Jennifer Storm

Into the Storm Susan Fanetti,2014

My Storm Jennifer Pinson,2018-04-17 I was in an unhealthy relationship with my ex-husband. I have seen and been through a lot. I have shed tears and endured pain. But as my faith in God got stronger, so did I. I finally had the strength to leave and not look back. It was hard at first, but with prayer and faith, I came out stronger than ever.

Out of the Storm M. Saverio Clemente,2016-08-30 When an unexpected snow storm forces Thomas Fontane--a chain-smoking, scotch-drinking, stubborn old man--to open his cramped San Fernando Valley apartment to porn star Kitty St. Clare, he is surprised to find himself empathizing with her experiences of suffering, loss, guilt, and grief. Out of the Storm revolves around the lives of two people who seem to have little in common. But though they come from very different worlds--Fontane is a widower, sensitive, and well-read, St. Clare is a popular adult film star whose main goal in life is to numb the pain of her tragic childhood--each finds in the other a shared humanity. Good fiction can be measured by how successfully it has resisted the temptation of being didactic rather than do what all good literature does: tell a story. Not only does Clemente avoid this trap, he does so in a way that reveals the truth-telling power of fiction.Out of the Stormstarts where all good Christian thinking starts, not with morality or a list of do's and don'ts, but with suffering, human fragility, beauty, and the body. --John Panteleimon Manoussakis, College of the Holy Cross Clemente's powerful debut novel compels us to rethink our conceptions of the erotic and reminds us that real love is often found in shared woundedness. The understanding of sexuality offered by

our increasingly virtual world is frequently rapid and reductive. More and more, we find ourselves alienated from our bodies and from one another. If we want to recapture the mystery of sex, we should start with good literature. --Richard Kearney, author of *Sam's Fall* and *Walking at Sea Level*; Seelig Chair of Philosophy, Boston College With measured prose and remarkable pathos, *Out of the Storm* captures the pain and despair--but also the promise--that reside at the heart of every human life. This book journeys into the depths of skepticism in order to provide the reader a necessary reminder that, amidst life's unavoidable ugliness and imperfections, there is also great beauty. --Scott Reznick, English Department, Boston College *Out of the Storm* is a compassionate tale and well worth reading. I found myself quite moved by the climactic encounter between the two main characters--an aging widower and an adult movie actress. The author's deft ear for the sad circumstances of these American lives proves no obstacle to the shrewdness of his wit. A promising debut. --Lee Oser, author of *Out of What Chaos* and *The Oracles Fell Silent* M. Saverio Clemente is a husband and father of two. He lives in Massachusetts where he writes, studies, and teaches philosophy.

Overture B. R. Storm, 2020-05-05 Collin Quinn has grown desensitized by the ebbs and flows of a normal life, until a horrific event thrusts him into a magical society known as Veil. Desperate circumstances allow him to study magic as an evil grows stronger each day. Regrettably, Collin and his companions find themselves in a peril that may have already been predetermined.

Servants of the Storm Delilah S. Dawson, 2014-08-05 "An urban fantasy that could rival some of Holly Black's most imaginative and creepy fare" (BCCB). A year ago, Hurricane Josephine swept through

Savannah, Georgia, leaving behind nothing but death and destruction—and taking the life of Dovey’s best friend, Carly. Since that night, Dovey has been in a medicated haze, numb to everything around her. But recently she’s started to believe she’s seeing things that can’t be real—including Carly at their favorite café. Determined to learn the truth, Dovey stops taking her pills. And the world that opens up to her is unlike anything she could have imagined. As Dovey slips deeper into the shadowy corners of Savannah—where the dark and horrifying secrets lurk—she learns that the storm that destroyed her city and stole her friend was much more than a force of nature. And now the sinister beings truly responsible are out to finish what they started.

Storm Shadows Kenneth W. Cain, 2021-11-12 “Full of dark tunnels, attic rooms, and creepy toys, Cain’s *Storm Shadows* is a tale crept in from your childhood nightmares. Unsettling and atmospheric, you’ll want to sleep with the lights on.” — Lee Murray, author of *Grotesque: Monster Stories* Upon moving to the Midwest, Juanita “Nita” Luisa Mendez explores her family’s new home and stumbles upon a stuffed gorilla, locked away in a unique attic. When the stuffed gorilla begins to haunt her nightly, desperation fills her. Not only is she attending a new school, but she’s now overtired, and that catches the eye of a group of bullies who torment her. If it were just a stuffed gorilla and a few bullies, maybe Nita could overcome her adversities; but soon the horrific shadow people come after her, and Nita is caught up in a whirlwind of terror. Nita befriends a boy named Bobby, and together they explore a strange blue light in Nita’s attic. By accident, the two teenagers find themselves transported into a parallel world inhabited by an entity called Shade, who feeds on shadows and can also control them within earthly vessels like the stuffed gorilla.

Running from Shade, they come across all forms of bewildering flora and fauna, some of which can aid them in their quest to get back home safely. But it isn't until they run into Spark, one of the beings who originally called Shade's realm home, that they learn the true nature of this strange place. "Prepare to be surprised that this book isn't quite the haunted house book you may be expecting at first. In fact, abandon all expectation and enjoy the thrilling journey that Cain provides in this short, but impactful story! Creepy toys, malevolent shadows, and distant worlds await!" — Somer Canon, author of *A Fresh Start* and *The Hag Witch of Tripp Creek*

STORM Olivia Rigal, 2022-07-23 Tornado Warning Now that Brian "Ice" Hatcher is the new President of the Iron Tornadoes he's done waiting for Lisa to pick a side. Ice has known Lisa forever, he's wanted her almost as long. Sexy, smart, and curvy, she's the perfect yin to his yang. He's given her all the time in the world—three years of law school and then some—to figure out what she really wants. Him, or her career with the state? She needs to decide and unless she picks him, they are done. But Lisa doesn't want to chose. She wants its all: the man and the career. Can she pull it off or will she lose it all? Storm Advisory Some

tastes are too good to be missed. Iron Tornado and private investigator Whizz approaches women like he does ice cream - a few licks and then he's on to the next flavor. Alienor has never been the flavor du jour. Maybe it was the big brain hiding behind her beautiful brown eyes. Maybe it was the generous heart beneath the bountiful curves. Maybe it was the fear that her special sweetness would linger on his tongue. Who cares what it was? Today the beauty is off limits. Whizz has been hired by Alienor's family to find her and keep her safe. Whatever he wants to happen between them just isn't meant to be. Until he finds out someone is lying to him. No matter how far you run, your past catches up with you. And always at the worst possible time. Tornado Warning Sally - The moment I met Slider, I couldn't resist him. He stole my heart and won't give it back. There's nothing I wouldn't do for him. Except tell him the truth. He can never know the darkness I came from, the threat that stalks my every waking moment. To keep him safe, I'll run again, even though it will break my heart. Slider - I don't just want Sally in my arms and my bed. She belongs at my side, my ring on her finger, forever. She's hiding something from me, but before I can get to the bottom of it, I find out she's in trouble. The worst kind. Someone wants to take my woman from me in the most permanent of ways. They don't know who they're dealing with. I'll hand them hell on earth to keep my woman safe.

Desert Storm: Dreadnought Joseph B. George, 2003-11-24 I was an M-1 Tanker in the 1st Infantry Division (Big Red One) in Desert Storm. Our mission was to lead the attack on the Iraqi mine field while being attacked with chemical, and biological weapons. It was a suicide mission for us, and we were awarded the Valorous Unit Award for extraordinary heroism in war. This book is about the mission, and

the impact that it had on my life. “For all of the chest-pounding politicians and overheated pundits who are quick to recommend war, *Desert Storm: Dreadnought* should be required reading.”-BlueInk Review

Felim's Enigma Francis Kemble, 2007-10-01 Felim Blake has a dream as a child as a result of which he becomes haunted throughout his adult life by the conviction that he has been commuted to a parallel universe. Partly because of this belief and frustrated with his mediocre and faltering career, he becomes jaded, embittered and destructive causing ripples of discord in an otherwise wonderful marriage to his beautiful wife Iseulte. He decides, while on a motorcycle trip, to write a book of his life as it was and how he would like it to become. He then builds a circle of standing stones on a magical glade and then the book becomes a spell, an extraordinary incantation that takes a grip on his life. Felim becomes thrilled at first, then terrified, then remorseful as events take place that create a mortal rift between him and Iseulte. He continues to write in the hope that he will be restored to his rightful universe and with his lost love. Little does he know, at that time, that terrifying answers await unasked questions while Felim is on his quest.
