**Paper Parties** Erin Hung,2017-05-11 In Paper Parties, designer-maker Erin has carefully curated over 50 paper projects for chic, fabulous celebrations that will delight and inspire anyone who loves to make playful and beautiful things. Paper Parties was born out of Erin Hung's love affair with paper as a medium and her passion for celebrations that are bursting with fun. Gone are the days when 'papercrafts' conjure up images of shabby-chic scrapbooks and heaps of unnecessary embellishment. Erin proves that these projects can be modern, stunning and relevant, through a unique format that combines the beauty of an inspirational, illustrated coffee table book, with the simplicity of a practical craft manual. Whether you fancy sending a Secret Love Message, want to dazzle and delight guests with a 3D Gem Stone place name and Flower Bomb confetti piñata, or celebrate the passing seasons with an Origami Advent Calendar, there is something to create and celebrate for every occasion.

**¿Paper Crafts for Grown Ups - Step by Step Illustrated Explanations** Jhon Dewalt,2021-01-27 Making things with paper used to be an activity that kids did with their teachers or at home on rainy days to keep them occupied. But for many adults paper crafting is a serious hobby. Making beautiful things out of paper can be simple or quite complex depending how advanced you are in the hobby of Paper Crafts. You can do endless things with different types of paper. From, scrap booking, to making cards, flowers, origami, paper cutting, and all kinds of decorations. As you can see there are many things one can do creatively with paper. When it comes to paper crafting there is a multitude of projects, techniques and supplies one can use to achieve a work of art made from paper. Paper crafts no longer means just hanging streamers for a party or drawing a sketch on a folded piece of paper for a birthday card. With all the possibilities available in the world of paper crafting today one can take virtually any plain piece of paper and make it into a thing of beauty. Even though most projects do come with instruction and techniques one gets the most satisfaction when they let their own creative touches enter the equation. Many people who think they do not have a creative bone in their body start to paper craft and are surprised with what they add to a basic project. What happens is the more a person crafts like anything else the better they become and then they start to experiment. The person starts to then experiment with the tried and true paper crafts; and as they master them and the results really start to become paper works of art. For those who really feel they have NO artistic bones in their bodies there is things like rubber stamping to create paper things with. So the possibilities are there for those who want an easy inexpensive hobby. When you begin paper crafting like anything else start with the easier projects first. After you get used to them you can advance at your own pace. The possibilities are endless and it will open up the creative side of your personality.
