Lawn Boy Jonathan Evison,2019-03-19 Winner of the Alex Award “Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America.” --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he’s smart enough to know that he’s got to be the one to shake things up if he’s ever going to change his life. But how? He’s not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what’s next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

Nature's Northwest William G. Robbins,Katrine Barber,2011-04-15 At the beginning of the twentieth century, the greater Northwest was ablaze with change and seemingly obsessed with progress. The promotional literature of the time praising railroads, population increases, and the growing sophistication of urban living, however, ignored the reality of poverty and ethnic and gender discrimination. During the course of the next century, even with dramatic changes in the region, one constant remainedÑ inequality. With an emphasis on the regionÕs political economy, its environmental history, and its cultural and social heritage, this lively and colorful history of the Pacific NorthwestÑdefined here as Oregon, Washington, Idaho, Montana, and southern British ColumbiaÑplaces the narrative of this dynamic region within a national and international context. Embracing both Canadian and American stories in looking at the larger region, renowned historian William Robbins and Katrine Barber offer us a fascinating regional history through the lens of both the environment and society. Understanding the physical landscape of the greater Pacific NorthwestÑand the watersheds of the Columbia, Fraser, Snake, and Klamath riversÑsets the stage for understanding the development of the area. Examining how this landscape spawned sawmills, fish canneries, railroads, logging camps, agriculture, and shared immigrant and ethnic traditions reveals an intricate portrait of the twentieth-century Northwest. Impressive in its synthesis of myriad historical facts, this first-rate regional history will be of interest to historians studying the region from a variety of perspectives and an informative read for anyone fascinated by the story of a landscape rich in diversity, natural resources, and Native culture.

A Small Crowd of Strangers Joanna Rose,2020-09-15 Marrying the wrong man is easier than leaving him. How does a librarian from New Jersey end up in a convenience store on Vancouver Island in the middle of the night, playing Bible Scrabble with a Korean physicist and a drunk priest? She gets married to the wrong man for starters—she didn't know he was 'that kind of Catholic'—and ends up in St. Cloud, Minnesota. She gets a job in a New Age bookstore, wanders toward Buddhism without realizing it, and acquires a dog. Things get complicated after that. Pattianne Anthony is less a thinker than a dreamer, and she finds out the hard way that she doesn't want a husband, much less a baby, and that getting out of a marriage is a lot harder than getting into it, especially when the landscape of the west becomes the voice of reason. A Small Crowd of Strangers, Joanna Rose’s second novel, is part love story, part slightly sideways spiritual journey.

NW Zadie Smith,1913-12-01 This is the story of a city. The north-west corner of a city. Here you'll find guests and hosts, those with power and those without it, people who live somewhere special and those who live nowhere at all. And many people in between. Every city is like this. Cheek-by-jowl living. Separate worlds. And then there are the visitations: the rare times a stranger crosses a threshold without permission or warning, causing disruption in the whole system. Like the April afternoon a woman came to Leah Hanwell's door, seeking help, disturbing the peace, forcing Leah out of her isolation... Zadie Smith's brilliant tragi-comic new novel follows four Londoners - Leah, Natalie, Felix and Nathan - as they try to make adult lives outside Caldwell, the council estate of their childhood. From private houses to public parks, at work and at play, their London is a complicated place, as beautiful as it is brutal, where the thoroughfares hide the back alleys, and taking the high road can sometimes lead you to a dead end. Depicting the modern urban zone - familiar to town-dwellers everywhere - Zadie Smith's NW is a quietly devastating novel of encounters, mercurial and vital like the city itself.

The Pacific Northwest Gardener's Book of Lists Jan McNeilan,Ray McNeilan,1997 More than 200 lists for Pacific Northwest gardeners.

Northwest Corner John Burnham Schwartz,2011 A follow-up to Reservation Road finds 50-year-old Dwight Arno's new start in California thrown into turmoil by the unexpected arrival of college-age Sam, who is fleeing a devastating incident in his own life, a parallel struggle that dramatically transforms the lives of the women around them--From publisher.

The Honest Truth Dan Gemeinhart,2015-03-05 Mark has been in and out of hospital his whole life - and he's fed up. So when his cancer returns, he decides he’s had enough. Running away with his dog Beau, he sets out to climb a mountain - and it's only when he's left everything behind that Mark realises he has everything to live for.
