One Story Gipi, 2020-07-28 Dual graphic narratives by the acclaimed Italian cartoonist demonstrate how the choices our ancestors made dramatically affect generations to come. Silvano Landi is a successful writer who, at the age of 50, sees his family leave him and his life fall apart. Landi's great-grandfather, Mauro, is an anxious soldier being fed to the maw of carnage in the First World War. Alternating between past and present, a psych ward and the bloody trenches, and told through complex clues — a lone gas station, an apathetic baroness, found love letters, and shifting from scratchy black-and-white to lush watercolors (sometimes on the same page), *One Story* documents the origins of pain that serve as the roots of a twisted family tree, and allows the reader to trace the branches.

The Year We Left Home Jean Thompson, 2012-02-07 A New York Times bestseller and a National Book Award finalist, *The Year We Left Home* chronicles the lives of the Erickson family as the children come of age in 1970's and '80's America.

One Story, One Song Richard Wagamese, 2011-04-01 A new collection of warm, wise and inspiring stories from the author of the bestselling *One Native Life*. Since its publication in 2008, readers and reviewers have embraced Richard Wagamese's *One Native Life*. "In quiet tones and luminous language," wrote the Winnipeg Free Press, "Wagamese shares his hurts and joys, inviting readers to find the ways in which they are joined to him and to consider how they might be joined to others." In this new book, Richard Wagamese again invites readers to accompany him on his travels. This time his focus is on stories: how they shape us, how they empower us, how they change our lives. Ancient and contemporary, cultural and spiritual, funny and sad, the tales are grouped according to the four essential principles Ojibway traditional teachers sought to impart: humility, trust, introspection and wisdom.

One Story a Day Leonard Judge, Junpo Cao, Xiaoxin Sun, 2010-03

Monoculture F. S. Michaels, 2011-04-25 Winner of the George Orwell Award. One of *The Atlantic's* best books of the year. As human beings, we've always told stories: stories about who we are, where we come from, and where we're going. Now imagine that one of those stories is taking over the others, narrowing our diversity and creating a monoculture. Because of the rise of the economic story, six areas of your world - your work, your relationships with others and the environment, your community, your physical and spiritual health, your education, and your creativity - are changing, or have already changed, in subtle and not-so-subtle ways. And because how you think shapes how you act, the monoculture isn't just changing your mind - it's changing your life. In *Monoculture*, F.S. Michaels draws on extensive research and makes surprising connections among disciplines to take a big-picture look at how one story is changing everything. Her research and writing have been supported by the Social Sciences and Humanities Research Council of Canada, the Killam Trusts, and regional and municipal arts councils. Michaels has an MBA, and completed five years of PhD studies in Organizational Analysis. She lives in British Columbia, Canada. A single lucid narrative that's bound to first make you somewhat uncomfortable and insecure, then give you the kind of pause from which you can step back and move forward with more autonomy, authenticity and mindfulness than ever. - *The Atlantic* A thin, enrapturing gem. It's accessible, sensible--exactly the sort of book that should have (and still could + should!) take off and create a tiny little dent in books. - *Kenyon Review* A smart and realistic guide to first recognizing the monoculture and the challenges of transcending its limitations. - Maria Popova, *BrainPickings.org* I found myself reading non-stop, underlining like crazy...an astute explanation about what I've been feeling recently, something I couldn't put my finger on...[Michaels] writes in clear, energetic prose that's thoughtful, engaging and unforced. She defines and analyzes without judgment or insistence...a breath of fresh air. - NPR ...a singularly brilliant and accessible analysis of some of the fundamental assumptions and driving principles of our time. - *Comment Magazine* 5 stars: The cause and effect of our world is more surprising than you'd think. With intriguing notions about the driving ideas of stories in every shape of our life, *Monoculture* is an incredibly fascinating way about how the mind works and today's consumer culture. - *Midwest Book Review* If you just read one book this year, read this one. - *BuriedInPrint.com*

'Just One More Story' Dugald Steer, 1999 Mother Pig reads bedtime stories to her little pigs, including *The Pig Prince*, *The Ugly Pigling*, *Piggerella*, and *the Prince and the Porker*.

Best Debut Short Stories 2021 , 2021-08-24 The annual—and essential—collection of the newest voices in short fiction, selected this year by Nana Kwame Adjei-Brenyah, Kali Fajardo-Anstine, and Beth Piatote. Who are the most promising short story writers working today? Where do we look to discover the future stars of literary fiction? This book will offer a dozen answers to these questions. The stories collected here represent the most recent winners of the PEN/Robert J. Dau Short Story Prize for Emerging Writers, which recognizes twelve writers who have made outstanding debuts in literary magazines in the previous year. They are chosen by a panel of distinguished judges, themselves innovators of the short story form: Nana Kwame Adjei-Brenyah, Kali Fajardo-Anstine, and Beth Piatote. Each piece comes with an introduction by its original editors, whose commentaries provide valuable insight into what magazines are looking for in their submissions, and showcase the vital work they do to nurture literature's newest voices.

Rainbow Rainbow Lydia Conklin, 2022-05-31 Longlisted for The Story Prize & the PEN/Robert W. Bingham Prize for Debut Short Story Collection A fearless collection of stories that celebrate the humor, darkness, and depth of emotion of the queer and trans experience that's not typically represented: liminal or uncertain identities, queer conception, and queer joy In this exuberant, prize-winning collection, queer, trans, and gender-nonconforming characters seek love and connection in hilarious and heartrending stories that reflect the complexity of our current moment. A nonbinary writer on the eve of top surgery enters into a risky affair during the height of COVID. A lesbian couple enlists a close friend as a sperm donor, plying him with a potent rainbow-colored cocktail. A lonely office worker struggling with their gender identity chaperones their nephew to a trans YouTube convention. And in the depths of a Midwestern winter, a sex-addicted librarian relies on her pet ferrets to help resist a relapse at a wild college fair. Capturing both the dark and lovable sides of the human experience, *Rainbow Rainbow* establishes debut author Lydia Conklin as a fearless new voice for their generation.

Making Our Own Rules DuWayne Leslie Bowen, Michael Hogan, 1989

One Good Story, That One Thomas King, 2013-09-01 *One Good Story, That One* is a collection steeped in native oral tradition and shot through with Thomas King's special brand of wit and comic imagination. These highly acclaimed stories conjure up Native and Judeo-Christian myths, present-day pop culture, and literature while mixing in just the right amount of perception and experience.

The Assignment Liza Wiemer, 2021-08-31 Inspired by a real-life incident, this riveting novel explores the dangerous impact discrimination and antisemitism have on one community when a school assignment goes terribly wrong. Would you defend the indefensible? That's what seniors Logan March and Cade Crawford are asked to do when a favorite teacher instructs a group of students to argue for the Final Solution--the Nazi plan for the genocide of the Jewish people. Logan and Cade decide they must take a stand, and soon their actions draw the attention of the student body, the administration, and the community at large. But not everyone feels as Logan and Cade do--after all, isn't a school debate just a school debate? It's not long before the situation explodes, and acrimony and anger result. Based on true events, *The Assignment* asks: What does it take for tolerance, justice, and love to prevail? An important look at a critical moment in history through a modern lens showcasing the power of student activism. --SLJ

One Story, Thirty Stories Zohra Saed, Sahar Muradi, 2010-11-01 Since 9/11 there has been a cultural and political blossoming among those of the Afghan diaspora, especially in the United States, revealing a vibrant, active, and intellectual Afghan American community. And the success of Khaled Hosseini's *The Kite Runner*, the first work of fiction written by an Afghan American to become a bestseller, has created interest in the works of other Afghan American writers. *One Story, Thirty Stories* (or *Afsanah*, *Seesaneh*, the Afghan equivalent of once upon a time) collects poetry, fiction, essays, and selections from two blogs from thirty-three men and women—poets, fiction writers, journalists, filmmakers and video artists, photographers, community leaders and organizers, and diplomats. Some are veteran writers, such as Tamim Ansary and Donia Gobar, but others are novices and still

learning how to craft their own story, their unique Afghan American voice. The fifty pieces in this rich anthology reveal journeys in a new land and culture. They show people trying to come to grips with a life in exile, or they trace the migration maps of parents. They navigate the jagged landscape of the Soviet invasion, the civil war of the 1990s and the rise of the Taliban, and the ongoing American occupation.

Beneath the Lion's Gaze: A Novel Maaza Mengiste,2011-01-03 An important novel, rich in compassion for its anguished characters. —The New York Times Book Review This memorable, heartbreaking story opens in Addis Ababa, Ethiopia, 1974, on the eve of a revolution. Yonas kneels in his mother’s prayer room, pleading to his god for an end to the violence that has wracked his family and country. His father, Hailu, a prominent doctor, has been ordered to report to jail after helping a victim of state-sanctioned torture to die. And Dawit, Hailu’s youngest son, has joined an underground resistance movement—a choice that will lead to more upheaval and bloodshed across a ravaged Ethiopia. Beneath the Lion’s Gaze tells a gripping story of family, of the bonds of love and friendship set in a time and place that has rarely been explored in fiction. It is a story about the lengths human beings will go in pursuit of freedom and the human price of a national revolution. Emotionally gripping, poetic, and indelibly tragic, Beneath The Lion’s Gaze is a transcendent and powerful debut.

The Capital One Story Mary Curran Hackett,2020-05-26 What can you learn from the most successful companies in the world? The Capital One Story will help you understand and adopt the competitive strategies, workplace culture, and daily business practices that enabled an unlikely credit card startup to revolutionize the credit industry. After twenty-five years in the credit card business, Capital One has earned its place in wallets across the world. When the company’s two young founders set out to individualize credit, the financial world thought they were crazy... until it was clear that they weren’t. Working in the banking industry, Richard Fairbank and Nigel Morris saw that the one-size-fits all standard that the credit card companies employed was leaving big money on the table. They cracked the code and figured out how to customize the credit card experience by offering personalized designs, credit limits, and rewards, revolutionizing the way the credit card industry operated. Known for their ubiquitous advertising campaigns with A-list talent such as Jennifer Garner and Samuel L. Jackson, the youngest bank in the business was once turned down by every one of their competitors but has since grown to dominate the industry. Through the story of Capital One, you’ll learn: How to recognize underserved sections of a market. How rejection by every company in the business doesn’t mean it’s time to quit. How to determine what people want and how to get it to them. And how to employ marketing campaigns that will change the way people live.

The Hundred Story Home Kathy Izard,2018-06-26 What if you just trusted the whisper of calling placed on your heart? Kathy Izard was volunteering at Charlotte’s Urban Ministry Center when an unlikely meeting with a homeless man changed the course of her life. She realized that serving at the soup kitchen was feeding her soul, but not actually solving the needs of the homeless population. Rather than brush it off and avoid what she now felt called to take on, she quit her job and took on what seemed like an insurmountable task—building housing for Charlotte’s homeless. Woven together with this uplifting story of social action is Kathy’s personal struggle with faith, forgiveness and fulfillment. In telling her story, Kathy invites you to consider rewriting your own. What’s calling you? As crazy as it seems, it may be crazier not to try. This book will push you to do so much more than you ever thought possible.

The Only Story Julian Barnes,2018-04-17 From the bestselling, Booker Prize-winning author of *The Sense of an Ending* comes “a brilliant, rueful look at love—what we do for it, how we experience it and what makes it die” (People). One summer in the sixties, in a staid suburb south of London, nineteen-year-old Paul comes home from university and is urged by his mother to join the tennis club. There he’s partnered with Susan Macleod, a fine player who’s forty-eight, confident, witty, and married, with two nearly adult daughters. She is a warm companion, her bond with Paul immediate. And soon, inevitably, they are lovers. Basking in the glow of one another, they set up house together in London. Decades later, Paul looks back at how they fell in love and how—gradually, relentlessly—everything fell apart. As he turns over his only story in his mind, examining it from different vantage points, he finds himself confronted with the contradictions and slips of his own memory—and the ways in which our narratives and our lives shape one another. Poignant, vivid and profound, *The Only Story* is a searing novel of memory, devotion, and how first love fixes a life forever.

My Story 1 Craig Froman,Andrew Froman,2018-05-25 Just what exactly is social studies, you may ask? Well, it includes the study of all kinds of people and places, some far away and some next door. In this book we talk about families, like your family in your house, and also lots of people close by, which we call a town or city, and finally about even more people in cities or outside of cities, all living in big places called countries. *My Story and the World Around Me* is a course for lower elementary students. It includes basic introductions to history, politics, sociology, economics, and geography, and provides a fuller understanding of God’s world and the cultures of the countries. This is a daily adventure-based curriculum series that encourages families to explore the world together through four nine-week quests and to understand it better from God’s perspective. It is designed with elements that make weekly learning fun and interactive, including: Activity timeWord find timeReview timeMy story journal Learn all about the world while you discover more about your own. And make sure you pull out your Quest Collector Cards at the beginning of each quest. Your world map on the other side shows where you are in each lesson!
