**Pandit Jawaharlal Nehru and the Peasant Movement**, 1990 In 1930, After The Commencement Of The Salt Satyagraha, A Peasant Agitation In An Organised Manner Was Started In U.P. By Pandit Jawahar Lal Nehru, Which Provided Enormous Strength To The Civil Disobedience Movement. The Agitation Contributed In Two Ways To The Civil Disobedience Movement. In The First Place It Contributed In Creating An Awakening Among The Farmers Of India And Infused New Life Into Them. In The Second Place The Struggle, Launched By Nehru, Strengthened The C.D.M. It Was This Awakening Which Made The Farmers Fearless In Their Relations With Zamindars, Taluqdars, Police And Officials And Ultimately It Brought About A Gradual Decline In The Injustices And Cruelties Committed Against The Farmers By The Landlords And Others. It Was This Agitation Which Laid The Foundation For The Abolition Of The Zamindari System. The Present Volume Will Help In A Modest Way In Augmenting The Treasure House Of Knowledge For The Political, Social, Economic And Historical Forces Of The Times Because All Important Literature Relating To The Work, Activities And Thinking Of Pt. Nehru During The Peasant Agitation Has Been Incorporated In This Book.

**A Bunch of Old Letters** Jawaharlal (ed.), 2005 The Letters In This Volume, Written By Some Of The Leading Figures Of Our Times, Cover The Three Eventful Decades Leading Up To India S Independence In 1947. Evocative Of The Spirit Of Those Stirring Times, Many Of The Letters Are From Those Most Closely Involved In The Freedom Struggle Among Them, Mahatma Gandhi, Motilal Nehru, Subhas Chandra Bose, Muhammad Ali Jinnah, Rabindranath Tagore, Sarojini Naidu, Maulana Azad, Vallabhbhai Patel And Jayaprakash Narayan. Of Particular Interest Is The Long Correspondence Between Subhas Chandra Bose And Nehru, Which Covers The Crisis During The Tripuri Congress In 1939, And Reflects The Two Leaders Sharply Differing Views On The Mobilization Of National Resistance To British Rule. Equally Fascinating Are The Letters From Mahatma Gandhi, Which Reveal His Acute Political Instincts As Well As His Deep Humanity And His Genuine Respect For Dissent. The Letters Also Bear Testimony To Jawaharlal Nehru S Extraordinary Gift For Friendship, And The Respect And Admiration He Evoked, Both Personally And For The Cause Of Indian Independence, From World Figures As Diverse As George Bernard Shaw, Romain Rolland, Clare Boothe Luce, Edward Thompson, Chiang Kai-Shek And Bertrand Russell, Among Others. A Bunch Of Old Letters Is Essential Reading For An Understanding Of The History Of National Movement.

**Indo-US Relations, The Formative Years, 1947-1960** George Thadathil, PhD, 2022-11-12 The Russian invasion of Ukraine in February 2022 put the Indian foreign policy in a bind. The West sought the solidarity of all like-minded countries to oppose the Russian aggression in Ukraine. India, as usual, was unwilling to join either side. The European Union and the United States have been very unhappy with the Indian stand. After more than 75 years of independence, India continues to

maintain its strategic independence, although the main thrust of the US policy towards India has always been to make India an American ally; first against Chinese communism and now as a counterweight to growing military might and economic strength of China. The present work seeks to examine the tumultuous relationship between the two countries at the height of Cold War rivalries.

**Selected Works of Jawaharlal Nehru: 16 July 1952 - 18 October 1952** Jawaharlal Nehru, 1996

**Verdicts on Nehru** Ramachandra Guha, 2013-05-26 The first prime minister of free India, Jawaharlal Nehru, has been a widely adored figure across the country. However, as is the case with most public figures, there were some circles where the prime minister was unpopular, and his followers highly reviled. The vast and varied criticisms of Nehru weren't simply a matter of his personality and how he was adored by the women of the country, but rather they play with the fundamental question of whether he was a good enough prime minister for a country that was taking its first steps into existence. In *Verdicts on Nehru: The Rise and Fall of a Reputation*, Ramachandra Guha explains these instances and talks about how one can still find it difficult to be a Nehru supporter in current times. Read on to know more about what made Nehru and how the public received him in a country as wide and varied as India.

**Kashmir Storm** Ajit Chak, 2015-01-15 Will sex tourism blossom in Kashmir? Ajit Chak speaks of many mysteries in his book *Kashmir Storm*. He speaks in a muted voice about the riots of 1984. He speaks of how a leader from South India could have driven a wedge between the Gandhi family and the Nehru family in the Congress Party and how Rajiv Gandhi's security was compromised. He links Rajiv's death in South India to the downfall of the Congress in Uttar Pradesh and the rise of regional parties in the state and the breakdown of law and order there. He talks of how customs in Uttar Pradesh promote rape within marriage, how giving tee shirts and mobile phones to girls can actually increase cases of rape, and lastly he talks in detail about the Muslim politics of the nation in UP, where almost half the entire population of Muslims in the nation lives and works. The year is 2016. Sex tourism is booming in Kashmir as the state's economy has collapsed following the floods and inflow of Jihadis. Since prostitution is legal in Kashmir, there is little the police can do about it. Under Article 370, no Indian law can apply in Kashmir. The book reverses the Love Jihad theory has a Muslim heroine who goes through all kinds of risks for her paramour a Hindu lad from Noida and Delhi. The girl who has come from Pakistan to India eventually decides to move in with him and settle down as she cannot live without him. The book also skims through the plight of Kashmiri Pandits and how they were driven out of Kashmir.
