Twirled Paper Editors of Klutz,Jaqueline Lee,2012-08 Turn simple paper strips into super paper art In 2006, we introduced a book on the venerable art of quilling. Being Klutz, we gave the topic a fresh, friendly spin, with plenty of kid-appealing projects and bright, juicy color. But, even so, we were a little concerned about the response such an old-fashioned craft would receive. We shouldn't have worried. More than 400,000 copies later, Twirled Paper is still going strong. Turns out kids (and -- surprise! -- grown-ups) love creating quirky, curly artwork out of strips of colored paper. So now we're thrilled to introduce a whole new generation to the craft. We've updated the package to our sturdy new

easy-to-wrap, easy-to-stack, open-flat box. Along with plenty of space to store all the paper strips, glue, googly eyes and custom twirling wand, we've added a new built-in pinboard work surface. Of course, the book itself is still a cornucopia of ideas for using these supplies to make aliens, alphabets, bugs, birds, cats, cows, flowers, frogs, food, moons, monkeys, and more. Enough to make a whole twirled world!

Sorry For Your Loss Joanne Levy, 2021-10-12 ★ “A heartfelt and expertly written tale of loss, family, and friendship that will have readers blinking back their tears...Beautiful and sincere.”—Kirkus Reviews, starred review Evie Walman is not obsessed with death. She does think about it a lot, though, but only because her family runs a Jewish funeral home. At twelve, Evie already knows she’s going to be a funeral director when she grows up. So what if the kids at school call her “corpse girl” and say she smells like death? They’re just mean and don’t get how important it is to have someone take care of things when your world is falling apart. Evie loves dusting caskets, polishing pews, and vacuuming the chapel—and on funeral days, she dresses up and hands out tissues and offers her condolences to mourners. She doesn’t normally help her parents with the grieving families directly, until one day when they ask her to help with Oren, a boy who was in a horrific car accident that killed both his parents. Oren refuses to speak and Evie, who is nursing her own private grief, is determined to find a way to help him deal with his loss. Praise for previous books by Joanne Levy: “Levy’s narrative is spot on.”—Booklist review for *The Sun Will Come Out* “The story gives voice to the experience of Jewish preteens; chronic illness and disability are also sensitively tackled in this complex tale about difference, acceptance, and self-confidence. A heartfelt tear-jerker

about love, friendship, and courage.”—Kirkus Reviews review for *The Sun Will Come Out* “Uplifting, gentle...Exudes inter-generational warmth, family love, and friendship.”—Association of Jewish Libraries review for *Fish Out of Water* “Though brief, this text masterfully connects the toxic masculinity to its roots in deep misogyny, making Fish a hero people of all genders can stand up and cheer for. All readers will appreciate this book’s nuanced messaging around gender roles and trusting yourself.”—Kirkus Reviews, review for *Fish Out of Water*
