Whether you have plain printer paper, a rainbow array of cardstock or just a few scraps of construction paper, you'll be able to create inventive paper crafts that require only a

few materials you already have, making them a thrifty and accessible alternative to more complicated projects. So grab your paper, scissors and glue and try these fun projects:

The Art of Eric Carle Eric Carle, 2021-03-09 Carle is one of the most beloved illustrators of children's books. This retrospective is more than just an appreciation of his art, however. The book also contains an insightful autobiography illustrated with personal photographs, an anecdotal essay by his longtime editor, a photographic essay on how Carle creates his collages, and writings by Carle and his colleagues. Still, it is the artwork in the oversize volume that seizes the imagination. More than 60 of his full-color collage pictures are handsomely reproduced and serve as a statement of Carle's impressive talent. - Booklist

Messy Minimalism Rachelle Crawford, 2021-12-07 Think minimalism means a perfectly curated, always tidy home? Think again. Drowning in tides of toys, overflowing closets, and a crazy schedule, Rachelle Crawford assumed you had to be naturally organized to keep a tidy living space. Then she found minimalism: the messy, real-life kind, that is less about perfection and more about purpose. Thus began a journey toward decluttering her home, calendar, and soul. With empathy, grace, and humor, Crawford—who curates the popular Abundant Life with Less site—shares doable ways to own less and live more fully. Laying out practical strategies for reducing waste, curbing consumption, decluttering, and finding lots more joy, Crawford offers no-nonsense solutions for the rest of us. Learn to become a more conscious consumer, create a capsule wardrobe, inspire family members to join you, free up more time for the things that matter, and create a tidy(ish) home. The messy minimalist way is a no-judgment zone, one in which we learn sustainable habits and grace-based practices. It's about living lightly on the earth and making room for purpose. Becoming a messy minimalist is not about turning into someone else; it's about clearing away clutter and expectations to unearth who you really are. It's about carrying fewer things so that we find ourselves holding onto what truly matters.

Paper Crafts for Kids Kevin McClendon, 2021-04-27 Not sure how more people don't have a love for paper crafts. How about you? If you don't know by now how so many things there are that you can make from a simple piece of paper, you are about to learn. When you don't feel like getting out a ton of supplies or making something super complicated, paper can be your new crafting best friend. People love receiving these as gifts, too. There is something about knowing that item was made from only paper and by you, something quite thoughtful and charming. Get your scissors and ruler out,

maybe a little bit of paper glue, and start making some of the most lovely DIY paper crafts ever. So happy crafting!
