**Koh-i-Noor** William Dalrymple,Anita Anand,2017-09-12 From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself.

**Happily Ever Hereafter** ,2017-10-15 “Nobody can live forever. Allah (SWT) created us and gives us life, and Allah will decide when to end our lives and take us back to Him (2:156). Naturally, we might fear the time when loved ones will pass away, and we also might worry about when our own time will come. But our faith tells us about death and teaches us what we must do to prepare for the hereafter. In this book, we teach two key lessons. In the first story, “Life Goes On,” Amira’s parents explain that they can’t and won’t always be with her, but that Allah (SWT) always is and will always continue to take care of her. Not only that, a person’s life doesn’t stop with death; rather, it is a transition from one world to another. Therefore, while it’s expected to miss the one who passed away, we should take solace in the fact that, “The hereafter is better and more lasting” (87:17). The second story is about preparing ourselves for the hereafter. Our belief in Qiyamah, the Day of Judgement, fundamentally changes how we live our lives. We didn’t come into this world simply to go to school, get a job, have a family, and then die. Allah (SWT) tells us that He created death and life as a test to see who is the best in deeds (67:2). We must try to perform the best of deeds such that we become good human beings in the eyes of God, before our time on earth is up. Good deeds are like bricks, which we can use to build our house in paradise, our ultimate destination, insha’Allah. The second story, “A Home in the Hereafter,” conveys this lesson through Haroon Uncle’s example, as he role models what it means to live a life for the next.”—Provided by publisher.

**Noor's Story** Noor Ebrahim,2009

Not Now, Noor! Farhana Islam,2023-03-16 Noor loves her mum, and all the other hijabi women in her family, but wonders why do they wear headscarves? Is it so they can hide snacks for later? Or because they're a super spy and hiding their secret identity? Full of curiosity, Noor sets out to find her answer, but her family are all busy and have no time to answer this important question. Just as Noor is ready to give up on her quest, her Ammu arrives home and knows just the thing to say. This heart-warming yet funny tale is a celebration of Muslim women, curious children, and family love.

*Beautifully Me* Nabela Noor,2021-09-14 From designer, creator, and self-love advocate Nabela Noor (@Nabela) comes a much-needed picture book about loving yourself just as you are. Meet Zubi: a joyful Bangladeshi girl excited about her first day of school. But when Zubi sees her mother frowning in the mirror and talking about being “too big,” she starts to worry about her own body and how she looks. As her day goes on, she hears more and more people being critical of each other’s and their own bodies, until her outburst over dinner leads her family to see what they’ve been doing wrong—and to help Zubi see that we can all make the world a more beautiful place by being beautifully ourselves.

*yesterday i was the moon* Noor Unnahr,2018-03-27 Noor Unnahr is a young female voice with power and depth. The Pakistani poet's moving, personal work collects and makes sense of the phases of collapsing and rebuilding one's self on the treacherous modern path from teenager to adult. Tinged with the heartbreak of a broken home and the complexity of a rich cultural background, yesterday i was the moon stands out from the Insta-poetry crowd as a collection worth keeping. yesterday i was the moon centers around themes of love and emotional loss, the catharsis of creating art, and the struggle to find one's voice. Noor's poetry ranges from succinct universal truths to flowery prose exploring her heritage, what it means to find a physical and emotional home, and the intimate and painful dance of self-discovery. Her poetry and art has already inspired thousands of fans on Instagram to engage with her words through visual journal entries and posts of their own, and her fan base only continues to grow.

**The Beast of Noor** Janet Lee Carey,2011-10-04 Fifteen-year-old Miles Ferrell uses the rare and special gift he is given to break the curse of the Shriker, a murderous creature reportedly brought to Shalem Wood by his family's clan centuries before.

**DEAR GOD. DEAR BONES. DEAR YELLOW.** Noor Hindi,2022-05-31 What is political poetry? How does history become lived experience? What does it mean to bear witness through writing? Noor Hindi’s poems explore colonialism, religion, patriarchy and everything in between with sharp wit and innovative precision. Layered to reflect the intersections of her identity, while constantly interrogating this identity itself, her writing combines lyrical beauty with political urgency. This collection is ultimately a provocation—on trauma, on art, on what it takes to change the world.

*In the Hands of the Refiner* Noor Ellias,2008-11-26 The author vividly describes her first encounter with a new culture when, at the age of twelve, she and her mother go for an extended visit to Lebanon. Noor is introduced to the rest of her family, and during that time, attends school in Beirut. This gives her the opportunity not only to study Arabic but also to build relationships and gain an understanding for the culture and heritage she has only heard about. Noor's personal story begins to take shape ten years later after she and her parents leave America permanently to live in the land of their roots. Her many humorous encounters with the Lebanese reveal the wit, vitality, and vigor of a people too often caught in the middle of other people's wars. As she walks you through her very moving and thrilling story, she also reveals the things that life but most of all, God has taught her. Noor's earnest hope is that her journey will inspire many to dispel all fear and take a step of faith toward fulfilling their dreams regardless of the circumstances. For with God, all things are possible.

**Noor** Sorayya Khan,2006 Sorayya Khan's debut novel is a powerful and poignant story of memory, family, tragedy, and forgiveness. Set in modern-day Islambad, Pakistan, the book depicts an extraordinary child who enables her mother, Sajida, and her grandfather, Ali, to confront the pasts they have chosen to suppress. Through Noor's artwork, her family members are transported through their haunted memories of the 1970 cyclone that claimed the lives of a million people and the violent atrocities of the 1971 conflict between East and West Pakistan that eventually created the independent country of Bangladesh. As Noor's drawings bring to life sights, sounds, smells, and sensations from the past, her family is forced to admit of the betrayals and disillusionments that they thought had been buried with time. Moving, heartbreaking, and unsettling by turns, Noor is a novel about the horrors of war, the power of forgiveness, and, most important, the strength of the human spirit.

**Noor** Brahmachari Prahladanand,2020-12-02 What games does luck play ? Luck is very different from our thinking. The story of Noor is in this book.  
*Noor* Milton C. Toby,2012-09-04 While Seabiscuit is perhaps the best-known Thoroughbred in history, Charles S. Howard owned another remarkable racehorse that should never be forgotten. Irish-bred Noor dominated the 1950 racing season, setting world records in victories over Citation and winning the Hollywood Gold Cup by defeating a Triple Crown winner, the Horse of the Year and the previous year's Kentucky Derby winner. Sadly, that fame faded as he failed to sire champions, and Noor was buried in an unmarked grave in Northern California decades later. Veteran turf writer Milt Toby recounts Noor's colorful career and the inspiring story of racing enthusiast Charlotte Farmer's personal mission to exhume the Thoroughbred's remains for reburial in central Kentucky years after the horse was inducted into the hall of fame.

*Noor Jahan* LAILA MAHAJAN,1971-04-01 Born a poor refugee, Meher was blessed with both spirit and talent. She could ride horseback and design fine clothes. She could lead armies to victory and yet be a doting wife. She could attend to the problems of a vast empire and at the same time be blissfully happy making perfumes. Emperor Jahangir fell under her spell and aptly named her Noor Jahan, for she lit up his world with her love.
