**The Padded Cell** Michael Alan Northrop,2005-07 I remember the room as if it was yesterday. It was a room like no other in which I had ever before been. The cold plain manila colored vinyl covering the padding cushions gave slightly to the touch, just enough to absorb a beating. There was a deafening sound of silence as the door behind me closed. I thought to myself, I can't believe this. Very quickly I realized that in order to occupy my mind while I was in it, I would have to really put my brain to work, so I immediately started focusing on the walls and floor. My first thought was that no matter what I did, even if I slammed my body against them, no injury could ever come to me. I was completely protected and surrounded. When you happen to have a very serious disability, this is how society makes you feel, like you have to be completely and totally protected from everything. I mean if you were to try something outside of what is expected of you, it's as if you may as well be slamming your head directly against an unpadded wall, as far as society is concerned. So that is how the system works much of the time, keeping people as safe as is absolutely possible by preventing people with disabilities from trying new experiences. that we are somehow less capable than people without disabilities, and remain inside of a metaphorical padded cell at all times for our own good. Although this book targets people with disabilities themselves and will hopefully make people refocus upon their accomplishments and equality, I really think that people without disabilities who read my ideas will develop a sincere appreciation for what all people have in common, instead of focusing on differences. That having been said, I would now like to take this opportunity to invite people of all ability levels to let me take them on a journey, heading for an absolutely beautiful destination. appreciation of our equality.

**Padded Walls** Alex Vanpo,2007-11 After years of vicious beatings from her husband, Jesse's only way out of constant mental and physical abuse is to pour gasoline on her sleeping spouse and light a match. Padded Walls is the gripping story of one woman's search for redemption, sanity, and peace in a lifetime of cruelty and terror. Instead of becoming restored and rehabilitated through therapy, Jesse is haunted by the memory of her husband's final, excruciating moments as he burned to death. Depressed and hopeless, Jesse tries to escape to a new life, far from the baggage of her tormented past. Filled with a cast of crazed yet fascinating characters, Padded Walls takes us into the mind and emotions of a battered woman struggling to reclaim her life and recreate herself within the world of the mentally ill and make sense of the brutal past that drove her there. It isn't long before even Jesse is unsure whether the murder of her husband was self-defense or she has indeed lost her mind. Padded Walls leads us to a spellbinding conclusion as Jesse frantically searches for the key to unlock the truth and free herself once and for all.
