First Timers and Old Timers Kenneth L. Untiedt, 2012 The Texas Folklore Society has been alive and kicking for over one hundred years now, and I don't really think there's any mystery as to what keeps the organization going strong. The secret to our longevity is simply the constant replenishment of our body of contributors. We are especially fortunate in recent years to have had papers given at our annual meetings by new members--young members, many of whom are college or even high school students. These presentations are oftentimes given during sessions right alongside some of our oldest members. We've also had long-time members who've been around for years but had never yet given papers; thankfully, they finally took the opportunity to present their research, fulfilling the mission of the TFS: to collect, preserve, and present the lore of Texas and the Southwest. You'll find in this book some of the best articles from those presentations. The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants. Familiar and well-respected names like J. Rhett Rushing and Kenneth W. Davis discuss folklore about monsters and the classic 'widow's revenge' tale. These works--and the people who produced them--represent the secret behind the history of the Texas Folklore Society, as well as its future.--Kenneth L. Untiedt

Testing the Spirits Sabin Geyman,2012-08 Can't we all just get along? It sounds good, but we must not hold hands with evil. Social and religious diversity, writ large, has been the undoing of the United States. Second Chronicles 7:14 says: [If] My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin and will heal their land (NASB). America needs a Christian revival, a Protestant Reformation, a return to our Judeo-Christian roots right now; otherwise, this beautiful land will be given over to its evil devices (Romans 1), and will go the way of King Solomon's kingdom after his foray into social and religious diversity. When foreign wives bring false gods, bad things happen (see 2 Chronicles 7:19-22). Testing the Spirits: Exposing Dark Sayings and Embracing the Light of Jesus is a clarion call to repentance and for a return to our Judeo-Christian roots. We've been following the dangerous diversity of King Solomon, when we should do as King Hezekiah did and clear the pagan idols from our land. In this way, we can draw closer to the King of kings and Lord of lords, the mighty Yeshua.
