World's End Becca Lusher,2020-05-18 Aquila lies broken, but the Rift Riders are victorious. They have their home back and the kaz-naghkt have been almost wiped out. But not quite. Yullik ses-Khennik has escaped, and he did not go alone. Not only are there a handful of kaz-naghkt left to threaten the Overworld, but Lady Mhysra Kilpapan has been taken. And her friends will do anything to get her back. With Cumulo and Lyrai in the lead, a small band of Rift Riders will journey into the west for the final showdown bringing Riders, dragons and Yullik together one last time. World's End is waiting and the fate of the Overworld hangs in the balance. Who will win and who will die? The final Wingborn adventure has begun.

Dragongift Becca Lusher,2017-12-06 Aquila has fallen and the Rift Riders are homeless. Freshly settled in the heart of the Overworld, the kaz-naghkt are more dangerous than ever, especially when united with their pirate allies. Scattered and divided, the Riders are desperate to reclaim their home – but first they need help. After fleeing into the Greater West, Mhysra, Lyrai and their friends are sent south to the kingdom of Havia to plead for aid. But the land also borders the magical Storm Wash on the very edge of the Dragonlands, and soon the Riders have more to worry about than kaz-naghkt and unfriendly kings. Back at Aquila, Lord Yullik sits high in his tower of triumph, but little does he know of the troubles that wait in the shadows. The Dragongifted are waking – and the Overworld will never be the same again.

Rift Riders Becca Lusher,2017-03-11 On a world cursed to be covered in clouds, protected by the elite Rift Riders who fly on the backs of giant eagle miryhls, Lady Mhysra Kilpapan and her friends are making history. Women are now firmly back within the Rider fold and the future looks bright. But even though Mhysra and her Wingborn Cumulo have survived their first year as students, there's more to becoming a Rift Rider than lessons and training. Especially when trouble is brewing in the Wrathlen and the kaz-naghkt are looking for revenge. Return to the Overworld for the next exciting Wingborn adventure, where strength, loyalty, honour and friendship are about to be tested to their limits – and beyond.

Wingborn Becca Lusher,2016-09-05 Lady Mhysra Kilpapan was blessed from birth with a distinguished family, a glorious home and a giant eagle miryhl of her own. Fully aware of her luck, she wants for nothing in life – except a chance to become a Rift Rider. The elite force of the Overworld has been closed to women for over one hundred years and not even the legendary Wingborn are allowed to join. Until now. Women are being admitted to the Riders again and Mhysra wants to be first in line. Except her parents have other ideas, and there are plenty of others who are less than pleased about the change. Yet if Mhysra can find a way to reach Aquila, she will let nothing stop her. But the Overworld is in trouble and the vicious kaz-naghkt are destroying Rift Rider bases one by one. The Riders need help. Can Mhysra and her friends really be the difference between survival and destruction? Or will they fail before their first year of training is through?

Storm Wings Becca Lusher,2018-10-07 Trouble covers the Overworld and the Rift Riders seem further from home than ever, but there is hope in the darkness, even if the road to recovery is long. For the first time in more than a century, dragons have returned to the human lands, but their numbers are few and their welcome is... difficult. If Mhysra, Lyrai and their friends were expecting a heroes' welcome on their return, they may have a long time to wait. In the West, Stirla and Derrain have their own troubles to deal with, thanks to a determined princess and some foolhardy nobles. Not to mention the opinions and intentions of their superiors. And at Aquila, Lord Yullik waits for the fight he knows will come. Yet all the while an unseen threat moves in the shadows. New dangers stir across the mountain, but whether for good or evil, only the gods of this cursed world can tell...

Out of the Woods Lyn Gardner,2011-08-09 The fun fair is in town! With its clouds of pink candy floss and whirling big wheel, what child could resist such temptation? Little do the Eden sisters know that they are being lured into a wicked witch's lair. . . . Belladonna wants Aurora's heart and Storm's all-powerful musical pipe, and she will stop at nothing to get them. Driven by vanity and greed, she makes a truly formidable adversary. After escaping from a deadly game of hide-and-seek in the enchanted fair, our three heroines flee through the woods, with several ravenous wolves and a sweet-toothed lion hot on their heels. Now they face their biggest challenge yet: a treacherous journey into the Underworld. For only when the pipe has been safely returned to the land of the dead will the Eden sisters truly be out of the woods. . . .

Stormland John Shirley,2021-04-13 They call it Stormland: a sprawling, largely abandoned region of the southeastern coast of the USA, where climate change's extreme weather conditions have brought about a "perfect storm" of perpetual tempests; where hurricane-strength storms return day after day, 365 days a year. The heart of Stormland is Charleston, South Carolina, a flooded ruin where hundreds of people remain for their own peculiar reasons; where thugs prey on the weak, and a strangely benevolent cult tries to keep everyone insanely sane. Here, plutocratic evil takes advantage of Stormland's lawlessness to cultivate a weirdly puppeted theater of cruelty. Swept into the turbulent vortex of Stormland is an unlikely duo—a former serial killer and a former US Marshal—who must work together to bring light to America's late twenty-first century heart of darkness. A cyberpunk detective thriller set in a maelstrom of climatic upheaval, classism, and corrupt power, Stormland paradoxically dramatizes the resilience of the human spirit.

Aquila's War Becca Lusher,2019-07-30 The Rift Riders are ready. Yullik is waiting. The fight for Aquila is about to begin. After siege and exile, the Rift Riders have drifted around the Overworld for long enough. The troops have been gathered, the dragons are willing to help and everyone is ready to depart. Now they only have to get there. While Mhysra, Lyrai and their friends prepare for the battle ahead and Yullik lays his traps, hidden on the far side of Aquila, Mouse and Nightriver have their own challenges to face. Despite everything, the mountain has a few surprises in store for all of them yet. For Aquila is waiting to be won and the stakes are high. When war rocks the citadel, even the winners may end up losing...

Tolkien's Art Jane Chance, 2001-10-26 This literary study examines the scholarly and mythological roots of the author's beloved stories, including *The Hobbit* and *The Lord of the Rings*. J.R.R. Tolkien captured the imaginations of generations with his expansive fantasy worlds and tales of high adventure. But Tolkien was also an accomplished scholar whose deep knowledge of mythology and language provided a wellspring of inspiration for his fiction. In this enlightening study, Tolkien specialist Jane Chance uncovers the many sources the author used in composing his works. Inspired by works like *Beowulf* and *Gawain and the Green Knight*, Tolkien relied on both pagan epic and Christian legend to create a distinctly English mythology. Chance traces this project through his major works as well as his minor stories and critical essays. This revised and expanded edition also examines the paradigm of the critic as monster featured in many of Tolkien's writings.

50 Years of Boss Fights Daryl Baxter, 2024-08-30 50 Years of Boss Fights celebrates a fading art in

modern games. Author Daryl Baxter has written about 51 bosses that have made the greatest impact, ever since the first boss debuted in 1974. Full of interviews and insights from the developers who helped made the bosses as memorable as they are, includes those who have worked on Mario 64, DOOM, Bioshock, Star Wars, Half Life and many more. Some explained how they came to be, what was scrapped, and, ultimately, if they were happy with them, looking back. The book goes into detail about the first ever boss from the start, called the Golden Dragon in dnd, which first debuted in 1974. Heralded as the first ever boss in a video game, Daryl spoke to its creators about how it came to be, and how they feel about creating a standard in games. The book sheds light on what was scrapped in other bosses, and how some bosses were so illegal, they had to be updated in rapid fashion to avoid a potential lawsuit. Full of photos that showcase how the bosses work and how to beat them, it's a 50-year record of the best, the most challenging, and the most memorable that you may or may not have beaten so far. It's 70,000 words that celebrate the past 50 years of bosses, while giving insight by the developers who helped make them possible.

World, Underworld, Overworld, Dreamworld Mike Hockney, Ancient cultures were faced with two immense problems. Why is there something rather than nothing and why is the universe ordered rather than chaotic? To answer these questions, they invented cosmologies, which were also the basis of their religious beliefs. A person's cosmological and religious beliefs are always interdependent. The ordered universe of the ancients was divided into four: 1) the World (that we inhabit), 2) the Overworld (the sky and heavens that the gods inhabit), 3) the Underworld (that the dead inhabit), and 4) Dreamworld (the mysterious zone between sleep and death that connects the living, dead and the gods). This is the incredible story of these four worlds and how they have influenced the development of all human thought, right up to the present day.
