

Nice

Jay Mathews

The Nice Book David Ezra Stein,2008 Monkeys, mice, snakes, cats, and many other animals demonstrate how to act towards others.

Nice Sharon Hodde Miller,2019-08-20 God never called us to be nice. What happens when we replace courage with compromise? What happens when we replace honesty with likability? What happens when we replace conviction with clichés? What happens when we replace discipleship to Christ with a devotion to nice? We live in a culture that prizes niceness as one of its highest virtues. Niceness keeps the peace, wins friends, gains influence, and serves our reputations well, but it also takes the teeth out of our witness and the power out of our faith. When we choose to be nice instead of faithful, we bear fruits that are bland, bitter, empty, and rotten to the core. In this life-changing book, Sharon Hodde Miller explores the seemingly innocent idol that has crept into our faith and quietly corrupted it, producing the bad fruits of cowardice, inauthenticity, shallowness, and more. Then she challenges readers to cultivate a better tree, providing practical steps to reclaim our credibility as followers of Christ, and bear better, richer, more life-giving fruits.

Nice Guys Can Get the Corner Office Russ C. Edelman,Timothy R. Hiltabiddle,Charles C. Manz,2008-07-31 How to succeed without being an SOB—or a pushover Many people suffer from Nice Guy Syndrome, held back from higher levels of success by being too selfless at work. It’s a tricky problem, because if you start to think that being nice is bad, it’s easy to overcompensate with selfishness, intimidation, and intense aggression. The founders of Nice Guy Strategies teach that nice is not about being weak or soft—that you can hang on to your morals, compassion, and sincerity and still get ahead. The key is to draw on eight practical strategies— The Nice Guy Bill of Rights—that will help you find the right balance. Each chapter shares insights and stories from both ordinary nice guys and celebrity executives.

The Book of Nice Josh Chetwynd,2013-04-16 Nice is the secret ingredient to a better life. It makes us happy. It may even be what makes us civilized—when we say thank you, shake hands, send flowers, we’re doing the nice things that bring people together. ?A compulsive and chunky book for lovers of trivia, popular history, customs, and culture—and a perfect gift to say “you’re nice”—The Book of Nice is an entertaining, quirky compendium of those signs, traditions, and expressions that we so often take for granted, yet turn out to be quite fascinating. It’s about why we cover a yawn (originally to prevent evil spirits from entering our bodies, now to hide the impression that something’s boring us). About holiday traditions—it’s thanks to Guy Lombardo’s December 31 broadcast in 1929 that we now sing “Auld Lang Syne” on New Year’s Eve. About customary offerings—the wedding cake evolved out of the Roman use of wheat as a symbol of fertility (and it’s much tastier than bits of grain). And about those simple yet essential niceties—how Thomas Edison championed an obscure term, “hello” (if Alexander Graham Bell had gotten his way, we’d all be saying “ahoy”). Why not put a little nice in your day?

The Power of Nice Linda Kaplan Thaler,Robin Koval,2006-09-19 Linda Kaplan Thaler and Robin Koval have moved to the top of the advertising industry by following a simple but powerful philosophy: it pays to be nice. Where so many companies encourage a dog eat dog mentality, the Kaplan Thaler Group has succeeded through chocolate and flowers. In THE POWER OF NICE, through their own experiences and the stories of other people and businesses, they demonstrate why, contrary to conventional wisdom, nice people finish first. Turning the well-known adage of “Nice Guys Finish Last” on its ear, THE POWER OF NICE shows that “nice” companies have lower employee turnover, lower recruitment costs, and higher productivity. Nice people live longer, are healthier, and make more money. In today’s interconnected world, companies and people with a reputation for cooperation and fair play forge the kind of relationships that lead to bigger and better opportunities, both in business and in life. But being nice doesn’t mean acting wimpy. In fact, nice may be the toughest four-letter word you’ll ever encounter. Kaplan Thaler and Koval illustrate the surprising power of nice with an array of real-life examples from the business arena as well as from their personal lives. Most important, they present a plan of action covering everything from creating a positive impression to sweetening the pot to turning enemies into allies. Filled with inspiration and suggestions on how to supercharge your career and expand your reach in the workplace, THE POWER OF NICE will transform how you live and work.

Not Nice Aziz Gazipura,2017 Are You Too Nice?If you find it hard to be assertive, directly ask for what you want, or say no to others, then you just might be suffering from too much niceness.In this controversial book, world-renowned confidence expert, Dr. Aziz Gazipura, takes an incisive look at the concept of nice. Through his typical style, Dr. Aziz uses engaging stories, humor, and disarming vulnerability to cut through the nice conditioning and liberate the most bold, expressive, authentic version of you. You'll discover how to: => Easily say no when you want to and need to.=> Confidently and effectively ask for what you want.=> Speak up more freely in all your relationships.=> Eliminate feelings of guilt, anxiety, and worry about what others will think.

Sometimes It's Hard to Be Nice Maggie C. Rudd,2021-03-23 What does it mean to be nice? Some days it takes practice, or even courage. Sometimes being nice means being patient with your little brother who doesn't know how to treat your favorite things. Being nice can mean going to your sister’s boring dance recital. Or tasting a tuna noodle casserole your grandma made—when you can’t stand tuna noodle casserole. Being nice takes practice, and that’s okay. You just keep trying, and soon you discover how GREAT it feels...to be nice!

Nice Bike Mark Scharenbroich,2012-10-30 Nice Bike is a collection of stories based on making meaningful connections with others in both your work and in your life. It's about being a part of a community, knowing that contributions matter and experiencing a greater affiliation with others. The premise begins at the 2003 Harley-Davidson Motorcycle company's 100 year anniversary celebration. Thousands and thousands of bikers throughout the world attended the event. As a Harley owner stood proudly by his bike at that event, what two words from a passerby would have made their weekend? Nice Bike. Nice Bike is more than a casual compliment. It's the engine that is fueled with the three actions of acknowledging, honoring and connecting with others. Nice Bike can help you with your daily interactions, create more meaningful relationships and add more joy in your journey on the road of life. When you have a better understanding of how to make meaningful connections, you can live a life filled with a greater sense of self worth and accomplishment in your work and in your life. Acknowledge, honor, and connect and you will change the world, one person at a time.

Work Hard. Be Nice. Jay Mathews,2009-01-20 When Mike Feinberg and Dave Levin signed up for Teach for America right after college and found themselves utter failures in the classroom, they vowed to remake themselves into superior educators. They did that—and more. In their early twenties, by sheer force of talent and determination never to take no for an answer, they created a wildly successful fifth-grade experience that would grow into the Knowledge Is Power Program (KIPP), which today includes sixty-six schools in nineteen states and the District of Columbia. KIPP schools incorporate what Feinberg and Levin learned from America's best, most charismatic teachers: lessons need to be lively; school days need to be longer (the KIPP day is nine and a half hours); the completion of homework has to be sacrosanct (KIPP teachers are available by telephone day and night). Chants, songs, and slogans such as Work hard, be nice energize the program. Illuminating the ups and downs of the KIPP founders and their students, Mathews gives us something quite rare: a hopeful book about education.

Make It Nice Dorinda Medley,2022-05-24 The Real Housewives of New York City alumna Dorinda Medley takes fans inside her roller coaster life and iconic Blue Stone Manor to share how they, too, can Make It Nice--

Playing Nice JP Delaney,2020-07-28 What if you found out that your family isn’t yours at all? How far would you go to protect them? A gripping new psychological thriller from the bestselling author of The Girl Before. . . . “[JP] Delaney takes domestic suspense beyond its comfort zone.”—Marilyn Stasio, The New York Times Book Review Pete Riley answers the door one morning and lets in a parent’s worst nightmare. On his doorstep is Miles Lambert, a stranger who breaks the devastating news that Pete’s son, Theo, isn’t actually his son—he is the Lamberts’, switched at birth by an understaffed hospital while their real son was sent home with Miles and his wife, Lucy. For Pete, his partner Maddie, and the little boy they’ve been raising for the past two years, life will never be the same again. The two families, reeling from the shock, take comfort in shared good intentions, eagerly entwining their very different lives in the hope of becoming one unconventional modern family. But a plan to sue the hospital triggers an official investigation that unearths some

disturbing questions about the night their children were switched. How much can they trust the other parents—or even each other? What secrets are hidden behind the Lamberts’ glossy front door? Stretched to the breaking point, Pete and Maddie discover they will each stop at nothing to keep their family safe. They are done playing nice.

Be Cool Be Nice The Be Cool Be Nice Movement,2017-10-17 Be Cool Be Nice® (BCBN) is not just a book . . . it is mandatory reading for boys and girls, men and women, and anyone with a smartphone. Be Cool Be Nice launched with Kendall Jenner and Willow Smith on the covers of Garage magazine and an unprecedented Snapchat collaboration. Be Cool Be Nice beautifully advocates kindness, good manners and civility, and encourages us all to interact and use social media in a positive way so we 'check it before we wreck it.' “I aim to treat others as I want to be treated.” –Kendall Jenner on the Be Cool Be Nice campaign The official Be Cool Be Nice book is for people who: Deal with drama Have experienced bullying Have experienced selfie addiction Have experienced Chronic Bad Attitude Syndrome (CBAS) Have goals (squad or otherwise) Part journal, part interactive manual, and part friend, Be Cool Be Nice is as beneficial as it is beautiful. Sharing values that will last a lifetime, this book bridges the gap between adult and child and conveys a timeless message through its beautiful artwork, motivational advice, and positive affirmations. Its clever activity pages encourage the reader to reflect and learn, and the illustrations, stickers, and postcards are the work of design icons including Burberry, Marc Jacobs, Marc Newson, Pat McGrath, DSquared2 and so many more. This book is a starter pack for a positive online life.

Very Nice Marcy Dermansky,2019-07-02 “A juicy tale of bad behavior.... Very Nice gets pretty mean—but gloriously so.” —Entertainment Weekly Rachel Klein never meant to kiss her creative writing professor, but with his long eyelashes, his silky hair, and the sad, beautiful life he laid bare on Twitter, she does, and the kiss is very nice. Zahid Azzam never planned to become a houseguest in his student’s sprawling Connecticut home, but with the sparkling swimming pool, the endless supply of Whole Foods strawberries, and Rachel’s beautiful mother, he does, and the home is very nice. Becca Klein never thought she’d have a love affair so soon after her divorce, but when her daughter’s professor walks into her home, bringing with him an apricot standard poodle named Princess, she does, and the affair is ... a very bad idea. Zigzagging between the rarefied circles of Manhattan investment banking, the achingly self-serious MFA programs of the Midwest, and the private bedrooms of Connecticut, Very Nice is an audacious, addictive, and wickedly smart take on the way we live now.

Don Nice Samuel Dorsky Museum of Art,2005-04-22 Paintings by contemporary American realist Don Nice, with emphasis on recent works relating to the Hudson Valley.

Nice Is Better Than Pretty John A. Lapointe,2005-05

Nice Girls Finish Fat Karen R. Koenig,2009-05-21 From a therapist and expert in emotional eating, the first book to explore the link between weight gain and women who do too much, complete with proven techniques for dropping pounds. Many women put too much on their plates, both literally and figuratively. In *Nice Girls Finish Fat*, psychotherapist Karen R. Koenig explains the link between the two and gives overweight women detailed advice on how to lose their extra baggage—both emotional and physical—by becoming more assertive in every aspect of life. For the millions of overweight women in America, diet and exercise just aren’t cutting it. That’s because many of these women have emotional issues buried deep beneath those stubborn pounds, issues that must be dealt with first if weight loss plans are to succeed. In this illuminating book, based on decades of professional experience, Karen Koenig offers on-the-page psychotherapy to help readers attack the roots of their food problems. With her engaging personal style, she teaches women about the biological connections between repressed emotions and eating, revealing the ways many women use food to stuff their anger, control their aggression, and assuage their feelings of guilt—all in the pursuit of being “nice.” Giving “good girls” permission to love themselves first, Koenig offers thought-provoking quizzes and questions to help readers identify and overcome the habits that have been holding them back. Empowering readers to gain the confidence they need to lose weight, *Nice Girls Finish Fat* not only shows women how to stop obsessing about food and develop healthy eating habits, it teaches readers skills to improve every aspect of their lives.

Nice and Vicious Mere Rain,2022-12-17 Nice lived for Fritz, until Fritz dumped him just before the holidays. Nice is convinced Fritz doesn’t really love his new boyfriend. He’ll do anything to get Fritz back -- even pretend to date Fritz’s hated rival, Visho. When Fritz sees Nice with Visho, he’s sure to be jealous. Right? This plan sounded better in Nice’s head than it does when he’s explaining it to a very hot, very sarcastic stranger. Visho lives for his career. He doesn’t have time for romance. How did that incompetent Fritz end up with both the promotion and the boyfriend? At least Visho can get a little revenge by pretending to date Fritz’s adorable ex -- even if sweet, easy-going Nice is the opposite of Visho’s type. Visho likes edgier guys, guys who push back when he gives them a hard time. Not men who are so ... Nice. Nice and Visho both know what they want, and it’s not each other. Absolutely not. Definitely no. Probably ...

Let's Make Nice Cream Mari Bolte,2022-08-15 Nice cream is the perfect mixture of solid, liquid, and gas. And it starts with only one ingredient—frozen bananas! Learn how to make your own nice cream with mix-ins such as nuts, fruit, or candy pieces. Eat it by the scoop, cone, or cup! Includes a glossary, list of sources for further reading, and a recipe with step-by-step instructions.

The Book of Nice Josh Chetwynd,2013-01-01 Nice is the secret ingredient to a better life. It makes us happy. It may even be what makes us civilized—when we say thank you, shake hands, send flowers, we're doing the nice things that bring people together. ?A compulsive and chunky book for lovers of trivia, popular history, customs, and culture—and a perfect gift to say “You're nice!” The Book of Nice is an entertaining, quirky compendium of those signs, traditions, and expressions that we so often take for granted, yet turn out to be quite fascinating. It's about why we cover a yawn (originally to prevent evil spirits from entering our bodies, now to hide the impression that something's boring us). About holiday traditions—It's thanks to Guy Lombardo's December 31 broadcast in 1929 that we now sing “Auld Lang Syne” on New Year's Eve. About customary offerings—the wedding cake evolved out of the Roman use of wheat as a symbol of fertility (and it's much tastier than bits of grain). And about those simple yet essential niceties—how Thomas Edison championed an obscure term, “hello” (if Alexander Graham Bell had gotten his way, we'd all be saying “ahoy”). Why not put a little nice in your day?

The Treaty of Nice and Beyond Mads Andenas,John Usher,2003-11-07 Designed to succeed previous books on the Maastricht and Amsterdam treaties,this new work includes contributions from leading EU lawyers assessing the Nice Treaty and the Post-Nice process, which is rapidly developing in the lead-up to the next Intergovernmental conference. The book's central theme is the discussion of a European Constitution and European Constitutionalism. The new constitutional balance after institutional reform, the Luxembourg courts after Nice, the future of the three pillar Treaty structure and the Human Rights charter are the other main topics. Among the contributors are the editors, Professor Stephen Weatherill (Oxford), Professor Noreen Burrows (Glasgow), Professor Jürgen Schwarze (Freiburg), Professor Paul Craig (Oxford), Professor Jo Shaw (Manchester) Steve Peers (Essex) Professor Piet Eeckhout (King's College, London) and Professor Alan Dashwood (Cambridge).
