Celebrating Christmas Ornaments Nina Chertoff,Susan Kahn,2006-10 They sparkle, they shine--they light up the tree and the eyes of all who look upon them: therein lies the beauty of Christmas ornaments. Across these pages in richly detailed photographs are a merrily glistening array of some of the most creative, clever, and exquisite ornaments ever produced. A lively introduction explains the tradition of decorating trees, and gives the history of ornaments from the first commercially marketed ones (made possible by a new glass-blowing process) to the silver balls and garlands produced by newly arrived immigrants to the United States to modern designs fashioned out of Styrofoam and satin. The authors also look at some homemade treasures, including designs on paper and food-based decorations such as cookies, pretzels, and marzipan.

Oliver the Ornament ,2015-05-09 Oliver the Ornament is a heartwarming tale of one family's cherished Christmas ornaments. The story centers on Oliver, who has been with this family ever since Mom and Dad's very first date. Years later, Oliver, now injured and bullied, still has the magic of Christmas in his heart. The story follows Oliver's excitement for Christmas, his heartbreak, and his determination to overcome all odds to save the day. Oliver, along with his scores of friends, will warm your heart with his kindness, humility, and love for his family. We hope the story will bring families together to tell the stories of their own ornaments and the special meaning that so many of them possess. Because after all, every ornament tells a story.

Immigrants, Ornaments and Legacies Jody L. Pritzl,2019-05-29 Immigrants, Ornaments and Legacies tells the stories of the companies who created 20th century Christmas tree decorations. The Shiny Brite(tm) story of Max Eckardt and Sons is chronicled along with rival firms that competed to win the key customers of Woolworth's and Sears. Bernhard Wilmsen was one of the first Christmas vendors to Woolworth's and continued to be for decades. George Franke emigrated from Germany to America at the time of the U.S. Civil War and employed hundreds of people in Baltimore, Maryland. National Tinsel Manufacturing in Manitowoc, Wisconsin would be a recognized Christmas industry leader until a 1991 merger worth \$90 million. Before millions of Christmas bulbs were manufactured and sold in America, thousands were imported by Woolworth's and Sears. Beginning as a family business in Lauscha, Germany many husbands, wives and children hand crafted glass ornaments. As early German immigrants came to the United States they evolved the industry with inventions and patents. Survival and prosperity were never guaranteed as the companies struggled during precarious times of tariffs, trade wars and world wars. If not for Corning Glass Works inventing the means to make 80 million glass bulbs a year, the modern era of Christmas tree decorations would have stopped with German blockades and boycotts. With rich details using photographs and statistics, the industry of American glass bulb Christmas ornaments is documented from the 1800's to the 1960's. In their own words, family descendants of ornament makers tell their favorite memories of being surrounded by Christmas all year long and their special holiday traditions that live on today. Immigrants, Ornaments and Legacies is a family centered story of decades of Christmas tree decorations that are highly collectible today. An ornament identification section is included to help collectors date their precious Shiny

Brite(tm) and George Franke ornaments passed down lovingly from generation to generation.

Trim the Tree Annie's,2014-09-01 When you look at your Christmas tree, which ornaments stand out the most? Chances are it's those that were handmade, either by you or by a loved one. The best things about handmade ornaments are the memories that come with them. This year, why not create more memories by hand making the ornaments in this book? You can make them as gifts or get the whole family involved, spending the afternoon crafting. The book includes 53 designs across a wide variety, from traditional to whimsical, for the very young to the young at heart, and even ornaments for pets. Many of the ornaments are easy to make and can be finished in an hour or two using general supplies found in local sewing and craft stores. If you have a stash of scraps, this is a wonderful way to make good use of these on-hand fabrics. Don't stop with making Christmas ornaments, though. Further your creativity by using these designs to make gift tags, hot pads, cards, coasters, or mug rugs. If you enjoy making ornaments but your list is small, make them by the batch to sell at a craft bazaar or bring a smile to strangers' faces by giving handmade ornaments to your favorite charity. May you have a lot of fun making Christmas ornaments that your family and friends—and perhaps others—will cherish for many years to come.

Christmas Ornaments Ralph Del Pozzo,David High,2005-10-01 Every winter season, millions of households engage in the tradition of decorating the Christmas tree. And how many Americans have grown up with the delight of the annual unpacking of the family's ornament collection, gathered through the years; each one with its special story to tell? Christmas Ornaments: ReCollections brings back that feeling of childish wonder—a very special package to open year after year, filled with richly detailed pictures of exquisite glass ornaments, shiny and precious—and no one to tell you don't touch! The book is also a tribute to one of America's favorite pastimes: collecting. In this case, a collection built over the course of many years, found in flea markets, garage sales, antique shops, and on eBay. Ralph and David's passion for collecting and eye for quality comes through on every page; from the evocative photos and illustrations to the stories interspersed throughout, of how ornaments came to be such an important part of how we celebrate the holidays. A whole new appreciation of the fragile memories of Christmases past, Christmas Ornaments will be a crowd pleaser: a dazzling stocking stuffer or an inspiring treat for yourself.
