Moving on Into Morning Elsie Wear Stockwell, 2009-04 Cancer survivor stories make headlines. Unfortunately, most fourth stage lung cancer patients are forced to think in terms of months, not years, before they die. *Moving on into Morning* tells the story of our hope, frustration, and despair during the eighteen months preceding my wife's death from lung cancer. Seventy-four of her poems, forty of her illustrations, and my narrative tell a story shared by millions of families throughout the world who have watched the departure of a loved one with a terminal illness. There are some miracles, but there are very few headlines. Elsie has left us, but she has taken us to places we may never know.

Monarch Candice Wuehle,2023-03-07 Candice Wuehle's irresistibly weird debut novel *Monarch* is the kind of book that you want to start reading again immediately after turning the last page—not just to trace the conspiracy at its heart, but to appreciate how its kaleidoscope of beauty pageants, Y2K anxieties, famous dead girls, and deep state machinations synthesizes into an exploration of what makes up a self . . . Poetic, haunting.—Kristen Martin, NPR After waking up with a strange taste in her mouth and mysterious bruises, former child pageant star Jessica Clink unwittingly begins an investigation into a nefarious deep state underworld. Equipped with the eccentric education of her father, Dr. Clink (a professor of Boredom Studies and the founder of an elite study group known as the Devil's Workshop), Jessica uncovers a disquieting connection between her former life as a beauty queen and an offshoot of Project MKUltra known as MONARCH. As Jessica moves closer to the truth, she begins to suspect the involvement of everyone around her, including her own mother, Grethe (a Norwegian pageant queen turned occult American wellness guru for suburban housewives). With the help of Christine (her black-lipsticked riot grrrl babysitter and confidante), Jessica sets out to take down Project MONARCH. More importantly, she must discover if her first love, fellow teen queen Veronica Marshall, was genuine or yet another deep state plant. Merging iconic true crime stories of the '90s (Lorena Bobbitt, Nicole Brown Simpson, and JonBenét Ramsey) with theories of human consciousness, folklore, and a perennial cultural fixation with dead girls, *MONARCH* questions the shadow sides of self-concept: Who are you if you don't know yourself?

The Will Benjamin Laskin,2006-09 Josh McCain is about to inherit a fortune, but instead of leaving behind easy money, his father has sought to accomplish in death what he was unable to do in life. He strips his slacker son of all his advantages, and substitutes a testament of tough love-an ultimate to-do list that targets Josh's mind, body, and soul. Josh has two years to complete the list if he is to inherit his father's vast estate. Forced out from his father's shadow, Josh must undertake an odyssey of self-renewal that takes him to people, places, and challenges he never thought he'd have to encounter, overcoming not only his own weaknesses, but obstacles and sabotage from persons who would benefit by his failure. Josh's journey brings him to a new level of understanding and faith, and if he doesn't blow it-true love.
