The Story of Jawaharlal Nehru Kanwar Lal,1965

Doing Time with Nehru Yin Marsh,2016-02-03 The midnight knock on the door and the disappearance of a loved one into the hands of authorities is a 20th-century horror story familiar to many destined to “live in interesting times.” Yet, some stories remain untold. Such is the account of the internment of ethnic Chinese who had settled for many years in northern India. When the Sino-Indian Border War of 1962 broke out, over 2,000 Chinese-Indians were rounded up, placed in local jails, then transported over a thousand miles away to the Deoli internment camp in the Rajasthan Desert. Born in Calcutta in 1949, and raised in Darjeeling, Yin Marsh was just thirteen years old when first her father was arrested, and then she, her grandmother and her eight-year-old brother were all taken to the Darjeeling Jail, then sent to Deoli. Ironically, Nehru – India’s first Prime Minister and the one who had authorized the mass arrests – had once “done time” in Deoli during India’s war for independence. Yin and her family were assigned to the same bungalow where Nehru had also been unjustly held. Eventually released, Marsh emigrated to America with her mother, attended college, married and raised her own family, even as the emotional trauma remained buried. When her own college-age daughter began to ask questions and when a friend’s wedding would require a return to her homeland, Yin was finally ready to face what had happened to her family. The Dynasty Jad Adams,Phillip Whitehead,1997 India, the largest democracy in the world, has for almost all its existence been ruled by the members of a single family. This biography tells of the Nehru family's 'tryst with destiny', a story of suffering and assassination that is not yet over.

Letters from a Father to His Daughter Jawaharlal Nehru,1929 A collection of letters from Jawaharlal Nehru to his young daughter, Indira Gandhi, dealing with the beginnings of the Earth, man's awareness of himself, and the history and civilizations of the ancient world.

Nehru M. J. Akbar,1988 Jawaharlal Nehru, India's first Prime Minister, was the ideological and political heir of Gandhi. Building on the Mahatma's foundations, as leader both of the Congress and of independent India from 1947, Nehru shaped the new state: his story is India's story. Born in Allahabad on 14 November 1889, Nehru was a Kashmiri Brahmin, a member of India's most aristocratic caste (ROLI)

The Dynasty Jad Adams,Philip Whitehead,1997-01-01 In August 1947, India achieved independence from British colonial rule. Now the world's largest democracy, and second largest country after China, India is growing daily in importance for global politics and economics. And yet for almost all 50 years of its independence, it has been ruled by one family -- a dynasty of Nehrus and Gandhis. Based on diaries, letters, contemporary journalistic accounts, new research and exclusive interviews with politicians, business leaders, family members and colleagues of the two families, this book traces the rise of the family from 1857 through India's independence, and on through the ill-fated reigns of Indira and Rajiv Gandhi. Story of an Era Told Without Ill-will M K K Nayar,2014-02-24 The author, M K K Nayar's impressionable childhood, schooling and university years began in early 1920s - the most turbulent period of India's independence struggle. After graduating in 1940 and spending two years in Travancore Civil Service, M K K Nayar joined the Ordnance Department of British India in Hyderabad. During this phase of his career, he risked his life more than once to bring nefarious going-ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India's national interests. In 1948, M K K Nayar joined the IAS and was involved prominently in India's national development - notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt, and by propagating modern agriculture throughout South India. His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru, illustrious civil servants like V P Menon, industrialists like J R D Tata and innumerable opinion-leaders all over India gave him a ringside view of and insider information on some of the most important and interesting episodes of Indian history until mid 1970s. !Destiny took him to Kerala in 1959 to head India's pioneer fertilizer company, The Fertilisers And Chemicals Travancore Ltd (FACT) which he developed into a multifaceted organization that grew over twenty-fold during the decade of his tenure in it. This period that ended in 1971 also found him raising Kathakali, one of the most stylized forms of mime dance-drama from a destitute existence on the fringes of Kerala's social milieu to the forefront of international recognition. Success in everything he did even outside of his vocation, from resolving political imbroglios to promoting art and literature, took him to the forefront of life in Kerala and the national capital. Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated. In that time, India lost the services of one of its ablest go-getters during what should have been his peak years. !Between June 1986 until his premature passing away in September 1987, he penned a series of articles about his life and times. It was serialized under the title of Aarodum Paribhavamillathe, Oru Kalaghattathinte Katha in the popular Malayalam weekly, Kala Kaumudi. It was later published as a book which became a big hit with Malayali readers and is printed and published even now. !M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill-will some of his experiences and the joy, pain and terrible sadness they brought him. The renowned historian, author and academician, M G S Narayan says that M K K Nayar's 'memoirs did not get the due recognition it deserved' and acknowledges it as a 'historical chronicle of pre and post independent India'. !The book has been translated into English by Gopakumar M Nair, who was an executive of FACT during a part of M K K Nayar's tenure there. Though Gopakumar is a popular amateur writer from his college days in IIT Madras, this translation named The Story of an Era, Told Without Ill-will is his first book.

Letters from a Father to His Daughter Jawaharlal Nehru,2022-11-07 This book is a memoir of Dr C. Rangarajan, an Indian economist, a former Member of Parliament, and the 19th Governor of the Reserve Bank of India. The book includes his journey as an economist and RBI Governor and brings to light some of the hidden truths surrounding India's economic history.

Jawaharlal Nehru Ambady Krishnan Damodaran,2023-06-22 Jawaharlal Nehru: A Communicator and Democratic Leader explores multiple facets of Nehru's experiments in communication as a speaker, writer and formulator of policy as a part of the Congress. In all this, we find, he is affectionately influenced by Gandhi; but, he remains himself, in his style, his attitude to socialism and secularism, his excitement about science and his urge to communicate his own anguish at the tragic divisions of the modern era as well as his hopes of a better world to the younger generation in his country. Simultaneously he discovers within himself a remarkable capacity to convey all this and much more through the written word-articles, dispatches, addresses and, most of all, books. With a Foreword by Rudrangshu Mukherjee for this reissue, this book addresses a dimension of the personality of the first prime minister of India which still does not receive adequate attention. How a shy, if not inarticulate, public speaker became the destiny of the millions is an exciting story. In studying Nehru as an effective communicator, other facets of his interaction with people-his peers, his critics and his friends all over the world necessarily come into the ambit of this work; most important of all is relationship with Gandhi. This book therefore, ventures beyond communication to narrate the whole story of his evolution as a political activist, later to be crowned with success as a major statesman of the twentieth century.

An Autobiography Jawaharlal Nehru,2004 Through All Its Details There Runs A Deep Current Of Humanity Which Overpasses The Tangles Of Facts And Leads Us To The Person Who Is Greater Than His Deeds And Truer Than His Surroundings.' Through This Narrative, Written With Extraordinary Eloquence And Honesty, And Illuminated With Vibrant Descriptions Of Mahatma Gandhi And Other Leaders Of The National Movement, Emerges The Portrait Of The Author Himself A Complex And Introspective Personality With A Brilliant And Questing Mind, A Deep Love Of Nature, An Engaging Zest For Life And, Above All, A Passionate Commitment To Democracy And Secularism.
