A Redhead for Mike Shayne Brett Halliday,2015-10-13 A warehouse robbery pulls Mike Shayne into a daring international conspiracy It's been years since Mike Shayne last subjected himself to a stakeout. Miami's most infamous private detective simply doesn't have time to waste sitting in a car, drinking cold coffee and waiting for excitement that will never come. But the Acme Bonding Company is one of his oldest clients, and when his stand-in falls through, he's obliged to keep watch himself. A string of warehouse robberies, timed to coincide with hurricanes, has put Miami's business community on the alert. So when a tropical storm closes in, Acme asks Shayne to keep a lookout for burglars. He waits with his pistol in hand. The burglars enter the warehouse quietly, like professionals, but Shayne still sees them coming—and his trigger finger is itchy. A shootout leaves 1 burglar dead and the others on the lam. But when he searches the city for the rest of the gang, Shayne finds that Miami is about to get hit by something far deadlier than a tropical storm. **A Redhead for Mike Shayne** is the 47th book in the Mike Shayne Mysteries, but you may enjoy reading the series in any order.

The Great Sea Island Storm of 1893 Bill Marscher,Fran Marscher,2004 **The Great Sea Island Storm of 1893** details human courage and perseverance in the face of the second most fatal hurricane in US history.

Storms of Silence Joe Simpson,1996 Joe Simpson recounts his experiences as a mountain climber in the Himalayas, offering his insights into the

perplexing nature of aggression and violence -- in himself, others, and society.

Geraldine's Big Snow Holly Keller,1998-10 Geraldine can't wait for the snow to come so that she can coast down the hill on her sled.

Sweetwater, Storms, and Spirits Victoria Brehm,1991-05-31

Official Gazette of the United States Patent and Trademark Office ,2000

Howell's Storm Jim Leeke,2019-04-02 More than half a century ago, New York City felt the increasing effects of drought, which lasted throughout 1949 and into 1950. By February, the desperate city had to try something different. Mayor William O'Dwyer hired a municipal rainmaker. Dr. Wallace E. Howell was an inspired choice. The handsome, 35-year-old Harvard-educated meteorologist was the ideal scientist—soft-spoken, modest and articulate. No fast-talking prairie huckster, he took credit for nothing he couldn't prove with sound empirical data. Howell's meticulous nature often baffled jaded New Yorkers. Over the next year, his leadership of a small ground and air armada, and his unprecedented scientific campaign to replenish the city's Catskills reservoirs, captured the imagination of the world. New York's cloud-seeding and rainmaking efforts would remain the stuff of legends—and controversy—for decades.This is the first in-depth look at New York City's only official rainmaker—an unintentional celebrity, dedicated scientist and climate entrepreneur, whose activities stirred up controversy among government officials, meteorologists, theologians, farmers and resort owners alike.

Motion Picture News ,1911

The Wall of Storms Ken Liu,2016-10-04 One of the Time 100 Best Fantasy Books Of All Time In the much-anticipated sequel to the “magnificent fantasy epic” (NPR) *Grace of Kings*, Emperor Kuni Garu is faced with the invasion of an invincible army in his kingdom and must quickly find a way to defeat the intruders. Kuni Garu, now known as Emperor Ragin, runs the archipelago kingdom of Dara, but struggles to maintain progress while serving the demands of the people and his vision. Then an unexpected invading force from the Lyucu empire in the far distant west comes to the shores of Dara—and chaos results. But Emperor Kuni cannot go and lead his kingdom against the threat himself with his recently healed empire fraying at the seams, so he sends the only people he trusts to be Dara’s savvy and cunning hopes against the invincible invaders: his children, now grown and ready to make their mark on history.

World Almanac and Encyclopedia ,1917

The World Almanac and Book of Facts ,1919 Lists news events, population figures, and miscellaneous data of an historic, economic, scientific and social nature.

The Storms Below Paul Stuewe,1988-01-01 Hugh Garner was a hard-drinking, opinionated tough guy who fought with editors, publishers and everyone else he considered part of the Establishment. Yet beneath this brash, angry exterior, Garner was a writer of sensitive short stories and a novel, Cabbagetown, that has become a Canadian classic. Garner's stories were drawn from his own rough, adventurous life, a life portrayed in all its wildness and pathos in *The Storms Below*. From an impoverished childhood in Toronto's working-class Cabbagetown to his time riding the rails in the Depression, from the Spanish Civil War to the Royal Canadian Navy, from youthful radicalism to cantakerous, middle-aged conservatism, Paul Stuewe chronicles the many passages of Garner's controversial career. A definitive biography of a unique Canadian writer, drawing on extensive interviews with Garner's family, friends and colleagues, *The Storms Below* has the excitement and emotional impact of a good novel.

Fuel your quest for knowledge with is thought-provoking masterpiece, **News Paper Craft&sortm** .
