*Bound: History* Scarlet Storm, 2015-04-09 One of the great lessons any young person learns at university is that life is never as simple as it may seem on the surface. For Miyuki, a carefree young lady, and her creative friend Matsuda Jun, life has a few more lessons in store. When Miyuki was orphaned at a young age, Matsuda's family took her in. As they grow into adults, their special bond has intensified. Now that love is in the air, he has made a promise to keep her safe at his side for the rest of his life. But that pledge is tested with the arrival of Sunohara Sho, who believes Miyuki to be the woman of his dreams. The two men share a complicated history, and the violent pull of vengeance and honor they both feel endangers everything and everyone they love, including Miyuki. Sunohara has seen his future with her, and he has already dueled with his former friend and mentor, Akiyama Masaki, in a bold attempt to win her love. When Sunohara learns that Akiyama has been terrorizing Miyuki in her dreams, he pledges to make things right any way he can. Will Miyuki ever be free from Akiyama's nightmares? Will Matsuda find his courage and win

her heart? Can Sunohara manage to keep Akiyama away from Miyuki's dreams? Who will Miyuki ultimately choose? Bound: HIStory is a story of a love and redemption for even the darkest of hearts.

*Storm Rising* , 1996-10

THE STORM WITHIN Trish Morey, Rieko Hamada, 2016-08-19 Grace Hunter has to step in and hurriedly research an ancient text when the university professor who was supposed to become unable to perform the task. This valuable text was discovered in a castle on an Italian island that to Grace's eyes is more like a fortress keeping

people away. The owner of the castle is Count Alessandro Volta. A former pianist, his face was damaged in a tragic accident ten years ago, and ever since the count has secluded himself in the castle that has been in his family for generations. When he lays his eyes on Grace, he angrily blurts out, I didn't invite any prostitutes here. Leave at once!

**Storm Breaking** Mercedes Lackey, 1997-10-01 As Storm Breaking opens, the western allies, led by Karal, Karsite Sunpriest and delegate to the Valdemaran Court, and the Adepts Firesong and An'desha, have traveled deep into the Dorisha Plains to locate the ancient ruins of the Tower of Urtho, Mage of Silence, creator of the gryphons. Legend has it that below the Tower, deeply buried beneath the plains, is Urtho's Vault, hidden stronghold of some of the most powerful magical weapons ever devised - weapons that Urtho himself felt were too dangerous to use. With the help of the Shin'a'in plainsmen, they have successfully excavated this ancient arsenal, and risked their lives triggering one of these antique but potent tools of death to unleash a monstrous burst of mage-energy. With this explosion of magical power, Karal, Firesong, and their companions have temporarily counteracted the ever-increasing waves of the mage storms. But they know that this desperate action will not save them - they have bought themselves precious time, but are still far from a permanent solution. They know now that the mage storms are an echo through time of the prehistoric Cataclysm which destroyed Urtho's Tower, created the vast and barren Dorisha Plains,

and permanently warped their world more than two thousand years ago. And they also know that if they don't find a way to banish these magical vibrations they will culminate in another Cataclysm - this time destroying their world for good. But the Vault is not the only thing buried for centuries below the Dorisha Plains, and camped in the ruins of what once was the workplace of the most ingenious mage their world has ever known, the desperate allies soon come to realize that their solution may lie beneath the dust at their feet. The saving of their world just might be accomplished by the work of a man who has been dead for millennia!

**Taming the Storm** Yumoyori Wilson, 2018-04 A mysterious pocket watch, six mage shifters, and one deceased lover... My name is Crimson Arashi and I'm your typical 22-year-old, finishing my Bachelors of Arts degree. Sadly, my father insists I become a doctor, having supported my attempt as an artist for far too long. In this world full of magic and shifters, it sucks that I am the only child to a powerful Warlock - my father - and a Kitsune shifter - my mother. I'd already disappointed them because I am a human child - neither shifter or mage. I'd be lucky to light a candle with the snap of my fingers. After one night of drinking, drowning my sorrows of being a disgrace to my family, I crash into a man on the run with six men in pursuit to catch this thief. None of them notice the pocket watch that escapes their grasp, lying on the cold, wet ground. I didn't think opening it would grant me all the power and strength of the previous owner. I also

didn't think it would belong to Storm Yuna, the strongest female magician known in our world. Too bad she was murdered, and now, I'd inherited not only her powers but feelings too. Yeah...feelings. It will take all my strength to navigate the Storm of power and feelings swirling inside of me. I just hope I can survive the trials that await me.

*Overture* B. R. Storm, 2020-05-05 Collin Quinn has grown desensitized by the ebbs and flows of a normal life, until a horrific event thrusts him into a magical society known as Veil. Desperate circumstances allow him to study magic as an evil grows stronger each day. Regrettably, Collin and his companions find themselves in a peril that may have already been predetermined.

White as Bone, Red as Blood Cerridwen A. Fallingstar, 2011-01 In 12th-century Japan, Seiko Fujiwara, a young woman believed to be a sorceress, is caught in a deadly conflict between the Heike and the Genji, two clans battling for control of the throne. Seiko's mother, priestess of Inari, predicts that if Tokushi, Seiko's closest friend, becomes Empress and gives birth to the next Emperor, their world will be saved.

**Ishura, Vol. 2** Keiso, 2022-09-06 Tremendous destruction has been wrought by the central players in the New Demon King War. Gods made flesh have met their end as their names enter the annals of history. Even so, there are still those with enough power to give shape to the new era. Among them are a golem who revives endlessly by conquering whatever weakness caused its downfall, a giant whose far-reaching arrows transform the very terrain, and an entity that reduces

everything it touches to dust... When these forces of nature encounter those who would use their powers for their own ends, the world enters a veritable arms race. And while the seat of the True Hero remains empty, those who profit most from conflict bide their time while their champion lights the flames of war once again.

*Storm Season* Robert Asprin, 1984-04-15

After a year away to reaffirm her commitment to her clan, she returns home to find her leaders forging a disturbing path: allying themselves with the Faction, a ruthless, anti-imperial organization leading the country to war. Protecting the clan is her primary duty. Supporting honorless, warmongering tyrants? Not a chance. Bound by a lifetime of loyalty... To prove her allegiance, Ema is tasked to eliminate a rogue assassin targeting the Faction's leaders. She has no choice but to accept. Orders are orders, after all. But when a high lord arrives to oversee the mission, he reveals a devastating truth, shattering what she's always believed about her true purpose. Compelled by the coming storm... A promise is broken, honor is no longer sacred, and trust is as fleeting as blossoms in bloom. As the world she once knew darkens, Ema must find a way to stop the Faction from controlling her clan and fracturing the rest of the country. Milewski, 2020-09-05 Targa was never supposed to be the hero. For her entire life, all she obeyed orders, killed whoever the Saints wanted, then slept without guilt. No mercy. No fear. In exchange for her duty, she'd gotten to live in Astrea, the most beautiful city in the world. As a reward for putting her life on the line, for taking a wound in her city's defense, the Saints cast her out like a broken tool, useless to them. Now healing, she must rebuild her strength. Little does she understand this is a moment of crisis, for inside her lies a power that nobody controls, one terrible enough to bend history itself. Whatever path she chooses, hero or villain, her future will rock the world.
