The Complete Paper Quilling Guide Seale Jesse,2022-02-23 What is quilling? Well its an economical craft that anyone, of any age, can take part in. You do not need vast amounts of equipment or materials to enjoy the craft of quilling. You don't even need much space! It could be described as the ideal craft. Basically quilling is the art of rolling, folding, twisting or otherwise shaping narrow strips of paper and arranging them to create beautiful designs. It isn't a new craft; in fact it has been around for hundreds of years. It was originally developed as a means of imitating gold and silver filigree work. Of course paper was much more affordable! In fact almost as soon as paper became easily available there has been reference to paper filigree.

The New Paper Quilling Molly Smith Christensen,2006 New Paper Quilling presents a contemporary take on this traditional craft, explaining the basics before taking you to the next level. From a festive mobile featuring colored strips of paper that are crimped before they are quilled, to an unusual altered book niche and tag made with metal instead of paper.
