Paper Or Plastic Werner Trieschmann, 2016 The last time we saw Sarah, she was the young hero of *Paper or Plastic*?. There, Sarah was trying her best as a new employee at Puritan Foods, a grocery store with more than a cart full of crazy customers and fellow employees. In *Paper or Plastic: The Ice Storm*, Sarah is back, but this time she is hastily given—maybe tricked into?—the job of assistant manager. Sarah is happy about the new promotion until she realizes that with great power comes even more grocery store insanity. Did we mention there's an ice storm coming?! When the assistant manager suddenly leaves ahead of the bad weather, Sarah is left to deal with stubborn customers who just want to stand at a register and read a magazine. Then there are unruly kids running around the store throwing cereal and climbing on top of shelves. That's nothing compared to the strike organized by the baggers and a mysterious figure known as El Diablo. Sarah tries to stay awake throughout the ordeal—Puritan Foods is open 24/7 of course—while also trying to smooth over the toughest obstacle of all, the cane-wielding head of Skybell Ice Cream. Will the striking baggers get a raise or just a bunch of bananas? Will there be anything left on the shelves? Will Sarah survive? The answers and laughs are in the forecast of *Paper or Plastic: The Ice Storm*.--

A Storm of Paper Starlings Inka York, 2022-10-28 What if the ordinary family you crave finds you? Only they're not ordinary, neither are you, and neither are the vampire neighbours raising your twin sister. An accident is all it takes to turn my mundane life in a London children's home upside down. Power and magic lurk at the priory, my new home in the Oxfordshire countryside, and I learn fast that nothing is ordinary around here. Not my newfound family—the Penhaligons. Not my long-lost twin sister. And not the hostile new neighbours—a coven of vampires, vaewolves and demons. As I grapple with family secrets, four powerful new brothers, and latent abilities of my own, my sister and the man who raised her find themselves in mortal danger—a danger that draws me and my family into a battle to save them. Finally embracing the meaning of family, two questions burn at the back of my mind. If vampires and demons exist, what are the Penhaligons? And what am I? *A Storm of Paper Starlings* is the first of six books. The *Not the Same River* series follows Violet as she goes from lost, gobby orphan to treasured—okay, she's still gobby—warrior, finding the clan she would die for along the way. If sibling banter, precious friendships, bitey neighbours, and terrible goats are your jam, settle in to meet your new ride or die crew today. Due to adult language and dark themes, this book is recommended for readers aged 15+ and is ideal for upper YA/crossover readers who enjoy diverse stories. The series should be read in order.

Storm Lake Art Cullen,2020-01-21 A reminder that even the smallest newspapers can hold the most powerful among us accountable.—The New York Times Book Review Watch the documentary Storm Lake on PBS. Iowa plays an outsize role in national politics. Iowa introduced Barack Obama and voted bigly for Donald Trump. But is it a bellwether for America, a harbinger of its future? Art Cullen’s answer is complicated and honest. In truth, Iowa is losing ground. The Trump trade wars are hammering farmers and manufacturers. Health insurance premiums and drug prices are soaring. That’s what Iowans are dealing with, and the problems they face are the problems of the heartland. In this candid and timely book, Art Cullen—the Storm Lake Times newspaperman who won a Pulitzer Prize for taking on big corporate agri-industry and its poisoning of local rivers—describes how the heartland has changed dramatically over his career. In a story where politics, agriculture, the environment, and immigration all converge, Cullen offers an unsentimental ode to rural America and to the resilient people of a vibrant community of fifteen thousand in Northwest Iowa, as much survivors as their town.
