Nyuszi: My Uncomplicated Story Tibor Nedli Noel Nedli, 2018-02 I was driving in L.A. in late 2011 one evening and I began to have some thoughts about my father. I quickly realized that I knew very little of his past. It wasn't because we didn't speak--we did, but it was usually about surface stuff--work, relatives, the news of the day. By then I no longer lived in L.A. (I had moved half an ocean away, to Hawaii) and our conversations were often brief. Sometimes I would only see him once or twice a year. By this time he had experienced two heart attacks and was getting up there in age. In fact, he was pushing 80. All of these realizations left me sad: If he were to pass, I would have known so little about him. I was especially curious about his childhood and about his parents and grandparents. He never spoke about his grandparents and I began to wonder why. I recalled stories about his escape from communist Hungary--which is to say, about his three escapes, back-to-back, and his adventures finding his way to Austria, then to New York, and finally home, to Beverly Hills. I knew there were anecdotes featuring crazy sex and drugs in the wild days of the late 1960s, and many other adventures. I felt that his story would be interesting. At least it would be for me. He had occasionally talked about writing a book about his life, but he had never gotten around to it. Maybe I could write it for him--or, at least, help it get written. That is, perhaps I could give him a gift of his memoirs. Why not? I thought. At the very least it would be fun. So I contacted a couple of guys I knew in Hollywood. One was an artist friend in Santa Monica and the other was a writer I had worked with on a script. They each referred me to someone who could help. Both were professional writers. I interviewed them and chose one named Ellis Weiner to write my dad's story. During my first conversation with Ellis, he seemed to really enjoy hearing about my father's adventures. He laughed out loud while I talked about some of my father's escapades in Los Angeles during the late '60s and early '70s, like attending orgies in the Hollywood Hills, doing drugs with celebrities, and even once rooming with a porn star in Bel Air. Ellis was an experienced writer in many fields and had published over 20 books and many magazine pieces. But two things stood out to me about Ellis. First, he liked to write in the comedy genre; second, he was very interested in my father's story. He had great enthusiasm for it. We decided to record my father's interviews with Ellis, to transcribe them verbatim, and polish the final result. We tried to keep my father's reminiscences in a linear timeline, from early childhood to the present day. This was Ellis's suggestion and I agreed with him. There were over a dozen interviews during 2012. Then Ellis did a couple of follow up interviews in late 2017. All of them attempt to answer the question, How did a guy with very little education and almost no English language skills literally escape

from communist Hungary in the middle of the Cold War and end up hanging with some outlandish characters straight out of Hollywood? One answer is, he's been a free spirit all his life and never shied away from adventure. But there's more to it than that. So here is my father's story. I hope you enjoy it.

X-RAY és a ROBOT NYUSZI Greg & Dan,2015-03-30 X-Ray és Sync-Ron, a két kis robotember izgalmas történetének húsvéti epizódja. Hőseink békésen szundikálnak a töltőn Ben bácsi sufnijának polcán, amikor különös látogató érkezik hozzájuk. A poros cilinderből egy pöttyös, béget nyuszi lép elő. A két robot szinte lehetetlen küldetés előtt áll: meg kell menteniük az ünnepeket, nem maradhat el a húsvét! Hogy miért pöttyös, és miért is béget egy nyúl, az gyorsan kiderül, de közben olyan kalandokba bonyolódnak, amikből csak igazán meglepő fordulatokkal, robottal, helikopterrel és persze cilinderrel tudnak kikeveredni. Szülői figyelmeztetés: rengeteg csokitozás bukkan fel a történet folyamán!

Budapest Exit Csaba Teglas, 2007-09-17 When Csaba Teglas was confronted with the Nazi invasion of Hungary during World War II, the Soviet occupation following the Allied victory, and finally with the opportunity to escape the oppressive regime during the Hungarian Revolution of 1956, he responded not with fear, indecision, or submission, but with courage, ingenuity, and hope. In *Budapest Exit: A Memoir of Fascism, Communism, and Freedom*, Teglas begins with the story of his childhood in Hungary. During the war, the dramatic changes that took place in his country intensified with the invasion of the Nazis. The Nazis' defeat after the terrifying siege of Budapest should have led to freedom, but for Hungary it meant occupation by the Soviets, who were often little better than the fascists. A twelve-year-old friend of Teglas was forced to watch the brutal gang rape of a Jewish family member by the same Soviet soldiers who liberated her from the Nazis. Despite the difficulties of life in Budapest, Teglas met the challenge when sustenance of the family fell on his young shoulders. One of the innovative ways he earned money was to employ his playments to extract ball bearings

from wrecked tanks and other military vehicles that he then sold to factories. He also sold rubber rings cut from bicycle tubes to use as canning seals. Before the communists solidified their rule, Teglas obtained admission to the Technical University of Budapest, where he earned a degree despite constant interference in the University by the communists. The following years under the Stalinist dictatorship were the harshest, and Teglas and his family and friends lived in constant fear; some were even subjected to the communist jails and torture chambers. But rather than standing idly by, Teglas protested, sometimes quietly, sometimes more vocally, against the Soviet and communist presence in Hungary. During the Hungarian Revolution of 1956, Teglas became more involved in the opposition to the communists. When it became clear that the revolutionaries were not going to succeed, he knew he had to leave Hungary to avoid retaliation for his involvement. Teglas recounts his dramatic escape through the heavily guarded Iron Curtain and his subsequent emigration to North America, where life as an immigrant presented new challenges. Teglas compares the genocide and tragedies of Nazi order in World War II and of communist rule to recent international events and ethnic cleansing in Central and Eastern Europe, including the former Yugoslavia. He also highlights the failure of the West to stop the war in Bosnia expediently and the possible far-reaching consequences of a peace treaty that aims to satisfy the demands of the aggressors while ignoring the rights of others in the Balkans. Even more, though, this memoir is Csaba Teglas's personal story of his youth, told from the point of view of a man with sons of his own. He found in America the freedom for which he had been searching, but he has raised his American sons to remain proud of their Hungarian heritage.

No Labels Monica Gurdjian, 2015-09-10 Monica Gurdjian was born in Bucharest, Romania, where her earliest memories were of a brutal and oppressive communist regime. Her multicultural and multi-faith family - her mother, was an Austrian operetta singer of Jewish descent and her father, a Roman Orthodox Armenian surgeon - fled to Vienna in 1960, hoping for a better life. Regrettably, the family's first year of "freedom" was informed by prejudice and lack of employment opportunities and they eventually made their way to Iran, where they found acceptance and a true home for 13 years until they immigrated to Canada. Monica saw herself as a descendant of talented and brave individuals - both her grandfathers had risked their lives to shield Jewish families from the Nazis. Neither she nor her family were defined by cultural or religious markers. They just happened to be Jewish, Christians, Armenians, Romanians and Austrians. As Monica navigated life's peaks and valleys, flavoured by a kaleidoscope of cultures and religions, she learned to embrace her label-less identity.
