Art of Cutting Jean-Charles Trebbi, 2019-04 Trimming, piercing, slicing, snipping: just a few of the many words that relate to the idea of cutting. In this volume Jean-Charles Trebbi explores the traditional techniques of paper cutting, before examining current manifestations of this art form, including the contemporary materials and technologies it uses and the types of artistic expression it offers. The Art of Cutting is a collection of artworks that have been created using a variety of cutting techniques. The author explores traditional techniques that are still very much alive worldwide, and he analyses the current aspects of the art of cutting, in which different materials and technologies lead to new forms of artistic expression. This book presents a selection of artists who revisit and work with traditional techniques, as well as those who adopt contemporary approaches. From paper to ceramics, food design and architecture, The Art of Cutting offers a stunning and diverse universe that is waiting to be discovered. AUTHOR: Born in Paris, Charles Trebbi is an urban architect, designer, artist and writer. A Renaissance man who specialises in the infinite possibilities of folding, cutting and assembling using paper, cardboard, textiles and even wood and metal, he creates his own art books, which are often inspired often by urban spaces and architecture, and produces completely original structures with pop-up and cutting techniques.

Paper Panda's Guide to Papercutting Paper Panda, 2016-11-21 Paper Panda, aka Louise Firchau, is a papercutting superstar, with thousands of fans worldwide eager to purchase her distinctive and highly sought after papercut designs. In this gorgeous book, she shows you not only how its done in easy-to-follow steps, but also provides over 20 papercutting templates to try out for yourself. The book begins with a design section in which Paper Panda provides a personal account of what inspires her, how she works, and how Paper Panda came about. This is followed by the techniques section, in which step-by-step demonstrations illustrate various techniques, including infilling. There follows a fascinating insight into how the author creates finished artwork suitable for papercutting, then how to make the template itself, and how to use the finished papercut to make cards, framed pictures, and so on. There are 20 papercut projects in the book; five from Paper Panda herself and five each from three of Paper Pandas friends and colleagues (Sarah Trumbauer, Louise Dyer and Suzy Taylor) all accomplished papercutters in their own rights. Each project consists of a template,

which is reproduced at full-size at the back of the book, and a finished paper cut, together with some simple instructions. The designs are simple enough for beginners, though attractive and interesting enough to inspire more advanced papercutters. The projects themselves include cards, decorations, and mounted and framed pictures to hang on the wall, all using a variety of coloured and patterned papers to show off Paper Panda and friends distinctive and beautiful designs to their best advantage.
