble is that we've got all this baggage to lug 'round, when it's about as much as we can do to get along ourselves. Why don't you leave the things somewhere? You never can find the man that owns 'em, even if you carry them all the way back to New York, said little Ned, sensibly. That's so, bub, said Joe, but all the same, you see he told me to take care of them, an' I've got to do it, or else they'll blame me at the office. Necktie Party at the Tyburn Tree Peter Netzel, 2016-12-08 Necktie Party At The Tyburn Tree is the story of the lives- and terrible endings- experienced by some of the outlaws that wreaked havoc and terror throughout the Dakotas, Montana, Wyoming, and even as far east as Ohio, in the 1880's. It chronicles the lives of Big Nose George Parrott, Dutch Charley Bures, Frank Towle, Reddy McKimie, and Sim Wan. Big Nose George Parrott is the only man in American history to become a pair of shoes after his death, and whose skull was used as an ashtray. On his way to trial, he was seized by a lynch mob. They tied Big Nose George's hands behind his back and put a noose around his neck. The mob made him stand on a barrel, and tossed a rope over the crossbar of a telegraph pole. But the rope broke and the bandit fell, begging to be shot. Instead, the lynch mob replaced the noose and made him climb a 12-foot ladder. This time, he managed to swing himself by the noose to the pole, where he clung, once again begging to be shot. The crowd of hundreds just waited until his strength gave out and he fell away, strangling to death. Dutch Charley, while being transported to his trial, was met by an angry mob that dragged him off the train and hanged him from a telegraph pole. Frank Towle was shot while robbing a stage. Reward money was being offered for murderous robbers, so Boone May found Towle's grave. He dug

it up, pulled out a large knife, and separated Towle's head from the body. May took it in a gunnysack to Cheyenne as proof of his death, and claim his reward. To this day, Frank Towle's head is separated from his body by two hundred miles. Sim Wan, who some believed, was an alias for Frank James, brother of outlaw Jesse James, met the same fate as Parrott, Burris, and Towle: he was lynched on his way to court to be tried. Reddy McKimie led the most colorful life of this group; and his ending is shrouded in mystery.
