Dr. Fry's Word Sorts: Working with Onsets and Rimes Edward Fry,2003-08-08

Bridge the gap between phonemic awareness and beginning phonics! Pre-readers and beginning readers practice letter and phoneme recognition by cutting out word or picture cards and sorting them according to each lesson's focus. Activities require very little reading ability.

Night Lamp Jack Vance,1998-02-15 The story of a young man's quest to discover the secret of his own origin, hidden by his adoptive parents and lost with their untimely death, *Night Lamp* features exotic settings, interesting characters, and classic Vance storytelling charm.

A Friday Night Lights Companion Leah Wilson,2011-08-02 Called one of the best shows on TV by more than a dozen media publications, including Time and Entertainment Weekly, *Friday Night Lights* is not just one of the most critically acclaimed shows on air, it's also one of the most watchable. Despite its focus on high school football, its masterfully crafted characters and honestly portrayed relationships make its portrait of small town Texas life compelling and relatable in ways that have nothing to do with field goals or touchdowns. Love, Loss, and Dillon Football: *A Friday Night Lights Companion* explores the victories and pitfalls of Dillon, Texas – both the town itself and those who live and love there. Because *Friday Night Lights* is so much more than just a teenage football drama: it's about the

struggle to not get trapped in the circumstances one is born into. It's about love, it's about loss, and, yes, it's even about football.

Night Light Terri Blackstock,2009-05-18 Book 2 in a masterful what-if series in which global catastrophe puts a family's very survival at risk—and both reveals the darkness in human hearts and lights the way to restoration. Survival has become a lifestyle, and technology is a thing of the past as the Branning family learns that the power outage is worldwide. Everyone is desperate. When two young thieves break into the Brannings' home and clean out the food in their pantry, Jeff Branning tracks them to a filthy apartment and discovers a family of children living alone, stealing to stay alive. Where is their mother? The search for answers uncovers a trail of desperation and murder . . . and for the Brannings, a powerful new purpose that can transform their entire community—and above all, themselves. But how will they do what's right when so much is going wrong? New York Times bestselling suspense author Terri Blackstock weaves a masterful what-if novel in which global catastrophe reveals the darkness in human hearts—and lights the way to restoration for a self-centered world. Full-length suspense The Restoration series: Book 1: Last Light Book 2: Night Light Book 3: True Light Book 4: Dawn's Light Includes a note from the author and discussion questions for book clubs

Night Lights Sarah Epstein,2022-09-30 A remote cabin. A family on edge. They are not alone. It was meant to be a family bonding exercise: two weeks in a mountain cabin on the outskirts of a former gold-mining town. These days, Wooralla's only claim to fame is a retro diner called The Flying Saucer and a dusty museum dedicated to the area's history of UFO sightings. Owen knows it's all bogus, but at least it gives him something to do. Half a day into their holiday, Owen's family is already bickering. By day two, his little sister is sick. On the third night, they witness peculiar lights in the sky. By day nine they are fleeing, too panicked to grab their phones, belongings, even the family dog. Owen doesn't know what they're running from, he only knows he needs to keep his little sister safe. But how can he tell anyone about his dad's erratic behaviour? Weird howling from deep in the bush? Strange entities hiding in the trees? How does he explain what was real and what wasn't when he doesn't even know himself? In Owen's search for answers, nothing is as it seems. And what he'll uncover is beyond anything he imagined. YA thriller for teens aged 13+
